JESUS CHRIST and HIS HOLY SOVEREIGN
LOVE!!!**

OUR GOD REIGNS SUPREME!!!

**HE ALONE is Worthy to receive our thanks,
praise, loyalty, and worship!**

There must be no other gods!!!

NO OTHER gods!!!

INTRODUCTION:

This book was truly **GOD's IDEA** and not mine.

— **THE LORD JESUS** spoke **very clearly** to me that **HE** was **THE TRUE AUTHOR OF THIS BOOK**, and i am simply the secretary taking dictation —

Thank YOU, JESUS, for your EXTREME KINDNESS towards me, as to grant me this **privilege and honor to write for YOU!**

As you will notice, this book contains some **infractions** concerning the **rules of English grammar**. Please allow me to **explain** before you begin to read this material. In order to **clearly distinguish GOD**, from the rest of the Human race and the demonic gods, all references to **WHO HE is**, and **HIS CHARACTER** are **completely capitalized**. Examples are **THE ALMIGHTY GOD, HOLY**, and **LOVE**.

You will also note that when you read **“I”** and **“ME”** as **capitalized**, it is directly speaking of **THE ALMIGHTY GOD**, therefore, all other references to **“i”** and **“me”** are lowercase. For those things that

NO OTHER gods!!!

GOD wants to **emphasize**, such as the **Earth**, **Humanity**, the **Angels**, and **HIS Creative works**: the first letters are capitalized.

Nowhere, within the confines of this writing will satan and the demons be honored through capitalization. They are always in the lowercase, for they are demoted beings.

This class of literature is being presented as **fictional with theological insights**. Instead of **talking about GOD**, as many books do, this uniquely written book is presented from the standpoint of **GOD TALKING directly to you**.

You will listen and learn GOD'S THOUGHT Processes and PERSPECTIVES on a variety of subjects.

THE LORD JESUS discusses HOLINESS, eternal security, the transgender community, and other demonic gods.

HE COMMUNICATES concerning HIS PASSIONATE, CONSISTENT LOVE for you!

NO OTHER gods!!!

You will note that certain sentences, paragraphs, and points are given **greater emphasis** by being offset, **bolded**, and centered. This is clearly demonstrated in this introduction.

Yes,

**Within this writing our GOD PRECISELY
SPEAKS to you!**

This book begins:

“GOD SPEAKS to me concerning series!”

**Buckle-up buttercup, for you are in store for a
bodacious ride!**

NO OTHER gods!!!

CHAPTER 1: WHO AM I?

I Stood there by **MYSELF**. There was nothing nor anyone surrounding **ME**. In the vastness of **MY MIND**, I Flowed with an infinite number of thoughts. In **ME** dwelt ETERNAL LIFE.

I AM THE ETERNAL ONE, FOREVER IMMORTAL! THE EVER-LIVING! MY very ESSENCE is comprised of HOLY LOVE! I AM HOLY! I AM LOVE!

HOLY LOVE, or AGAPE, as it is also known, is the purest and most potent type of love ever to exist. **This SACRED PASSION** is the wellspring of all **MY entire motives**. It causes every intention **within ME** to be **FLAWLESS, PURE, and RIGHTEOUS**. This is why you can completely and totally trust and **rely upon ME**. When you perform this, **it is called faith**. Learn to become wholly, emotionally naked **with ME** by removing all armor without feeling filled with apprehension!

NO OTHER gods!!!

Don't be afraid to be **vulnerable with ME**, for **I AM THE LOVING, COMPASSIONATE, JUST, and UNDERSTANDING GOD!**

Yes, I AM GOD, and GOD ALONE!!!

You must have no other gods in the midst of our relationship! Come and **learn** about **ME**. Do not allow yourself to have an incorrect perception of **WHO I AM** and the things I execute. If you see **ME** in a wrong way, then you will approach **ME** in a wrong manner. Consequently, you will teach others, by your words and deeds, to have **twisted concepts of THE ALMIGHTY GOD**.

They, in turn, will draw near in a way that isn't authorized or **pleasing to ME** and doesn't properly facilitate our interactions. For example, many have amiss ideas concerning **MY HOLINESS**. Therefore, they present **ME** in a way that is scary and makes **ME** seem unapproachable. They portray **MY HOLINESS** as only law and judgment.

NO OTHER gods!!!

MY HOLINESS is much more than some rules and regulations, although it does include MY DIVINE COMMANDMENTS and MY DIVINE Procedures.

In fact, **HOLINESS is MY CHARACTER.**

In order to properly understand the word HOLY, you must look at its etymology.

The root word for HOLY is whole, as in to be complete, without damage, and without lack. The highest form of worship is imitation. Therefore, emulate ME and be HOLY as I AM HOLY, or be whole as I AM WHOLE!

In the **depth of MY PRESENCE**, your examination will commence. I will Reveal to you, areas of your life where you are not whole and **need ME to repair you**. These may include hurts, frustrations, and disappointments from parents, friends, and spouses. It also encompasses the collateral damage that you have done to yourself.

NO OTHER gods!!!

Yes, HOLINESS provides you with healing that you receive by faith in ME.

Obtaining this well-being demands that your mind and emotions are easily accessible to **ME** without fears, unbeliefs, and defensive walls!

The one word that defines ME best is HOLY!

I'II SPEAK more about **MY HOLINESS** with you a little later. At this time, it's imperative for you that I continue to relate **MY STORY**. I will convey **WHO I AM, WHO I DESIRE**, and **MY PURPOSE** that I Endeavor to accomplish. I will also unveil **MY PLAN** to you. **Come, learn of ME!** Your mesmerizing journey awaits.

Since the entirety of **MY Being is AGAPE, MY LOVE** requires someone to flow **MY PASSIONS** toward, someone to cherish and have as **MY Own**.

I Yearn for a beloved!!!

NO OTHER gods!!!

My HALLOWED DEDICATION sought, not only, for beings that would allow themselves to be loved by **ME**, but entities that would also reciprocate **MY LOVE**.

Will you be the one that enjoys ME the way I Enjoy you? Will you be the one that desires ME the way I DESIRE you? Will you be the one that holds tight to ME as I hold tight to you? After all, you are MY Favorite!!! MY Cherished One!!! MY Beloved!!!

You must choose to have no other lovers, which means no other gods! You must determine that **I AM your FAVORITE, your CHERISHED ONE, your BELOVED**, and that you **exclusively belong to ME, ME ONLY!!!**

I AM intensely Seeking a monogamous relationship with you! Indeed, I Want the HOLY Covenant for us, known as marriage. I SPEAK of a Supernatural union between us.

NO OTHER gods!!!

Open marriages, both Spiritually and naturally, are contrary to MY HOLINESS that includes MY DIVINE MY LAWS and MY DIVINE Order.

Of course, this also includes Spiritual and natural adultery, masturbation, and incest. Open wedlocks willingly allow other lovers into their HOLY Matrimonies. **Absolutely not!!!**

I AM THE SOLE CREATOR of the institution of marriage!

This **SACRED BOND** between Male and Female represents the **fullness of MY IMAGE**, the intensity of **MY PASSION**, and the Supernatural, HOLY Matrimony between **MYSELF** and **MY Bride**, the Church. Therefore

I AM THE EXCLUSIVE ONE WHO has the authorization and the power to set the rules and regulations that govern this HOLY UNION!

NO OTHER gods!!!

You need to love **ME** enough; whereby you will not be a participant, in that which **brings disgrace and damage** to **MY PURPOSE** and **MY PLAN!** When you care about **ME** in this manner, then you are **willing to sacrifice your pleasure or receive great pain in order to please ME!**

Therefore, love must have a choice; otherwise, it is a dictatorship! I have chosen you! Now you must choose to be chosen by ME! Remember, choices have consequences!

Because of this fact, you must choose **GODLY!** The pouring forth of affection is based on knowledge. **You can only truly love THE ONE TRUE GOD** to the depth that you know **THE ONE TRUE GOD.** For this reason, **I AM** taking the time to convey to you **WHO I AM, WHO I DESIRE,** and **MY PURPOSE,** along with **MY PLAN** that **I AM** Accomplishing.

NO OTHER gods!!!

I AM sharing this information of **MYSELF**, for your careful consideration. You must make up your mind that **I AM THE ONLY ONE for you**, as I have already decided that you alone are the **one for ME**. Together, we are meant to experience eternal bliss!

But, in order for this to transpire, you must have no other gods, no other lovers!!! MY Ultimate Quest is for you to enter into oneness with ME.

MY HOLY SOVEREIGN LOVE Proceeded to conceive all the necessary preparations to make this **SACRED BOND** happen.

I started by constructing the Spiritual universe, which would consist of **MY THRONE ROOM** (The third Heaven), the second and first Heaven; along with the Angelic host.

I AM THE CONSUMING FIRE!

NO OTHER gods!!!

Angels, meaning messengers or envoys, are built from individual flames of **MY FIRE**. They are MY Attendants who meticulously execute every **DESIRE of MY WILL**.

MY PASSION is for you!!!

Therefore, these celestial beings were designed to also minister unto you.

These flames of fire comprise the following:

- Seraphim
- Cherubim
- Archangels
- Angels

The Seraphim have six wings. They cover their faces with two wings. They cover their feet with two wings, and with two wings, they fly. The Cherubim have four faces and four wings. The Archangels are MY military branch; Michael is their General. The Angels, like Gabriel, **carry MY MESSAGES** to you. Please

NO OTHER gods!!!

understand that the term wings are symbolic and not literal. It is similar to the representation of **MY THRONE** that I explained earlier. These heavenly beings traverse by MY SPIRIT, not by actual wings. **MY HOLY SPIRIT** is the wind or the wings that enable MY Heavenly Attendants to rise, fly, and maneuver.

Once I finished forging this Spiritual, harmonious, governmental system, I then began to formulate the natural universe.

All things are fashioned through the power of MY SPOKEN WORD. The WORD I SPEAK is a courier of MY THOUGHTS, FEELINGS, and PURPOSES. I AM THE WORD!! It is through the declared WORD that MY PLANS are brought to fruition.

The tangible cosmos was framed **by the WORD** I Released. Galaxies, solar systems, gases, suns, and the planets are all MY HANDIWORKS. What you really need to understand is the Spiritual and natural

NO OTHER gods!!!

universes originated and continue to exist
inside of ME!

**Yes, there is a multiverse! In ME,
everything lives, is empowered to move,
and has its existence; this also includes
you!**

I AM THE SOURCE OF ALL LIFE!!!

Do you know why the material universe continues to expand? It is trying to **keep pace with ME!!!** Do you know a few reasons why I Created outer space? It was to teach you about **MY SPIRIT**, your spirit, and eternity. This incalculable three-dimensional realm reveals the literal, limitless truth of **WHO I AM** and what I can do. As this infinite expanse is far beyond your rational and physical capacity.

**I AM immeasurably beyond your
intelligence, your deductive reasonings,
and your physical strength!**

NO OTHER gods!!!

As you ponder the various works of **MY HANDS**, like the Sun, this gasses-hot star has the capacity to hold one million three hundred thousand Earths within itself. I bring this to your attention to cause you to come to a realization. Since **MY POTENCY** Created this majestic Heavenly Body, it communicates that I **AM** more than able to take care of every one of your needs. FEAR NOT!

I AM GOD and GOD ALONE!!! Your mind does not possess the intellectual prowess to comprehend and contain ME.

The fact you would even consider that your gray and white matter (Your brain) has this ability, no doubt, is **extreme pride and arrogance**. You are thinking too highly of your mental capacity. Therefore, **stop trying to analyze and figure ME out.**

It takes faith to follow ME; without this total dependence, you cannot properly understand ME nor please ME.

NO OTHER gods!!!

Figuratively speaking, many of you are intellectually wearing a lab coat and trying to place everything on your systemic slide to put it under your mental microscope.

You have learned to do this in order to protect yourself from failures, hurts, disappointments, embarrassments, and waves of shame. This behavior is driven by the fear of failure and the fear of being hurt. The fear of being hurt includes the fear of disappointment, the fear of rejection, and the fear of punishment.

Simply humble yourself and admit the ALMIGHTY GOD is too massive to be placed on your systemic slide and put under your mental microscope.

Accomplishing this enormous, inconceivable feat of assimilating WHO I AM and what I can do would be the equivalent of a baby still in the womb fathoming or comprehending a quantum leap. This kind of cerebral attainment, of course, is not

NO OTHER gods!!!

going to happen. Stop trying to place ME on trial and learn to love and trust ME! I have no DESIRE to harm you but to shower you with MY affections.

Now, on to the lessons of your spirit that outer space teaches you. Notice the immenseness of space; there is the set-up of many galaxies with room to hold so much more. In like manner, I have designed the vastness of your spirit to contain a wealth of knowledge, especially of **ME**, while still having the space to amass so much more. Here, you **meet with ME, worship ME, receive revelations of ME, and get to know ME intimately.** This accommodating of an astronomic amount of information is also demonstrated by your DNA.

It is a genetic stronghold of generational facts, all coded within you. Imagine these mysteries being revealed and their data readily available to you.

NO OTHER gods!!!

Now you understand the potential that I have placed in your spirit, particularly **towards ME.**

The spirit is the life force that animates your soul (Personality or character) and your body (Natural structure). It is the throne room or the seat of the worship of an individual.

The adoration of **MYSELF** or other gods takes place here. This is the realm where things that have been hidden from your intellect can be made known unto your spirit, then revealed unto your mind. **I have already Settled the fact that there are many things your cognizant intelligence cannot fathom or comprehend.** The life force I have given connects you to the Supernatural world and makes available to you Supernatural knowledge.

In the term **Supernatural**, the word "**Super**" is clearly seen. Obviously, this terminology declares that it is **far above** and

NO OTHER gods!!!

far beyond the material world and all the expertise it can offer. You correctly access this superior information through:

MY WORD and conversations with ME (Prayers), which includes talking and listening.

Please learn to focus on **MY VOICE** and not to do **all the speaking during prayer**. Like a student in a classroom, you will learn exponentially more by paying attention than by talking.

The truth is whoever has your ear has your heart!!!

Consequently, you must be responsible for who or what you are tuning in to and be careful about the one you are permitting to deliver information into your spirit and mind.

The question is, what entity or institution has your focus? Do I, **THE ALMIGHTY GOD**, the devil, or a particular news broadcast capture

NO OTHER gods!!!

your ears? Are you paying attention to someone who leads you in a **GODLY** or ungodly way?

It will be obvious who or what you are authorizing to pour into you because your heart will reveal it through your speech and actions.

If the enemy of your soul has your ear, then you will speak words of fear, doubt, and unbelief. Certainly, you will be unsure and possess low self-esteem. You will be passionate and adamant about what you believe and what you are saying!

Yes, I AM straight-out Telling you that if you possess low self-esteem, insecurities, or pride, then you have, without a doubt, been listening and placing your trust in satan!

You cannot possess all these demonic attributes and be taking heed, trusting in, and applying what **I AM SPEAKING** to you. It is an

NO OTHER gods!!!

authentic statement that what has been stored up in your heart will flow out of your mouth, and will be demonstrated through your behavior!

Therefore, your ears must be SACRED and HOLY unto THE LORD and must be completely and wholly given to THE LORD!!!

What this means is you have authorized ME because you love ME and trust ME to have control over the information that is received and believed by you.

There is such a spirit of perversion and deception in the Earth that you must rely upon your **SOVEREIGN LORD** to know what is true or real and what is false or twisted. I will grant you **MY SPIRIT of DISCERNMENT** if you are **willing to ask, believe ME for it, and often bathe in MY PRESENCE.**

Now, back to you learning to listen more while praying (Our conversation). Don't get **ME** wrong, I enjoy hearing your voice. After all, I

NO OTHER gods!!!

AM THE ONE WHO Decided to give you the ability to articulate and what type of tone you would speak with. It is just that I have so much to share with you. **I DESIRE** and **WANT** your attention! Through this **SOLEMN Communication**, I have granted you the capacity to unload your soul and be a partaker of **MY DIVINE MIND** and **MY DIVINE NATURE**.

Prayer is the umbilical cord that attaches you to ME. It removes the waste of your carnal, opposing nature and feeds you with MY MIND, which is comprised of MY THOUGHT PROCESSES, MY MESSAGES, and MY METHODS.

Prayer also activates within you MY DIVINE NATURE or CHARACTER (MY MODE OF FEELINGS and ACTIONS). This SACRED Interaction empowers you to display MY MIND and MY NATURE into your practical, everyday living!

NO OTHER gods!!!

Studying and meditating on **MY HOLY WORD** and **MY GOODNESS** are also **effective tools** in this endeavor. **MY SACRED WRIT** is given to you, from **ME**, so that you may intimately know and understand **WHO I AM**, who **I LOVE**, what or who **I HATE**, what I can do, and what is **MY PURE PURPOSE**. It is meant to facilitate our relationship.

This HALLOWED MANUAL displays to you MY MORAL EXCELLENCE and MY GOODNESS so that you may learn to depend upon ME and imitate ME.

Also, this SACRED WRITING trains you into the Purpose, identity, and destiny that I have formulated for you. Yes, I SPEAK of the BIBLE. The best-selling Book of all time!

Now, let us continue with the understanding of how the immeasurable expanse teaches you about eternity. On your planet, travel is calculated in inches, yards, feet, miles, and Mach. Outside of your world, these

NO OTHER gods!!!

measurements are ludicrous and useless; therefore, light years are employed.

This traversing of light within a solar year is combined with hundreds of thousands, millions, and even billions of years to explain distances within the universe. If you live to be a century, it is considered to be an extremely long human life span that very few obtain.

Imagine trekking for billions of years; this would literally be a “**World without end**” to you. Hence, the immeasurable expanse opens your understanding to endlessness or eternity. Because everyone within the **Supernatural universe** is **immortal**, and you are connected to this celestial world through your spirit,

I have also placed infinity and beyond within your life force.

Your spirit and body grant you the ability to operate effectively in the **Spiritual and natural realms**. I made your life force immortal; therefore, it's your spirit that I seek to be

NO OTHER gods!!!

eternally joined with, not your body because your current physical structure shall die. This truth does not mean **I AM** not genuinely concerned about your body.

I AM THE SOURCE of all your needs, including the physical. The resources that I have supplied are what I use to satisfy your necessities. As THE ORIGIN, I will never run dry, but resources will run dry.

For example, your job is considered to be a resource which I've provided for you. It was granted to meet **MY KINGDOM'S** and **your needs**. Yet, workplaces are extremely unstable with budget cuts, layoffs, jealous co-workers, and intolerable bosses. It's not difficult for your job to dry up and disappear.

Therefore, you must learn to live by faith, which is total dependence upon ME as your SOLE SUPPLIER.

I AM THE SOURCE of all that is essential to you!

NO OTHER gods!!!

This includes the making of provisions for you to obtain food and clothing. If you are wise, you will recognize **ME** in this **Providential Position**.

When you accept and hold to ME as your SOLE SUPPLIER, then, you will depend upon ME by acknowledging ME in all your decisions. This includes what you wear.

Furthermore, **I DESIRE** to instruct and govern how you **dress** because it's a **reflection of ME** and **must please ME!** It's not about **your style** but **MY PURPOSE** and **MY PLAN!** By your dependence, **I AM** granting you the opportunity to be a part of **ME** and **MY PLAN** that's so much bigger than you and your life! May you recognize this **Privilege** and **Honor** that is being afforded to you and respond by **joyfully submitting** your will to **ME!** I authoritatively Directed and Furnished how and what the universe was clothed and dressed. Therefore,

NO OTHER gods!!!

**I AM Qualified to direct and clothe you!
Follow ME, obey ME, and you will prosper!**

Now, you can clearly see the cosmos instructs you effectively about **MY SPIRIT**, your spirit, and eternity. Indeed, the Heavens orate the **Glory of WHO I AM** and what I have done. As I stated earlier, the etymology of the word **HOLY** is **whole**.

Because I AM THE FATHER and THE ORIGINATOR of every minuscule detail regarding creation, it exclusively imitates ME.

When I was done Fashioning all that existed, everything and everyone **worshipped ME as GOD and GOD Alone!!!** Every created entity **emulated forth MY HOLINESS** by being **complete** and **whole** within itself!

When Mankind began to worship other gods, all the natural creation became warped and twisted. Yes, the entire material universe was grossly affected. From this point on, every

NO OTHER gods!!!

piece of **MY natural HANDIWORK** mimicked the perverse nature of these demented deities.

I will now tell you how this horrific and **painful saga** unfolded. It began with a crucial event in Heaven that led to a **catastrophe** on your planet. After forging MY Eternal Flames of Fire (The Angelic Host), worship intensely flowed towards **ME** endlessly.

The very atmosphere was permeated with non-stop hallelujahs as the Heavens were Divinely electrically charged by MY Presence.

There was a continuous, harmonious choir of adoration that revered MY NAME (MY CHARACTER, MY IDENTITY, MY PURPOSE, and MY MAJESTY).

You may wonder what inspired these celestial beings to be **enthralled with ME** to the point that caused this **non-stop homage**. There was not an ounce of boredom in this

NO OTHER gods!!!

Heavenly Realm with the uninterrupted adoring reverence of **WHO I AM** and what I have done.

MY HOLY LOVING SOVEREIGNTY was the prevailing catalyst of all this captivating worship. It generated the **SPIRIT OF THE FEAR OF THE LORD** amongst the Angels!

As the Angelic host would behold **ME**, new realms of **MY BEING** they had never seen before would emerge.

This would cause **MY Celestial Ambassadors** to erupt with joyous, spontaneous, and passionate adoration. Thereby always motivating a fresh, enrapturing response of perpetual reverence, honor, and worship.

Truly, in **MY Presence** is fullness of joy, and at **My Right Hand**, there are pleasures **forevermore!** Because these captivating appearances will endure for eternity, there is

NO OTHER gods!!!

no boredom or spirit of indifference to be experienced in Heaven!

From **MY THRONE (A symbolic representation of MY SOVEREIGNTY)** proceeded lightnings, thunderings, radiances, and voices! **Please do not think or believe MY THRONE is a physical seat.**

I AM THE HOLY SPIRIT! Because of the fact that I AM THE ULTIMATE, SUPERNATURAL BEING, a chair or a throne that is material is never required to support ME in a sitting position.

In fact, when I State that I AM Seated upon a throne, it's meant to convey to you that I AM in absolute control, concerning all things, at all times!

MY ALL-POWERFUL position SPEAKS to you, saying I AM to be in absolute control concerning you, over all things, at all times!

NO OTHER gods!!!

This, of course, must be a willing, continuous act of love and devotion, on your part. It transpires when you **recognize ME for guidance and direction in every decision you make.**

When you wholeheartedly and **joyfully obey MY LOVING WORD**, you show forth the proper honor and reverence due to **MY NAME!** Furthermore, it is to herald that:

I AM THE SOLE OWNER AND CREATOR of the universe!!! I Hold the title deed to everything and everyone!!!

Once again, I AM THE ONLY RIGHTFUL POSSESSOR of the Supernatural and natural universe including all living and non-living things.

Of course, this too **consists of you**, the sum of your knowledge, every material thing that you have acquired, the entirety of your gifts, and your talents.

NO OTHER gods!!!

This is why these things should be completely given to ME for MY PURPOSE and MY PLAN! It all belongs to ME!

I Grant them to you, so that you will have something to contribute to our relationship.

When you cheerfully and willingly surrender all these things to ME, you pay homage to MY HOLY CHARACTER and MY LOVING SOVEREIGNTY. Consequently, MY SOVEREIGNTY is your security!!!

As I was saying, **MY THRONE** is not a physical seat or support to a bodily position, but a symbolic expression of **WHO I AM**, what I have done, what **I AM** doing, and what I will do! As a result, around **MY THRONE** is the ongoing, never-stopping, everlasting acknowledgment of **WHO I AM** and **MY MAJESTIC DEEDS**. This recognition is expressed and manifested in the form of worship, adoration, or homage. The Cherubim and Seraphim are the ones who lead the way

NO OTHER gods!!!

in this massive undertaking of homage. The preeminent one amongst them was Lucifer (Light-bearer), who was entrusted with covering **MY THRONE** and conducting the worship of the Eternal Flames of Fire.

I had given this anointed Cherub a PRIVILEGE and HONOR that I had granted no other celestial being. The gift of being the closest in proximity to ME.

At this point, it is imperative that you understand I never gave the Angels the authorization to utilize choice. The right of free will I reserved for Humanity.

It is the power that exclusively belongs to ME as THE ALMIGHTY GOD.

When deposited into you, it becomes the authority and power to obey or disobey **ME**.

Free will is the right and might to choose one's destiny, even the decision to serve THE OMNIPOTENT ONE or other gods.

NO OTHER gods!!!

It comes with the package of consequences, repentance, forgiveness, temporal, and everlasting reward or punishment.

I never gifted MY Heavenly Envoys with this prized possession.

My light-bearer took it upon himself to **hijack this forbidden endowment**. Lucifer wanted **ME** to bow down to him. Indeed, he desired to be GOD and GOD ALONE! I Created this anointed Cherub with alluring beauty. Inside of him, I Placed various kinds of instruments, so that, when he opened his mouth, out flowed an orchestra. Winds (flutes, trumpets, etc...), percussions (drums, bongos, etc...), and strings (harps, lyres, etc...) instruments were all formed within **him by ME** and **for ME**. After all, he was the chief musician and the chief choir director of Heaven.

NO OTHER gods!!!

I Equipped him thoroughly for this position, and he performed it with excellence, just as I had Designed him to function.

This light-bearer did not revel in this awesome PRIVILEGE and HONOR that I bestowed upon him. he wanted more!

With the exquisiteness and charisma that I had gifted him, lucifer persuaded thirty-three percent of the angelic hosts to transfer their allegiance to him. He led a revolt against **MY THRONE** and guaranteed a **Heavenly Civil War**. This conflict caused a worshipper to fight against a former worshipper. Michael, MY appointed General of **MY Army**, commanded the charge against lucifer and his rebellious cohorts. The battle was long, fierce, and intense, but won by **MY forces!**

I beheld satan as lightning cast down from Heaven. Lightning is friction in the atmosphere until it causes a discharge. There was contention between satan

NO OTHER gods!!!

(opponent, adversary, foe) and ME, resulting in him receiving a dishonorable discharge from the Service of THE LORD!

The commander of the fallen angels, lucifer, became relegated as satan, the prince of darkness, or the devil. The rest of the fallen angels were demoted to demons, devils, or evil spirits. I have never offered these demonic forces repentance or forgiveness, not that they have ever desired or sought for it.

Everything I AM, they became the **opposite** of and relentlessly fought against. Everything and everyone **I LOVED**, they hated and detested. Everything and everyone **I HATED and DETESTED**, they enjoyed, celebrated, and embraced. From this point on, the prince of darkness and his maniacal hellions have sought revenge against **ME** for throwing them out of Heaven.

Yes, they blame ME! They see it as completely MY fault and refuse to

NO OTHER gods!!!

acknowledge it any other way! These evil scoundrels embrace that they have been robbed of their deserved powers and rightful positions.

Therefore, they are the victims, and they are entitled to retribution.

The depth that these corruptors of good use to worship ME is now the profoundness to which they hate and despise ME.

In their minds, the vile animosity and contempt that they possess **towards ME** is completely justified. Anyone who chooses to bow their will to these spiritually depraved psychos as gods, will have to believe and embrace their pack of lies and their perverted belief systems.

Everyone who worships THE ONE TRUE GOD is now their sworn enemy.

These evil forces have enmity and view as an abomination, anyone who is a **true worshipper or servant of MINE!**

NO OTHER gods!!!

Therefore, they intentionally, aggressively, and perpetually hunt after **MY Genuine Lovers!** They revel in the prospect of harassing, intimidating, and enslaving those who choose to **belong to ME!** These twisted spirits intensely hold to their truth that one day they will defeat **ME** and all who **follow ME.** They have the warped ideologies that satan is GOD; he will dethrone **ME** and establish himself as the ONE TRUE GOD.

The devil is a liar!!!

I AM THE INVINCIBLE, UNMOVEABLE, IMPENTREABLE GOD, WHO IS, WHO WAS, and WHO IS TO COME, THE ALMIGHTY!!!

I occupy all spaces everywhere simultaneously, including through all tenses of time, in the present, past, and future!

I AM GOD and GOD ALONE!!! I dwell in the eternity of eternities!

I Created time for the purpose of manifesting MY WILL, at the appointed time

NO OTHER gods!!!

**or in the fulness of time! I AM Time's
MASTER, and it is MY Servant!**

For these reasons, you do not have to fear
or be concerned about this sinister satan and
his demented demons!

**The fact is I AM infinitely superior to
satan; therefore, he really poses no threat to
ME!**

**This sworn enemy of MINE and yours is a
coward! In a ONE-on-one conflict, I would
step on him like you would a roach.**

I call him a coward because he knows better
than to attack ME **FACE-to-face**. For this
reason, this wimp strikes at the **apple of MY
EYE: you! MY LOVE for you is
unfathomable!**

**This spineless, yellowbelly snake in the
grass understands that the most effective
way to break MY HEART is by hurting and
damaging you.**

NO OTHER gods!!!

Our enemy's ultimate quest is to turn you against ME and lead you to worship him. It's the number one reason why he seeks you out to devour you.

This defiant one is like a ferocious, insatiable lion who targets your **GOD-GIVEN** Love, Joy, and Peace! Otherwise, this defeated foe could care less that you are alive. You would not be worth a moment of his eternal existence! Because this weasel comprehends the undeniable truth of your **priceless value to ME**, like a thief, he is poised to steal you from **ME** and turn your heart against **ME**.

This fallen one **endeavors to get you to blame and despise ME, as he does.** Nevertheless, if you completely rely upon **ME**, which means having faith, you do not have to be threatened by your enemy nor fear him.

Greater is THE AUTONOMOUS ONE that intensely cares for your soul, than the

NO OTHER gods!!!

defeated adversary **that despises your very existence!**

The question must be answered: If satan and his demons are not a formidable foe to **ME**, then why have I not already disposed of them? Here is your answer: **choice!** As I said before,

Love must possess the authorization and power to determine who or what it desires; otherwise, it is a dictatorship.

For this reason, it is required that there be selections that are accessible to your profoundly intense yearnings (Love). I permit satan and his demonic forces to remain for the purpose of giving you various opportunities to peruse.

I have SOVEREIGNLY decided to be with you, if you choose to be with ME. The fact is I deeply long to be with you, even if you don't want to be with ME.

NO OTHER gods!!!

Nevertheless, I have given you the right to serve and be joined to other gods.

These wicked spirits still exist for the sole reason of giving you a variety of possibilities. Choose this moment, **THE ALMIGHTY GOD** or another deity, to whom you will be devoted forever.

**Remember, choices have consequences!
Constantly rejecting ME means I will
ultimately reject you and give you your
decisions. I don't enjoy being disregarded
or pushed away any more than you do!**

Make sure you are well pleased with your judgments, for you will live with them forever!

Eternity is too long to be wrong!!!

You may ask, how can I profess to LOVE you and then send you to an eternal punishment?

As you can clearly see,

NO OTHER gods!!!

I do not send you to hell. It is your multitude of decisions that cause you to be sent to this place of non-stop torment.

I have given you the green light to proceed down “Choice Interstate!”

I LOVE you enough to give you who you have chosen. Just in case you are uncertain about who to select, pick ME, pick ME!!!

As hurtful as it may be to MY HEART, I will honor the one you choose to be with, even if it is not ME!

Therefore, I do not DESIRE for you to go to hell, you establish your desire to go there, by the massive number of decisions you undoubtedly make!

I simply honor and respect the right and might that I granted you to come to your conclusions.

Furthermore, based on your contrary decisions towards ME, I Grant you the freedom

NO OTHER gods!!!

to be released from **ME**, to eternally live by your choices. For now, I'm done talking about this contemptible evil genius and the offers he presents to you.

I want to tell you about the narrative of why and how you came to be.

The blessed favor that I had bestowed upon lucifer of the present of proximity to ME. I was now ready to offer this grace to another, you!

There are two main differences between the gift I had given to the light-bearer and the present that I have granted you.

First, your unique endowment included free will. Next, I wanted you to be extremely close to ME, a oneness, a Spiritual marriage. Both of these PRIVILEGES and HONORS I never gave to this glorious being.

NO OTHER gods!!!

Unlike lucifer, may you **cherish** and **relish** in **MY GRACE, MY KINDNESS,** and **MY GOODNESS** towards you!

How do you manifest your gratefulness in a proper response to ME? It is by maximizing the moments. It means spending quality and quantity time with ME. Invest in our relationship by first deciding that I AM worth knowing.

Making things happen is a combination of one-percent inspiration and ninety-nine-percent perspiration!

In other words, be willing to reverence ME enough to pursue the revelation of ME, to put the work in to know ME, and to fight to be like ME in your character and nature!

The question you must consistently ask, and answer is, AM I worth it?

AM I significant enough for you to be willing to fiercely battle these evil forces and

NO OTHER gods!!!

the fiery trials they bring upon you?
Remember, I will empower you to fight and give you the wherewithal to overcome these intense difficulties!

If you choose to say yes, then serve your LORD with gladness and come before MY PRESENCE with singing. Enjoy ME!

Stop viewing all of this Godly effort as a chore, punishment, burden, and uninteresting!

**You were created for ME to complete MY PURPOSE, not your purpose or the devil's!
You exist to fulfill MY PLAN, not yours or the enemy's plan. It is not a question of this being fair, but RIGHT!!!**

It is extremely dangerous to speak about fairness with ME. The reason is fairness communicates the understanding of the correct judgment or the spirit of entitlement that demands receiving what you've rightly earned.

NO OTHER gods!!!

If I were to deal fairly with you because you have served other gods, then I would have to sentence you to death!

Based on these actions, this is what you deserve!!! Nevertheless, because of **MY HOLY SOVEREIGN LOVE**, I deal with you after **MY GRACE** and **MY MERCY**.

MY GRACE grants you what you have not rightfully earned, while **MY MERCY** keeps back from you the punishments or penalties that you have rightfully earned.

For this reason, I told you to come to the **THRONE OF GRACE**, so that you may obtain **MERCY** and find **GRACE** to assist in your time of need. Notice you receive **MERCY** from **GRACE**. Aren't you glad that I don't deal with you according to fairness but after **MY GRACE** and **MY MERCY**?

GRACE, MY LOVING-KINDNESS and **MY UNDERSERVED FAVOR**, is the giver of all-natural talents and every Spiritual gift.

NO OTHER gods!!!

Natural talents are human abilities that I grant you, such as intelligence and physical coordination.

Spiritual gifts are endowments that I place within you, such as worship, the ability to receive revelation (Both GODLY and demonic), and the power to distinguish right from wrong (Morality).

Demonstrate your thankfulness to ME by using the talents and gifts that I have furnished for you in a correct or Godly fashion. Simply put, utilize these benefits in a manner that serves and pleases ME.

You will only know how to **gratify ME by acknowledging and recognizing ME** in all your ways; then, **I will direct your path.**

Please stop telling ME and assuming what satisfies ME! You need only to ask! After all, I AM THE CREATOR OF COMMUNICATION! Speak with ME, and I will

NO OTHER gods!!!

answer you at MY appointed time and in MY appointed WAY.

Learn to patiently wait with joy! For it is MY joy that will give you the strength to remain in a state of readiness and to keep fighting until I come. Before I manifest your desired answers, **adore ME**, and perform those things that you already know are right and pleasing in **MY Sight**. This great delight I give you also supplies the intestinal fortitude that enables you to do what you know is righteous **before ME**.

Do what you know, and then you will know what to do!

All these things that I have so graciously bestowed unto you are MY GIFTS of LOVE to you. How you operate and utilize these presents are meant to be your gifts of love to ME.

You must give an account to ME for how you handled these Spiritual endowments

NO OTHER gods!!!

and natural talents. Therefore, use them in a **GODLY** manner that brings **ME GREAT GLORY** and **HIGH STANDING HONOR!**

For example, if I have granted you the ability of music, in the form of a melodious voice and/or a skilled musician, then:

Don't use these GRACE-GIVEN GIFTS for the devil, in the way of secular or worldly music.

I set the parameters for the types of songs you should listen to, sing, and play.

Here are your guidelines: the song should cause you to come into harmony with ME; by enabling you to be sensitive to MY VALUES, MY NEEDS, and MY DESIRES! In other words, it inspires you to give ME and ME ONLY, thanks, praise, and worship!

Songs have messages they convey to you and at your weakest points. You will follow and obey its directives.

NO OTHER gods!!!

Who and what are you repetitiously listening to, meditating on, and singing? Eventually, you will imitate them and their messages. In case you didn't know,

**Imitation is the highest form of worship!
Music leads you to perform homage!**

I AM THE CREATOR OF MUSIC!!!

**Its intended purpose is to cause you to
worship!**

For this reason, you must be extremely selective in what your ears are hearing, your heart is dwelling on, and your mouth is singing!
What are you being indoctrinated with?

I AM THE CREATOR OF MUSIC! Are the words being spoken to you about sexual activities, money, and fame? Do these lyrics glorify Women's body parts and preach to you that success is obtaining power, cash, and notoriety? Are there curse words contained in these musical pieces that you enjoy? If so,

NO OTHER gods!!!

when you are reiterating these words in your mind and out of your mouth, you are swearing.

The problem with this is you are now speaking the language of another god!

Indeed, these words do not glorify **ME**, nor draw you closer to **ME**. These types of songs that exalt and cause you to crave these worldly kinds of languages and activities are **not from ME** but from other gods!

MY Former Choir and Music director was lucifer. I make this statement, so that, you will recognize satan's ability to effectively utilize music to worship him.

Therefore, choose your music wisely, because whoever or whatever has your ears has your heart!

Consequently, whoever or whatever has your heart, directs your worship to its intended god!

NO OTHER gods!!!

What you listen to should **align with MY SPIRIT** and **MY WORD**. By adhering to these understandings, it will properly aid our interactions and relationship.

The purpose of the songs that you wrap your heart and mind in is like a garment. **It's more than your personal preference or the promotion of your moods.**

The music you decide to give your ears and heart to must assist in facilitating our Love Affair!

I LOVE YOU SO MUCH!!!

Have you decided to reciprocate MY Passionate Affection or give your love and devotion to other gods? It's genuinely up to you.

I have given you the right and might to freely choose. It now **pleases ME** to relay the narrative of

NO OTHER gods!!!

**MY ultimate quest for MY Bride. This is
you!**

The consuming fire of **MY HOLY SOVEREIGN LOVE** burned and yearned for eternal companionship! I deeply ached for someone who would be willing to **share in MY endless PASSION and GLORY.**

A monogamous and oneness intimate relationship was/is/will be MY PURPOSE! It is why I manufactured the Spiritual and material universes.

Nevertheless, in the physical realm, I focused MY attention on one planet and on one planet only. **Here, I would harvest MY Bride.** It was in this world that I would **unfold MY DIVINE, AWESOME PURPOSE, and PLAN.**

NO OTHER gods!!!

CHAPTER 2: MY PURPOSE AND PLAN COMING TO FRUITION

I Moved with great delight as I began to mold this blue sphere. **MY SPOKEN WORD was the complete material I needed to construct this world.** In the beginning, I Created the Heaven and the Earth. This statement tells the whole story, and the rest is detailed commentary. Yes, **MY BOOK** opens with this summary of MY Creative Act. The Earth was lying in waste and was in the state of being an undisguisable ruin. Darkness and obscurity were on the face of the deep or the abyss. **MY SPIRIT Moved** upon the water; then, **this declaration proceeded out of MY MOUTH**, light be, and light was!

These passages reveal five key elements:

- 1) “In the beginning...” speaks of a time in correlation to this creative event.
- 2) The heaven articulates concerning space.
- 3) The Earth represents matter.

NO OTHER gods!!!

4) **MY SPIRIT Hovering, Brooding, or Incubating** over the waters demonstrates energy. It is like a mother hen hatching life from the eggs by laying on them.

5) The fifth element is light.

Do you plainly see these five elements, which are:

1) **Time- “In the beginning”**

2) **Space- The heaven**

3) **Matter-The Earth**

4) **Energy-MY SPIRIT Brooding over the face of the waters.**

5) **Light-the emerging of MY RADIANCE?**

Simplistically stated, these quintuple compounds constitute life in the material universe. **I AM THE COMPOSER AND SOURCE OF ALL THINGS!!!** These multiple components preceded, materialized, and existed from the Power of **MY SPOKEN WORD! I AM** bringing your attention back to

NO OTHER gods!!!

number four, which is **MY SPIRIT Hovering, Brooding, or Incubating** over the waters. This energy that I Exuded led to the bringing forth of life.

Nevertheless, there is a deeper meaning found in **MY Action**. As a bridegroom would lay upon his bride, so I Hovered over the waters. I was already indicating, in a symbolic form, **MY LONGING to be with you**. Waters have oftentimes been used by **ME** to represent Humanity. Therefore, when **I AM** Hovering over the face of the waters, it embodies **ME** being **FACE-to-face with Mankind**, as a Husband laying upon his Wife for intimacy. **Will you be MY Beloved? Will you be MY Spiritual Spouse who is poised to give birth to MY PURPOSE and MY PLAN in the Earth?**

MY MASTERFUL PLAN for Spiritual Marriage was unfolding. I continued to shape and mold this blue planet with the intent of using it to give birth to and develop **MY WIFE!**

NO OTHER gods!!!

I AM THE GOD OF PURPOSE!!!

This world had **MY Focus** and **MY Attention**.

Have you noticed that I permitted the other planets in this solar system to be named after other gods, in particular, Roman gods?

The celestial bodies in order from the Sun are as follows:

- 1) mercury (the messenger of the gods, the god of commerce)
- 2) venus (the goddess of love)
- 3) Earth
- 4) mars (the god of war)
- 5) jupiter, (the king of the gods)
- 6) saturn, (the god of agriculture)
- 7) uranus, (the god of the sky, which is the sole planet named after a Greek god)
- 8) neptune, (the god of the sea)

NO OTHER gods!!!

9) pluto, a dwarf planet, (the god of the underworld)

Have you also considered that I would not allow this blue sphere to be called after any god? Instead, it is named Earth, which means ground. I have permitted these other planets to be named after other gods because **they are uninhabitable to Human life**. This is to instruct you thoroughly, by a living lesson, what is and will be the results of serving other gods. Your very being will become unproductive **to MY Good Works** and **uninhabitable to MY JOY, PEACE, and LOVE**. As a result, your soul will be lodging hate, fear, jealousy, and the constant storms of torment!

Earth signifies to you the vibrance of life and its overabundance that you find in ME. **It is obtained through a lifestyle of complete dependence, flexibility, and total submission with joy. This is called worship! I have come to bring you “GOD-LIFE” and that more abundantly!** Earth is known as the blue planet.

NO OTHER gods!!!

Blue signifies the Heavens and is meant to speak to you about the type of **DIVINE Encounters that await you in ME!**

Now, which experience would you rather have? The barren, uninhabitable life that comes from the serving of other gods, which is exemplified by these other planets (Named after other deities in the solar system). **The alternative is Earth, the blue or heavenly planet, that is fruitful, inhabitable, and conducive to Human life. This represents to you the benefit and blessing of serving and worshipping ME, as THE ALMIGHTY GOD!** Once again, the choice is yours! I will continue with this understanding of the meaning of Earth later.

One of the key things I performed while Forging this world was to separate the light from the darkness. Light and darkness were abiding in agreement, until I informed them that they did not belong together! **In like manner, I must Detach your light (Represents ME as THE**

NO OTHER gods!!!

ONE TRUE GOD and the revelatory, moral truths I bring to you) from your darkness (Symbolizes other gods; also, the lies, deception, imprisonment, selfishness, and immorality they bring to you)!

How can you worship THE ONE TRUE GOD and other gods at the same time? The correct answer is you can't! The way to fix this is to repent: this is GODLY SORROW, meaning it's a trait that solely belongs unto ME, and it is a gift that only I can give unto you, but you must ask for it. It is a change of mind, a change of heart, a change of attitude, and a change of direction!

Sincere repentance is not being sorry that you were caught; instead, it is being remorseful that you hurt and disappointed ME, your TRUE LOVER, FRIEND, and GOD. Convicted, not condemned, to the depth of your consciousness, where you are committed to being transformed to please ME and come into alignment with ME.

NO OTHER gods!!!

Therefore, you must:

- **Ask your GOD** to release the gift of repentance or contrition to you.
- Next, you need to make a conscious-decision or a vow that **I AM you're only GOD**, and **you will solely worship ME!**
- Lastly, you must **passionately, aggressively, and perpetually seek ME** for an intimate relationship between us!

When your light and darkness are combined, it also means that you cannot distinguish between what is morally good and what is evil and contrary to MY DIVINE NATURE and LOVING COMMANDMENTS!

As a result, the intermingling of light and darkness symbolizes the **twisting of truth, which is perversion**. Consequently, you will call good evil and evil good. This mindset is treacherous and

NO OTHER gods!!!

extremely deadly to our **HOLY BOND**, your well-being, those you influence, and your eternal destination.

It's a fact that your salvation is regulated and only as secure as your last genuine repentance because contrition determines your standings with the ALMIGHTY GOD. As the devil has stated, there is no, "Once saved, always saved!"

I will now resume **MY UNDERSTANDING** concerning the Earth, the ground. I have Designed the Earth to produce. Computers, furniture, cell phones, vegetation, clothes, houses, airplanes, and so much more all receive their material from the land. Gold, silver, rubies, and many other valuable, precious, and useful things are found in its depths. The ground represents **MY WORD. MY WORD is the SOURCE and MATERIAL of the Spiritual and natural universe and all they contain!** It is through in-depth digging into **MY HOLY SCRIPTURES** and **MY MIND** that you will find

NO OTHER gods!!!

untold treasures that will be nourishment for your entire being. Here, you will discover principles and practical revelations. These are useful components for your everyday living! Yes, you're designed to feast off **MY HOLY WORD** and **MY HOLY PRESENCE!!!** Mankind cannot live by natural food alone, but by **every WORD** that keeps coming out of **MY MOUTH! THE WORD I SPEAK** to you is both **SPIRIT** and **LIFE! It is health and wholeness to your spirit, soul, and body!**

The Sun, moon, and stars are a part of the ensemble **I Orchestrated** in the Heavens. They are not solely the givers of light to the Earth but also function for signs, years, seasons, and days. As a token, they **demonstrate MY Providential Care for you.** Indeed, these Heavenly bodies preach concerning **MY AWESOME CREATIVITY that is able to supply every one of your needs!**

Don't be fearful, worried, and unbelieving. **Learn to rely completely upon ME as your**

NO OTHER gods!!!

GOD. What is a mortgage, college, or car bill to HE WHO has Invented and Formed the Sun, moon, and stars? I Forged the Sun as a symbolic representation of MYSELF. I AM THE CONSUMING FIRE; sound familiar? It should be because this star is a ball of consuming fire. This gas-hot sphere contains seven layers, which correlate to **THE SEVEN SPIRITS of GOD.**

THE 7 SPIRITS OF GOD are as follows:

- 1) THE SPIRIT OF THE LORD**
- 2) THE SPIRIT OF MIGHT**
- 3) THE SPIRIT OF COUNSEL**
- 4) THE SPIRIT OF KNOWLEDGE**
- 5) THE SPIRIT OF WISDOM**
- 6) THE SPIRIT OF THE FEAR OF THE LORD**
- 7) THE SPIRIT OF UNDERSTANDING**

The seven layers of the Sun are sequentially listed: the corona, the chromosphere, the photosphere, the subsurface flow, the

NO OTHER gods!!!

convection zone, the radiative zone, and the inner core. Your terrestrial physical structure can barely handle this blazing, hot star, especially in the summer. This scorching inferno from ninety-three million miles away can alter your skin color and give you a suntan. When you spend quality (Focused) and quantity (Vast amount of) time in **MY PRESENCE**, I will alter **your thinking, personality, and dress style!!!** It's a **SON-TAN!** You will radiate out **MY GLORY!** Absolutely! This is a genuine triple threat to our enemy! In order for you to go closer to the Sun, you would need a glorified body. In like manner, you must possess a Celestial body to take the **impact of the fulness of MY MANIFEST PRESENCE!**

The moon contains no light of its own but reflects the Sun's light to a dark world. **The Church, MY Bride, is symbolized by the moon.** MY WIFE accommodates no light of her own but radiates **MY LIGHT OF REVELATION TRUTH** to a sin-darkened world. The stars that

NO OTHER gods!!!

shine so brightly are those in **MY BODY** that instruct and illustrate to others **Righteousness**.

Righteous is GODLY Thinking, GODLY Feelings, and GODLY Actions!

The genuine stars are not found in Hollywood but are equipped, outfitted, and **furnished in ME!**

I continued to give **MY complete Attention** to this place where **MY Bride** would come from. Fish of the sea and the fowl of the air **I Created** and put into their particular places. Aaaaaw! There is so much beauty that **I have Created**, for you to behold and enjoy! The beast, cattle, smaller creatures, and things that crawled upon the land. I used the material of the Earth to bring them all forth.

After accomplishing all these things, it was now the time for **MY “Crowning Achievement”:** **The Creation of Man!** I meticulously Formed him out of the dust of the Earth. When his structure was completed, **I BREATHED** in the

NO OTHER gods!!!

Man, **THE BREATH OF LIFE**. Please make note that I did not blow into him like you would a balloon. No, I **SPOKE MY WORD**, “Man, Live!” Then, he began to breathe.

THE WORD I SPEAK is both SPIRIT and LIFE!!!

In **MY IMAGE** and after **MY LIKENESS**, I **Created** this Man. I Named him Adam after the dust of the soil that he was formed from. I purposely Designed Adam from the humus (Topsoil) because it is extremely productive. This made him a “**Humus-Being**” or a Human being. The different colors in the topsoil give you some idea of Adam’s potential skin color; of course, it is not for certain. It is possible that Adam's skin was multi-colored. Shhhh! **I AM** not saying for sure. It's just a thought for you to ponder on, **SMILE!**

As I Said, I **Created** Adam after **MY IMAGE** and after **MY LIKENESS**. **MY IMAGE is the**

NO OTHER gods!!!

make-up of his structure that emulates ME.

Adam was comprised of three parts: spirit, soul, and body. Yes, this is the way you are formed, too. In like manner, I have three offices or manifestations that **I Operate** from in order to interact with you effectively.

I AM far greater than these offices or manifestations, but it is an efficient way to assist you in relating to ME:

- **THE FATHER**
- **THE SON**
- **THE HOLY GHOST/THE HOLY SPIRIT**

THE HOLY SPIRIT is also known as **THE SPIRIT OF HOLINESS** because it is through **ME** that **HOLINESS** or **WHOLENESS** is imparted unto you. **You cannot be HOLY without possessing MY HOLY SPIRIT!**

Notice, Adam had three parts with one head. **I Constructed** him and you this way purposely to teach Humanity about **MYSELF**. If I were a

NO OTHER gods!!!

trinity, as some say, then you and Adam would have three heads on one body. Instead, the first Man and your make-up instruct the Human race concerning **MY ONENESS**.

I AM ONE GOD WHO Operates through three different positions! **I AM not three persons in a Godhead who are co-equal, co-eternal, and co-existent!**

Indeed, this is why a person can have three different roles but remain the same individual. For example, a man can be a father (**THE FATHER**), a son (**THE SON**), and a worker (**THE HOLY SPIRIT**), but he is only one entity (**ONE GOD**), not three men (trinity). Therefore:

Humanity comprised of spirit, soul, and body represents MY ONENESS.

The spirit of Man symbolizes the role of **THE FATHER WHO is the CREATOR of everything and everyone**. The soul illustrates **MY HOLY SPIRIT** that communicates **MY MIND** and **MY HEART to you**. The **SPIRIT OF HOLINESS**

NO OTHER gods!!!

Performs this by influencing your mind and your emotions (The soul) through your spirit. Your physical body represents the manifestation of **MYSELF** in flesh (**A BODY**).

Yes! There is only ONE GOD WHO is ONE!!!

MY LIKENESS is the GODLY Characteristics or GODLY NATURE that I Downloaded into Adam, such as love, joy, peace, forgiveness, long-suffering, and faith.

Here is something to make you grin: DNA, not the scientific definition but the **MY Spiritual Definition, equals DIVINE NATURE APPLIED! Unfortunately, DNA can also be demonic nature applied. It is your choice which one you embrace and enact!**

I set up this world for Mankind to rule and have dominion. Adam was King, and **I AM THE KING OF KINGS**, for **I Rule** not only over Humanity and the Earth, but **MY Supremacy** reaches beyond the entire universe.

NO OTHER gods!!!

I AM GOD, and GOD ALONE!!!

I placed Man in the Garden of Eden, also known as the land of Pleasantness. It was the earthly representation of **Heaven, MY dwelling place.**

In the middle of the Garden, **I Planted the TREE OF LIFE (I AM THE TREE OF LIFE because I AM THE SOURCE OF ALL LIFE)!**

I also Planted the tree of the knowledge of good and evil. These two trees represent **MY THRONE in THE MOST HOLY PLACE.**

I MAKE ALIVE, AND I KILL! I Created good and evil, and their knowledge **comes from ME.** All these things proceed **from MY THRONE.**

You may ask how this **HOLY GOD** could bring forth evil. Evil was **Created by ME** withdrawing **the influence of MY GOODNESS;** thereby, what is left behind is the opposite of **MY NATURE,** evil. For example, what happens when you turn off the lights? Immediately, darkness takes the place where light once

NO OTHER gods!!!

occupied. This is a simple illustration of how I **Created** evil. By retracting the Light of **MY Influencing HOLY PRESENCE**, darkness and evil are now able to take hold of that emptiness. This area can also include your heart! For this reason, you should not desire nor make efforts to reject **ME**.

I AM HOLY!!!

From MY HOLINESS proceeds morals and integrity. HOLINESS is the SOURCE of morality and integrity.

When you **refuse The HOLY compelling Force of WHO I AM (MY CHARACTER, MY NATURE)**, you are throwing **My CONSCIENCE, MY MORALS, and MY INTEGRITY** out the window. These are presents that I Grant you access to.

Conscience, the inner sense of what is right and wrong, is a gift that I have imparted to you.

NO OTHER gods!!!

It is what pricks you in your heart and mind and says I should or should not be saying or doing this. Don't permit this inner voice to be run over with evil thoughts and selfish desires! Don't allow it to become seared with a hot iron. It means don't permit the enemy of your soul to destroy or cauterize your conscience through your following and obeying immoral and evil actions.

Morals are the principles or rules of right and wrong conduct that enable you to distinguish good from evil.

You must be taught these understandings.

Integrity is when conscience and morals work together and govern your thinking, speaking, and behavior until it is a part of your character.

**You must work extremely hard and be consistent with ME to develop such integrity!
This is GODLINESS!**

NO OTHER gods!!!

The two trees **I Planted** in the midst of the Garden embodied opportunities. Both of these trees had fruits that contained seeds, allowing them to reproduce themselves in the one that partook of their produce. **THE TREE OF LIFE** generated life into the one that ate it.

I authorized the Man to eat of **THIS TREE** as often as he desired. This was to train him into the understanding that life flourishes through the **following of MY COMMANDS!** The tree of the knowledge of good and evil I had forbidden Adam from eating. This was to instruct Adam that the correct way to gain the knowledge of good and evil is **through dependence upon ME (Faith) as your FATHER and your TEACHER!**

It is to consult ME on whom you may trust to receive information from and not to make this decision of your own accord.

When you access knowledge contrary to **MY COMMANDS**, it leads to “**the four deadly d’s**”:

NO OTHER gods!!!

- Deception
- Divorce
- Death
- Destruction

Divorce, in this context, means that your connection with truth has been severed.

I was Adam's **FATHER** and **MENTOR**. He was meant to learn the truth about good and evil **through ME**. Therefore, I let Adam know to keep or guard the Garden. Protect against who? I had forewarned him about our common enemy, satan, the fallen one. The Man was not ignorant concerning the evil desires of this wicked one towards him. How did he know? I had informed him.

Digesting from this prohibited tree spoke that another was being chosen to be the father and the mentor. No longer would **I be the SOLE ONE WHOSE THINKING and PERCEPTION**

NO OTHER gods!!!

governed Mankind's understandings of good and evil. I'll return to these two trees later.

Adam was formed on the sixth day of creation along with the beast of the field. This is why the number six became associated with Humanity and the beast. **I AM Teaching you**, once again, that I have granted you the **power of choice!** You may choose to persevere and grow into the fulness of **MY LIKENESS (Spiritual and natural maturity that is your destiny)**. Adam, before the fall, represents this truth and the possibilities that await you. The beast, after the fall of Adam, symbolizes to you the descending into decadence, debauchery, and immorality.

You can obviously see where **the mark of the beast (A wild, uncontrollable animal) originated. The mark of the beast represents those who are completely given over to their untamed and uncontrolled animal instincts and impulses of their fleshly nature! They willingly submit themselves and worship**

NO OTHER gods!!!

satan in exchange for their basic needs being met by the devil.

I Placed Adam into the Garden of Eden and told him to dress (Maintain and cultivate) and keep (Guard and protect) this Pleasant Place. He became a gardener on watch! The real or deeper Garden that he was to guard and protect was his heart! Unfortunately, he failed at every one of these tasks, and another was given his charge! I'll discuss how this all happened later.

Adam preserved this beautiful Garden of Paradise through the power of his spoken word! Remember, there were no such things as garden tools like rakes, hoes, and shovels. His tools were his words.

There was wealth in his mouth! Indeed, it is better to have wealth in your mouth than wealth in your pocket! What does this mean? I'm glad you asked!

Wealth in your mouth is when what you say manifests and prospers for the purpose of

NO OTHER gods!!!

executing MY WILL! If you have affluence in the doorway of your lip, then you will eventually obtain the abundance in your account.

Why? Because your words will create it! After all, you were constructed to be **just like ME!** Therefore, **ask ME to teach and instruct you** how to operate effectively with the words that are in your mouth. Actually, it transpires by **learning MY Definitions of words and by saying what I tell you to say!**

Speak in agreement with ME!

Together, WE will materialize **MY PURPOSE** and **MY PREORDAINED PLAN** into the Earth! Let's return now to the authority and power I granted this "**Humus-Being.**"

Adam commanded at what speed and volume and in what methods, colors, and height the vegetation would operate and obtain. They obeyed his every word! He was the ruler of this world!

NO OTHER gods!!!

Eden was quite vast. It stretched from Ethiopia to the Tigris and Euphrates Rivers. How could one Man protect and maintain this volume of land mass? It would take armies to spread over this immense territory to perform this assignment adequately! So then, how did this Man accomplish such an awesome feat by himself?

Adam would visualize in his mind and then speak out from his mouth where he wanted to go, and MY SPIRIT would carry him there in the twinkling of an eye!

Because of this, Adam was able to traverse by MY SPIRIT expeditiously throughout Eden. It caused his job to be of no problem at all!

How did Adam know what various places looked like in order to perceive them in his mind distinctly? I had given him a grand tour, of course.

NO OTHER gods!!!

Adam also had a photographic memory that enabled him to recall perfectly. There was no sin existing to inhibit and block his ability to recall.

This Man was absolutely designed to be just like ME! Adam was MY Mini-ME!

Establishing the Man in a garden was indeed entirely strategic of **ME** because Adam, being made from topsoil or humus, was also **MY Garden.**

He had to maintain and guard his mind and heart by joyfully obeying MY SPOKEN WORD!

He was constantly growing and evolving with every new encounter with **ME!** I would come during the cool of the day, **approximately three in the afternoon, to communion with him.**

This time became later known for **the evening sacrifices.** It's also the time that **I sacrificed MYSELF for you** and died upon **The Cross (MY Altar).** You can identify, without a

NO OTHER gods!!!

doubt, that I intensely Yearn to Intimately Communicate (Prayer) with you and to spend quality (Focused, undistracted) and quantity (A large amount of) time together.

I LOVE you with EVERLASTING and UNENDING LOVE!!! Will you forever be MINE and only MINE? No other gods!!!

Here is an intriguing thing for you to ponder and think about.

Did Adam use the bathroom: to defecate?

Well, let's look at some of the facts that surrounded him. The food Adam ate was perfectly suited for his body. It gave him all his necessary nutrients without anything left over.

There is no waste of any kind in MY Economy! It is this principle that will govern the practical application of this question.

The Man's body was perfectly suited to digest and use effectively everything he ate. In fact,

NO OTHER gods!!!

the food remained alive in his system as he assimilated every nutrient into his body.

Fecal material results when the cells are not able to use or consume the necessary nourishment they need. As a result, there is excrement left behind. **Consequently, Adam's body experienced no waste of what he had digested.** There was no poop; thereby, no reason to defecate.

As I said, this principle of no waste of any kind in **MY Economy** governs the practical truth of this question: did Adam use the bathroom?

The necessity of relieving oneself comes after the fall of Man because death entered into everything Adam ate and into his body.

As a result, there now existed things in his diet that were no longer digestible or beneficial to his organs.

Death caused spoilage and brought an expiration date to all material things, within the natural world!

NO OTHER gods!!!

Now, when he ate and assimilated his food, it was already losing life rather than maintaining it and passing on this living energy to his body!

Ooooh! The destruction and chaos that came into MY Creation after Mankind began to serve other gods!

Once again, this shows you the consequences of worshipping these psychotic spirits.

When the Human race began to defecate, it also revealed what status you would hold in hell! This is why you can be eternally tormented because you no longer have any value of any kind!!!

You will be treated as the unworthy waste you currently are!

It is impossible to go to hell and retain MY IMAGE AND MY LIKENESS. You cannot be in Human form while in hell!

NO OTHER gods!!!

The reasons for this are satan and the demons hate **ME** and want no reminder of **ME!** Of course, contained in **MY IMAGE** and **MY LIKENESS** are stark reminders of **WHO I AM**, what **MY PURPOSE** is, and what I can do. Also, **MY SIMILITUDE** consists of love, joy, peace, hope, and faith.

These qualities cannot exist in hell.

If they did, it could no longer be a place of eternal torment. In other words, it would be impossible for it to remain hell.

Literally, you will be as fecal material in hell! Since you no longer have MY IMAGE and MY LIKENESS, you are no longer Human. For it is these things that give you your genuine worth.

Well, this implores the question, while in this fiery abode, whose image and likeness do you possess?

NO OTHER gods!!!

You will take on the image and likeness of the chief demon you were performing the bidding for and worshipping.

Consequently, this malignant spirit will have absolute control over you!

Whose image and likeness you possess is the one you are subject to for all of eternity.

The truth revealed from this is satan's and the demons' merit are the equivalent to fecal material. They possess no value or worth, and you will be exactly like them!

When this demonic horde rebelled against **ME**, they forever lost any meaningfulness and significance! Referring to them as the fallen Angels speaks of their descendent forms and natures that were transformed. The metamorphosis went from the beauty of **MY HOLINESS** to the grotesque, reprehensible, and hellish creatures they currently are.

NO OTHER gods!!!

Once you choose to worship one of these corrupt beings, you too will fall from **MY IMAGE** and **MY LIKENESS** and be transformed.

Consequently, the one you have chosen to be loyal to is the premier demon whose image and likeness you now contain.

Your demonic god is a venomous, ferocious beast who will completely consume you! The result of this tragedy is you will now have all the traits that are opposite to **MINE**. Instead of love, there is hate and fear. Where there was peace, there is now confusion and insanity. Once joy was present, now hopelessness and deep, dark, unmovable depression. You will possess no ability to resist nor fight these demented forces, but you will be in complete subjection and compliance to their every whim and desire.

This is the price tag for rejecting ME by choosing to trust in and worship other gods. What a horrific price to pay for being loyal to these vile demons!

NO OTHER gods!!!

Also, recognize this certainty, because there exist none of **MY CHARACTERISTICS** in hell, there are no loving relationships!

I AM LOVE!!!

Because you discounted **ME** as **THE ONLY TRUE GOD**, then your family and friends (The ones you cherished, were connected to, and deeply loved), you will now hate and loathe each other, just as the demons dictate.

It is an absolute lie to think or believe that because loved ones and friends will be in hell with you, partying and celebration will eternally be yours. Instead, they are an absolute abomination to you and you to them! These corrupt, merciless spirits will pervert your memories, especially the fond or favorite ones. You will now view these joyful, love-inspiring, and peaceful recollections through psychotic and perverted perceptions. You will believe lies concerning these wonderful events of your past life. In your former life, the individuals you

NO OTHER gods!!!

enjoyed spending time with and doing things for (Such as your spouse or child because they meant so much to you), you are now convinced they were using you and abusing you. They never loved you or cared about you. As a result, you justifiably detest them and want to inflict pain upon them continuously, as you vilely curse them!!

Remember! Everyone there is no longer a Human being, but you will all be transformed into disgusting, vile, and despicable creatures. In every way, you will all resemble the demons you chose to worship.

Get out of your mind that you or anyone else will look the same as they did on Earth. This is an absolute farce! Whatever was beautiful, desirable, and loveable about you, your loved ones, and your friends will be completely annihilated! Because all these appealing traits come from **ME**, and you no longer will contain anything of **ME**, you will dwell in a state of perpetual loneliness, for there are no love

NO OTHER gods!!!

connections of any kind in this dismal abyss.
Now that you understand these things:

Is it really profitable and worth obeying, worshipping, and performing the will and commands of other gods?

Come, rest, and abide on THE LORD's Side!

I also want to impart to you another revelation concerning why Humanity releases fecal material from their bodies.

It is to consistently teach you the necessity of expelling the carnal mind and its fleshly nature.

Every day you must toil extremely hard to crucify or live as one who is dead to the unholy desires of your unholy nature. The horrible stench that often accompanies the unloading of your fecal burden is to remind you of how I view your carnal mind, fleshly nature; and how you should look at it also.

NO OTHER gods!!!

You know! You intensely seek to get rid of and get away from this unbearable odor and the content that is the source of it.

In like manner, this must be the position you take towards your ungodly thinking, your ungodly perceptions, and your ungodly acting. You would not tolerate keeping your excrement and its repulsive smell around you and your environment, would you?

If you were willing to perform such a heinous act, then this would be seen as unsanitary and **straight-out nasty!** Then why are you petting and making excuses for your carnal mind and your fleshly nature? Why are you expecting

THE HOLY KING OF THE UNIVERSE

to accept and embrace these detestable, disgusting, unholy things?

I seek to have a Spiritual, intimate relationship with you. Is this the atmosphere that you deem fit and suitable for the **ETERNAL,**

NO OTHER gods!!!

LOVER OF YOUR SOUL to conduct our love affair in? PLEASE!

Love ME out of the purity and sincerity of your heart that leads you to fulfill MY DESIRES.

Make the necessary efforts to cause ME to be comfortable and at home in your life. Simply put, clean up MY abode! Thank you!

I LOVE you so much that I do not ever want to be separated from you; nevertheless, I cannot and will not abide in the filth and nastiness of your carnal mind and fleshly nature.

This is why these contrary and hostile elements must be removed through spending quality (Focused) and quantity (Large amounts of) time, with **ME**.

You do this through prayer (Listening and talking with **ME**) and fasting (Depriving the flesh of its desires and striking a blow at its strength, by withholding its nutrients). Understand, while

NO OTHER gods!!!

fasting, you are to replace your natural food with **MY Spiritual substances (MY WORD** and prayer). Otherwise, you are just dieting or starving yourself. This definitely would not be productive or beneficial for our Spiritual, intimate relationship.

It is very good to read MY WORD, but it is even better to study it and know it intricately for yourself.

Bathe in MY PRESENCE and MY WORD!

These sanctified tools will clean up your Spiritual house and cause it to be fit, for—

THE KING OF GLORY

— to rest and abide!

PLEASE! Don't study THE BIBLE for the purpose of speaking to others, but research THE SCRIPTURES for the intent of deeply knowing and comprehending ME!

Do you understand that when **I AM** solely in the picture of your life, I will ensure that all things

NO OTHER gods!!!

work together for your good? I did not say that everything that happened to you would be good. On the contrary, you will know great difficulties, but you will also experience great triumphs!

Well then,

How does it work together for your good and not cause waste (Symbolic fecal material) or ineffectiveness? This happens when I help you to utilize what you have experienced in order to shape and mold you into MY LIKENESS, MY CHARACTER, or MY NATURE.

It is similar to a weaver who intertwines dark threads with light strands and creates a beautiful tapestry. In like manner, if you cooperate with **ME**, I will take the tragic things of your life and intertwine them with **MY GLORY**.

Thereby presenting your life as a beautiful and pleasing gift unto MYSELF! A genuine and attractive bride!

NO OTHER gods!!!

How do I perform this magnificent feat? By training you to interpret your life's circumstances through **MY EYES**. Of course, you must ask **Me** to grant you these insights. Our relationship is based on your faith or your total dependence upon **ME!**

Seeing through MY EYES entails understanding the purpose or why I allowed certain things to transpire in your life.

Once these perceptions are obtained, then you can reason like ME, thereby coming into agreement with MY MIND.

Remember, experience is not the best teacher! I AM the ULTIMATE EDUCATOR!

It's imperative that you clearly see that performing the will of satan and his maniacal cohorts results in so much waste, destruction, and death in your life. I did not form you to live this kind of life!

NO OTHER gods!!!

**Do you understand why I AM so adamantly
opposed to you adoring, serving, and
carrying out the will of other gods?**

NO OTHER gods!!!

CHAPTER 3: THE BRIDE IS COMING!

I gave Adam the authority and power to name all the animals. This was a monumental feat of vast intelligence! It absolutely demonstrated the genius that I had formed Adam to be and reflected **MYSELF** as his **SOLE, OMNISCIENT CREATOR**.

The serving of other gods, which is the first sin in Heaven and on Earth, caused Humanity to become dumb, Spiritually and mentally blind, and stupid! Professing to be wise, they became fools, and their foolish hearts were darkened!

What a demotion Mankind suffered on that tragic day!

I will discuss this in greater detail further down the road of our journey.

The significance of having Adam name all these creatures rests in the understanding of dominion.

NO OTHER gods!!!

Whoever or whatever you designate someone or something to be, you may now have control over it.

Equally, you should not believe and accept the labels that the enemy of your soul places upon you. It will give him power over you and cause the destruction of your life!

For example, the fallen one will label you a failure, someone who cannot succeed in life! The devil will tell you that you are shy or timid. These are clever and pretty ways of saying fear. The deceiver will go to the extreme and try to convince you that you are the main meal and the snack on the side. What this arrogantly conveys is you are so handsome or beautiful, talented or capable that you believe people should serve you and treat you like a god.

The other end of this pride spectrum is low self-esteem.

NO OTHER gods!!!

In this mindset, the agent of evil has convinced you that you are not worth loving; that your value is lower than what I have Stated and Created you to be.

Believe it or not, both sides of this gamut are pride. Pride or self-love is the exaggerated concept of oneself: either greater or lesser than who I have designed and established you to be. It is the exalting of your will against MY WILL!

As your MANUFACTURER or CREATOR, I tell you your worth and value. I AM not asking you!

What low self-esteem does is exalt its will against MY WILL and contradict ME.

This is pride!

How does the product tell the manufacturer what it is worth? What kind of arrogance is this?

NO OTHER gods!!!

So, to be perfectly clear, low self-esteem is pride because it believes and practices contrary to the worth, I crafted in you.

Do not focus on or regard these stigmas and labels this psycho king seeks to give you! Do not accept these things as factual, but keep fighting, for you will conquer!

Remember, no thought can help you or hurt you until you empower it by believing it!

Once you have confidence in these identification marks, then, they can do untold damage to you!

Consequently, be aware of your **imagination**s and the **ponderings** of **your mind**. Discern which thoughts are from **ME**, your **LOVER** and **LORD**, and which ones are from evil spirits, your enemies, and true haters.

You are designed to be like ME; therefore, you will overcome!

NO OTHER gods!!!

For these reasons, I grant parents the right to name their children. If the pro-creators are wise, they will consult **ME** on what names to give their descendants.

When I BREATHED the BREATH OF LIFE into their children, I simultaneously downloaded purposes, identities, and destinies.

- The **purposes** are the reasons why your offspring are alive, according to **ME**.
- **Identities** are who I Say your heirs are currently, and who they will become. It is a developing process and leads to various changes over time.
- **Destinies** are who I declare your children will be when they are mature and come into the fullness of their purposes. You can see destinies in the word destinations, which speaks of the end of journeys.

Because of the impactful importance bound in these three things, progenitors should be

NO OTHER gods!!!

determined to pursue **ME** concerning who to name their children.

In other words:

Do not call your offspring things you do not know the meaning of. Do not give them a name that you simply like the sound of.

Be careful naming them after others because their spirits and natures can be entirely or partially passed on to your heirs.

Before the foundations of the world, I have called them and correctly named them in alignment with their assigned purposes, identities, and destinies that I have set for them.

Come and discover from ME what their authentic name actually is.

NO OTHER gods!!!

Equally as prominent is the inquiring of ME concerning your posterity's purposes, identities, and destinies.

**I forged these little darlings!
Consequently, I know everything
concerning them.**

**You should want to raise these apples of
your eyes through the Divine Order relating
to these three things. Your journey awaits!**

I placed Adam in the position of being the ruler (**King & god**) and caretaker (**Provider & protector**) of the Earth, including all its resources and every living thing. Yes,

**This is why I have authorized Humanity
to name everything on this planet. I have
caused it all to be subject to Mankind!**

As Adam understood, spoke to, and commanded the vegetation of the land; in like manner, he understood, spoke to, and commanded the animals of the Earth. Indeed,

NO OTHER gods!!!

**Adam was the first to talk and walk with
the animals.**

He completely grasped these feral and domesticated creatures. There was no friction between them but only harmony.

**This Man was equipped by ME to rule or
oversee with authority, understanding,
compassion, wisdom, and power.**

**This “Humus-Being” reigned through the
power of his spoken word, just as I did.**

**Although Adam was of immense
intellectual intelligence, he was not astutely
sufficient or physically capable of obtaining
his spouse.**

**For this to happen, he had to rely
entirely upon ME as his SOURCE!**

**This is to instruct and train you to
understand that the love of your life comes
by acknowledging ME.**

NO OTHER gods!!!

Consider that this “Humus-Being” may have overseen this world alone for quite some time before his wife came. **I AM THE ONE WHO** decided that it was not **pleasurable** (Good) for Man to remain alone.

In this act, I revealed MY DESIRE to be eternally joined with MY Lover (You).

Oh, how I Yearn to be with you and never to be separated from you!!! Have you resolved to be MINE forever? No other gods!!!

Say these words to ME:

— I will Worship ONLY ONE GOD, and I will not allow any other god(s) in my life! I am determined to ask THE ALMIGHTY to reveal and empower me to remove every god(s) in my heart! —

NO OTHER gods!!!

Please make this unchanging commitment right now! Indeed, this vow is so crucial to Our Everlasting Relationship!

I placed Adam into a deep sleep (R.E.M. which is rapid eye movement). I removed one of his ribs and formed it into another Human being. This curved bone is not only literal but figurative. The question must be asked: Why did I choose this part of his body to mold his mate from? Why not the brain so they would profoundly understand each other? Why not the heart so they would be genuinely emotionally connected? Why not the arm, including the hand, so they could have equal strength and effectively work together? These curved bones cover and protect the vital organs of the Man.

When you are told to place your hand over your heart, you are, in fact, touching your chest, not your heart.

NO OTHER gods!!!

Therefore, the ribs see and experience the heart up close and personal while guarding it.

You feel your heart beating in your chest through your ribs. This illustrates the oneness between these two entities that are meant to be demonstrated in Marriage.

Notice the hardness of these bones is not used against this critical organ but to serve it. Consider also that the Man's arm comes over and protects the ribs. It sets forth a symbiotic connection between these two creatures and highlights MY Intentions for their relationship.

Interesting fact: I never stated that **I awoke** Adam when presenting him with his bride. I did this intentionally in order to teach Men about their relationship with their spouses.

A Man must seek ME for enlightenment about who they have married!

Remember, this Sacred Union is both a Spiritual and a natural thing. The Husband

NO OTHER gods!!!

must intensely, effectively (**This simply means to perform it MY Way**), and consistently come after **ME** to awaken him regarding his Wife's purpose, identity, and destiny.

I AM THE REVEALER of all these things!

MY Men, it is understandable that you do not comprehend your wife, the opposite sex, because you were asleep (Unconscious) when they were made! Therefore,

It is mandatory that you come to ME as their manufacturer to receive Revelatory Knowledge and Wisdom. Only I can awaken you!!!

I await you!

If the Woman is wise, she will pursue **ME** too to awaken her regarding her Husband's purpose, identity, and destiny. Once again,

I AM THE TRUE UNVEILER to your logic and your perception. Seek ME and live!

Once I presented Adam with his beautiful, stunning, and captivating bride, I then granted

NO OTHER gods!!!

him enlightenment. Upon seeing this lovely creature, the Man immediately declared that his bones were now her bones, and his flesh was now her flesh! Adam, equipped with **DIVINE Revelatory Knowledge**, called her **Woman!** He was the material that I Sovereignly selected to comprise and form her.

I established two genders and two genders only!!! This is MY SOVEREIGN RIGHT as your CREATOR and FATHER!

Gender has nothing to do with pleasing yourself, but it has everything to do with pleasing ME because Male and Female illustrate MY IMAGE and MY LIKENESS.

For example, one of **MY** numerous **NAMES** is **EL SHADDAI, THE ALMIGHTY GOD**, or **THE MANY-BREASTED GOD.**

EL SHADDAI communicates the understanding that I AM THE NOURISHER, COMFORTER, and STRENGTHENER of your life.

NO OTHER gods!!!

When a Woman cuts off her breasts to transition in order to become a Man or anything else she chooses, she no longer embodies the truth contained in **EL SHADDAI**. Nor can she, any longer, fulfill the purpose, identity, and destiny that I have placed in her life! A Woman's breast represents **ME** as the Nourisher, Comforter, and Strengthener to those I have assigned to her.

Once she declines what I have designed, she slaps ME in the Face as one who is incompetent!

Consequently, when she acts upon this decision, she can NEVER return because I have entrenched that purpose, identity, and destiny are intertwined with gender.

When the gender I gave is rejected, you deny the purpose (The reason and the intention) I have established for your existence!

NO OTHER gods!!!

In like manner, to refuse MY Gift of identity that I have hand-picked for you is to refute MY OMNISCIENCE and declare that you are more ALL-KNOWING than I AM!!!

You are exalting your feelings above MY PLEASURE, MY PLAN, and MY PURPOSE for your life!!!

How dare you!

By performing these dastardly deeds of unrighteousness:

You place your will above MY WILL, thereby making yourself a god! You are acting just like lucifer, who did this exact thing to ME!

Remember—He wanted to be **THE SOLE GOD** worshipped. It means you are fulfilling the will and desire of another god whom,

You have allowed to convince you it feels good; therefore, it must be good. The devil is a LIAR and the father of all lies!!!

NO OTHER gods!!!

Through this demonic deception, you believe, accept, and practice that your feelings are greater and more important than MY LAWS and MY established Facts that constitute biology!

It is this mindset that doesn't acknowledge boundaries that I have set; thereby, you seek to erode and eradicate their existence in order to fulfill your desires and your pleasures!

Because you have embraced this way of thinking and behavior, nothing is off-limits or sacred to you.

It is at the point that if you look up to the Sun and declare that you now feel it is the moon. Based on these emotions, you will immediately demand that everyone call the Sun the moon.

If people choose to cling to **THE TRUTH**, you will then state that they have a **phobia**, their point of view is **archaic**, and they are

NO OTHER gods!!!

offensive to you; thereby, they are a **roadblock** to **society's** advancements.

As a result, according to you, it should now become a hate crime to call the gasses-hot star in the sky the Sun.

Although you say you believe in and support freedom of speech for all, you demonstrate that your community is the only one that is permitted to speak freely.

Anyone else who voices their opinions or concerns contrary to your group, you will intimidate and bully them by threatening them with physical harm, seeking to make them a social outcast (Especially through humiliation), and getting them fired from their jobs! You have become “The Mafia Alphabet!”

You are determined to impose your will upon MY Creation! It should be that MY WILL, as THE ALMIGHTY GOD and THE SOLE CREATOR OF THE UNIVERSE be

NO OTHER gods!!!

performed. Instead, you are justified in your mind and your emotions that your will must be executed!

You have become the very thing you said you hated and loathed! These exact behaviors were done to you, and you cried out against them as injustice as others forced what they wanted upon you. Now, you're the ones performing these abusive actions you spoke out against! You have frightened and intimidated people to the point that they dare not speak a word against you.

It feels good to have the power finally, doesn't it? It's exhilarating and addictive to be the one who is wielding the influence upon society.

You have made it abundantly clear that only your community's privileges and rights matter!

This is hypocrisy at the highest level!

NO OTHER gods!!!

Boundaries exist for the purpose of keeping society safe. The removal of these safeguards causes a nation to enter into the “**Wild, Wild West**” where anything goes, and **everything is acceptable as long as it makes you feel good.**

The problem is emotions are fickle and unstable!

One moment, you feel like you belong to the gender I gifted to you. The next moment, you feel you're a different gender or genderless, even a different species, such as a dog, cat, or an alien.

The real issue is that without **proper GOD-GIVEN BOUNDARIES**, there is no end to where your personal desires will take you! Yet you tout everyone must assert how you feel at that moment. You demand that everyone is obliged to keep affirming your personal desires no matter where they transition. This is to be

NO OTHER gods!!!

done at the expense of **MY WILL** and **MY** established **LAWS**, including biology!

What an incredible spirit of entitlement,
which is a form of pride!

**No wonder the word pride can be found
on your label!**

While enforcing your feelings upon others, you demonstrate no regard for anyone's feelings that are contrary to your community! You exalt your feelings while diminishing, disregarding, and demeaning other people's feelings! You have truly proven that only your feelings are what matters to you!

Are you weary yet with hearing and reading the word "**feelings**?" Exactly, because this is far greater than these flighty, roller coaster emotions!

**Instead, it's about loving THE LORD
your GOD more than you do yourself
(Including ideologies) or another person.**

NO OTHER gods!!!

Therefore, when you take away **MY Marital Law** that Marriage is solely between a Man and a Woman, then you can't forbid a joining or a marriage to anyone or anything else. An example of this is mothers and sons, fathers and daughters pushing to be joined or married. People who are saying it is acceptable for them to marry an inanimate object, such as a computer. Individuals looking to marry their dog and mate with it. This is **bestiality**. It's **extremely nasty** and **vulgar** to **ME!!!**

The attitude has become that since there can be Men with Men and Women with Women, then no one can tell me or stop me from joining or marrying who or what I want!

The fallen one, through you, is pushing to **annihilate** these **barriers** to **MY Marriage** because this **psychotic king** is **pursuing the legalizing of sexual relations with children!**

NO OTHER gods!!!

The sick reasoning will become, if these precious darlings are counted as mature enough to choose their gender, undoubtedly, they must be counted as mature enough to select and engage in sexual relations, especially with adults!

After all, gender is a far greater and a deeper decision than the consensual act of copulation.

Children epitomize innocence and purity that resemble **MY HOLINESS**. The demented one seeks to contaminate and pollute these things within them. By accomplishing this hellish feat, the god of perversion establishes a stronghold that twists and messes up the minds of these little ones.

Where does this madness stop?

When you buy into **MY** enemy's deceptions, you **break MY HEART because I LOVE you so intensely!**

NO OTHER gods!!!

Why are you rejecting ME? How have I hurt you that makes you want to treat ME in this painful manner? Why isn't the gift of MY IMAGE good enough for you?

Do you not understand that when you **reject MY IMAGE**, then you have no other choice but to take on the image, likeness, or nature of another god?

Why isn't the present I have given to you of your identity, cherished by you? I passionately plead with you to reconsider, return to ME, and forsake the worship of all other gods!

Now, back to the understanding that is contained in the Woman being made from the rib of the Man. Notice, I constructed her existence from the bones of a Man. There are 12 bones in the rib cage of an adult Male. I use this number to symbolize **MY Perfect Government**. Therefore, I made Women to be a crucial part of their **blood-bonded**

NO OTHER gods!!!

communities, circle of friends, and society to administrate order and structure. She performs this by tying relationships together and exercising her **Godly impact** on those she cares about.

These Truths also speak to the fact that I made her **strong** and **resilient**. She is able to take blow after blow after blow and yet continue to fight with an **unbreakable resolve** through the pain! I designed her to be a protector for those she loves, especially her Husband and children. Many of you are familiar with the term “**Mama Bear**” because she's ready to **maul anyone** who threatens her family and friends. I must teach her to go after demonic forces that influence and control individuals and not to go after people who are merely puppets.

As many of you know, I placed marrow inside the bones, including the ribs. It is here in the marrow that blood is made. I also stated that the **life of your body is in your blood!** In

NO OTHER gods!!!

like manner, I have made the Woman to be a flow of life within her circle. Just as your immune system, through the white blood cells, is circulated in your blood, so ...

I have constructed the Female as a defense system, through the leading and training of MY SPIRIT, for her family and friends.

I have designed Marriage between a Man and a Woman to be a protection for both.

A Godly Wife will protect her Husband's anointing (GOD-Given ability to perform within the office or position that I have placed you in) by protecting the nakedness or vulnerability of his heart.

She does this by seeing and experiencing what no one else has regarding him.

Her love covers through prayer, discernment, understanding, and patience. It doesn't mean she accepts his blatant sin

NO OTHER gods!!!

**but knows how to skillfully and Spiritually
fight against it!**

A Man is frequently blinded by his pride or ignorance regarding the advances of another Female. Sometimes, it can make him feel good, especially if he is feeling unappreciated or undervalued. Men run heavily on praise, honor, and respect! They are just like **ME**; therefore, Men receive this need from **ME**. I have designed them this way.

Consequently, this is why job evaluations are so important to them! Therefore, in Men's minds, when you attack or degrade their job, they take it personally like you have directly assaulted them.

Nevertheless, they need to learn to receive their sufficient recognition **from ME** and **not from unauthorized sources**, such as another Woman. A Man's ignorance is often displayed in the fact that he thinks this other Woman is

NO OTHER gods!!!

simply being kind or friendly and is completely oblivious to her flirtatious words and gestures.

In steps his wife, to become a **Spiritual and natural buffer** against this stealth or blatant pursuer. She must **operate** in **discernment** and **wisdom** of this chaser's intentions. Indeed! This Woman of GOD must **pursue the Spiritual forces** controlling the person and not verbally and physically attack the individual. She will solely accomplish this massive feat by bathing herself in **MY HOLY SPIRIT** and **MY SACRED WORD!** Then, she must be willing to be led and controlled by **MY SPIRIT OF HOLINESS, MY LOVE,** and **MY HOLY WRIT.**

It's often too easy to be influenced and manipulated by misunderstandings, wounds, frustrations, and anger.

As the **Woman is MY Crafted Creation,** please pay attention to the reality that she is the **sole earthly creature constructed from**

NO OTHER gods!!!

living material. Everything else came from **non-living material**, including the **Man**.

This is extremely significant because I predetermined that Women would be the entrances and doorways to Human life on this planet.

Consequently, in order to bring forth life, she had to come from someone already alive, a **Man**.

Life begets life!

Of course, this truth also negates the theory of evolution. This proposed, conjectural explanation states that life came from some magical, non-living, **primordial ooze** in the water. It, without a doubt, takes **miraculous faith** to swallow something so contrary to MY established Procedures of bringing forth life!

The living procreates the living!

This is the simply stated truth! It is foundational to the Order I instituted.

NO OTHER gods!!!

Why does Man continually keep trying to alter the Facts, Principles, and Natural Order that I have formed? If Humans are not careful, they seek to take over MY POSITION, as GOD ALMIGHTY! They look to rewrite MY LAWS!

Let's return our focus to what I was previously explaining. Since, I was **SPEAKING** to you concerning the Woman, especially her role as the Wife. It is now time to convey to you about the Man and his position as a spouse.

The Husband is the arm that protects the ribs.

If he purposely and intensely pursues **ME**, I will instruct and guide him on properly operating in four distinct offices.

These four positions are:

- **Prophet**
- **Priest**

NO OTHER gods!!!

- **Protector**
- **Provider**

As a **Prophet**, the **Man of GOD** is to be plugged into **MY MIND** for himself, his Wife, and his children.

He should not be controlled or governed by his opinions, feelings, and experiences.

Instead, the Husband and father shall be ruled by **MY SPIRIT, MY LOVE, and MY WORD!** In order to engage as one who speaks **for ME** to his family, he is not required to hold the office of a Prophet. What is mandatory is that he worship **ME and ME only!** The Husband's and father's sole objective must be to **please ME and solely ME!**

I immensely LOVE him and his family; therefore, it's essential that he trusts and believes I will do what is completely best for him and them!

NO OTHER gods!!!

His ears need to be tuned in to MY VOICE, and his mind must prioritize what I Say over everyone and everything else!

He cannot rely on his experiences, opinions, the media, his family, or his friends more than **ME!**

I must be the ruling and controlling VOICE in his life!!!

As the **Oracle of his household**, he is connected to the **purposes, thoughts, and sequences of MY MIND. The Man of GOD**, in turn, with love, wisdom, and concern, relays these truths to the ones he watches over. Because he is the Prophet of his home, **I AM** willing to reveal to him the **purpose, identity, and destiny of each member** of his family. Armed with this knowledge, he can now perform in the role of a Priest.

Do understand, even if he doesn't know the reason for the identification of and the future

NO OTHER gods!!!

I've planned in relation to **his blood-bonded community**, it doesn't prevent him from operating as a Priest but doubtlessly enhances his effectiveness in this office.

The position of a **Priest** is a **mediator** between **ME** and **his family**. As the **go-between**, the Husband and father bring their personal concerns to **ME**.

The contrast between a **Prophet** and a **Priest** is **MY Oracle** knows and delivers **MY MIND**, and **MY Advocate** understands and carries **MY HEART**. Indeed, there is often an overlap between the two that assists in bringing **GODLY Balance**. **Through My Mediator**, the **THOUGHTS, FEELINGS, PASSIONS**, and **DESIRES** of **MY HEART** are made known and expressed to his family.

In particular, **MY LOVE** is conveyed to **each member** of the household **through the actions of MY Priest**.

NO OTHER gods!!!

Through these encounters, they are able to know, understand, and experience **WHO I AM** and the **deep LOVE** I possess for each of **them**. Because of these truths, knowledgeable and intimate relationships can be established among us.

My Prophet enables the individuals of his **blood-bonded community** to become **intertwined** with **MY MIND**, while the priest empowers them to be **bonded** to **MY HEART**. Oh, the **impactful** and **dynamic posts** I have granted the Husband and father!

No wonder the enemy of **MYSELF** and **Humanity** hunts to **cripple** and **annihilate** the **influence** and **impact** of **Men** in their **families**.

I established a **patriarchal order** (Men as the **heads** or **leaders** of their **families**, particularly **fathers**), not a **matriarchal order** (Women as the **heads** or **leaders** of their **families**, particularly **mothers**).

NO OTHER gods!!!

I know when you hear **protector**, you think only of a natural defender against any tangible intruder, including bugs or any unwanted creature into the home. But what I designed goes far deeper than this if a Man will but **trust ME** and **pursue ME**.

Protector of his household includes defense against demonic forces and proper shielding for the minds, hearts, and bodies of his blood-bonded community.

When a man stands against the invasion of evil spirits, he fights against the spirits of fear, jealousy, insecurity, depression, division, witchcraft, suicide, and insanity!

Basically, he must be on the **lookout** for the **subtle** and **hostile takeover** from other gods.

This includes generational gods (the demonic spirits **that have been worshipped and established in the lineage**).

The Husband and father, if he is **wise**, will also **employ the intestinal fortitude of the**

NO OTHER gods!!!

Wife and mother against the onslaught of these corrupting forces. Together, they are meant to be unified against the deceptive and seductive plans of these satanic cohorts.

I intended for the Husband and Wife to be the gods of their domain!

The same as the Man and the Woman in the **Garden of Eden**

were the gods of their Garden!

Indeed, this is an **extremely intense, consistent, and enduring war.** My position is the **GOD of gods**, as I oversee their thinking, perceptions, motives of the heart, speech, and behavior.

I AM THE ONE WHO Leads, Guides, Covers, Strengthens, Encourages, Fortifies, and Establishes!

It is by **Revelatory Knowledge** they receive **from ME** that enables them to **take**

NO OTHER gods!!!

down strongholds, **defeat** the wiles of, and **dethrone** all other demonic spirits and gods!

Lastly, in the role of **provider**, the Husband/father is to use his **GOD-Given** love, joy, knowledge, wisdom, and strength to meet the individual material needs of his household.

There is no question that walking out these distinct **four positions** is often **an exceedingly thankless “love-job.”** This Man must **enjoy** and **fight** to execute **all these posts as unto ME.**

Inevitably, the Husband and father must look to **ME** to receive his **exceeding great reward** of **appreciation** and **compensation.** Oftentimes, it comes to him in the form of **Revelation Knowledge concerning MYSELF.** He **must value** and **treasure** such an **amazing gift of recognition** that is given by **MY GRACE.**

NO OTHER gods!!!

When he cherishes and strives to manifest this gift, it will grant him access to the present of proximity to MY PRESENCE.

Yes! The **Holy Union of Matrimony** is strictly **MY IDEA** and **MY Institution**. As I Stated before, it embodies **MY DESIRE to be eternally joined and be one with you!**

NO OTHER gods!!!

CHAPTER 4: HERE COMES the gods!!!

These two lovebirds lived for quite some time in a state of euphoric bliss! I have never stated how long they lived in divine harmony within **the Garden of Eden**. Something to think about: it could have been a million years or more that they dwelt undisturbed in this pleasant land.

After Adam recognized her as bone of his bone and flesh of his flesh and called her Woman, she became his Wife.

Isn't it amazing that Adam was both her father and her Husband? He was her father because he was the origin of her body, but he also was her Husband because they were joined together in a **Holy Union**. Once again, this **typifies and represents ME**.

Indeed, I AM both your FATHER and your HUSBAND!

As your FATHER, I AM THE ORIGIN and CREATOR of your existence, but as your

NO OTHER gods!!!

**HUSBAND, I AM joined to you in the perfect
HOLY UNION of Spiritual MARRIAGE.**

Let **ME** further clarify—I **AM** your **CREATOR** and **FATHER**; this is undeniable! Nevertheless, I seek to be your **LOVER** and **HUSBAND**.

I have given you the authority and power to **accept ME** as such or to **reject ME** and embrace a demonic god or gods as the one you have decided to be, your father and unmerciful master.

**Yes, love must have a choice, or it is not love but
a dictatorship!**

I LOVE you so much that I have **JOYFULLY** and **WILLINGLY** subjected **MYSELF** to your scrutiny of **WHO I AM**, what **MY PURPOSE** is, and what I can do. I lay out bare before you and ask you to **choose ME**, for I have already, and without any reservations, chosen you!

**You can't enact and engage true love from a
defensive position. It requires you to be
vulnerable and exposed. Are you willing to
position your heart in the same place of**

NO OTHER gods!!!

accessibility as MINE? If you are so inclined, then you are obliged to move to this next step.

You must choose to be chosen!!!

Decide at this moment who you will forever serve and worship!

Again, if you're struggling or undecided on who to select—**PICK ME, PICK ME!!!**

We are now ready to look at insights that I graciously granted the Man concerning the Woman. When Adam spoke of this Female being of his flesh and bone, this was a **revelation of her origin**. When Adam called her Woman, this revealed her identity. These two crucial factors are not only necessary for a Husband and Wife to **understand** and to **intimately know each other** but also for individuals who want to be **deeply connected**.

Where she came from and who she is was **Revealed** to Adam **by ME**. After all, he was asleep when this process was ongoing. Someone's **beginnings** are something that is **unchangeable/unalterable**.

NO OTHER gods!!!

These things include who their parents are, when and where they were born, and how they grew up. All this comprises their past. But their **identity/distinctiveness** keeps **evolving** until they develop to the **fullness/maturity** of who I designed them to be or their destiny.

This is why, in the word **destination**, you can perceive the word **destiny**, which is the **end and maturation of a journey**.

All these various components need to come together to enable genuine oneness. As I anatomically created Men and Women to fit together, this epitomizes the art of communication.

Communication consists of three elements:

- 1) A sender**
- 2) A receiver**
- 3) Whatever was sent by the sender must be known or understood by the receiver.**

If you solely interpret English, and **I Talk** to you in Creole, then you won't understand **ME**. **I**, being

NO OTHER gods!!!

THE SENDER, Spoke Creole. **You**, being the **receiver**, heard Creole. Nevertheless, you **did not comprehend** what **I Sent**. In this instance, the **art of communication failed!**

In like manner, this is why **two Men (Senders of seeds) in the bed** cannot experience **MY foreordained PLAN of Communion**. Again, this is also why **two Women (Receivers of seeds) in the bed** won't work according to **MY DIVINE DESIGN**.

A Man sends seeds into the Woman's body. She receives the seeds. Her body comprehends the seeds. Indeed! This act is the pure art form of communication!

STICK TO THE PLAN!!! Trust ME—it works if you are willing to work it!

Let's return to the Man and the Woman in the Garden. Since the Woman was now Adam's Wife, I graced him with the privilege of giving her a name. He called her **Eve** because she was the **mother of all Humanity**.

NO OTHER gods!!!

The next phase that Eve would journey into requires that she become intimate with her Husband. When Eve became pregnant, she entered the stage of Motherhood. It is these significant interactions between Adam and Eve that give way to phenomenal insights regarding how I Constructed Women.

It can be termed as:

The three aspects of Womanhood:

- 1) **Woman**
- 2) **Wife**
- 3) **Mother**

Calling her **Woman** does not only refer to a chronological adult Female but to a **mature individual**. It speaks to the fact she has **grown and developed spiritually, mentally, emotionally, and physically**. A variety of trials and tests this Woman has come through. Some this female has passed, and others she has failed.

NO OTHER gods!!!

The key is that MY Daughter kept trying and fighting and would not give up, even when everything became unbelievably overwhelming.

She acknowledges and has embraced who she is, from her gender to her femininity to her GOD-Given Goals and Directives. As a mature being, she diligently works on every area of herself, especially her relationship with ME and her character.

As a Daughter of THE KING OF KINGS, she understands that if she wants a king amongst Men, then My Daughter must first be a queen amongst the Ladies!

This powerful Female is not interested in being or acting masculine! She is secure and stable in the way I made her!

The Daughter of THE KING OF KINGS knows better than to embrace the satanic worldly system of beauty and its criteria for acceptance! She is a Woman of GOD and pleased to be so!

NO OTHER gods!!!

**As a Woman of GOD, she seeks to please ME
and be in DIVINE Alignment!**

Being a sophisticated Lady prepares and positions her for the Holy Union of Marriage.

**A covenant relationship with a Husband results
in her being transformed into a Wife.**

I have already spoken somewhat about this role.

The maturity it takes to function as a Woman, or a Man, requires that it goes to the next dimension to operate as a Wife or a Husband.

**Neither a Wife nor a Husband can be selfish or
self-absorbed. Marriage is an arena of perpetual
loving, forgiving, giving, understanding,
compromising, patience, and sharing of your
heart!**

**Entering Motherhood is a true summit of
Womanhood!**

She never knew she could love so deeply until the pain of child labor passed, and the little one lay helplessly upon her chest. Even though the umbilical

NO OTHER gods!!!

cord has been cut, she is still profoundly connected and still performing some of the same functions as when the tube was joined.

This attached tissue can continue in an emotional manner! It may manifest with the mother having heightened senses toward her child. She just seems to know without her offspring conveying their feelings or the dilemmas they are facing.

The **emotional umbilical cord** may also give her a strong understanding of her child's future delights and pitfalls along with his or her destiny.

As the umbilical cord feeds and removes waste from the baby, the mother continues the same actions after the child has come forth from the womb.

She provides milk to the infant and removes the baby's urine and bowel movement by changing his or her diapers. **Yes, I have forged this matron, through numerous tests and difficulties, to be a powerful and an impactful entity!**

NO OTHER gods!!!

Because Adam and Eve were created in **MY IMAGE** and after **MY LIKENESS**, they were after **MY KIND**.

Yes! They were gods!

MY LOVE, MY ATTENTION, MY AFFECTION was upon them. The jealousy, hatred, and rage this caused in satan, and his evil companions were off the spectrum! This callous king and his hideous henchmen went to plotting, planning, and waiting for —

satan's **opportune time to strike, dethrone these human gods, take their place, and become the gods of this world!**

They wanted to execute a **massive blow to MY HEART** for throwing them out of Heaven.

As I told you before, satan and his gang of corrupters **blame ME** and **hold ME accountable** for their dishonorable discharge, from **MY DIVINE Service** and **Heavenly Abode!**

They passionately pursued revenge!

NO OTHER gods!!!

In their demented and twisted minds, the moment finally arrived when Eve stood by the forbidden fruit, and Adam was not **properly on guard** as **I instructed him**. The devil with his cunning craftiness possessed a serpent's form to converse with the Woman and **test her knowledge of MY COMMANDMENTS**. This maleficent manipulator's real purpose was to **evaluate Eve's loyalties toward ME!**

By the way, the enemy of your soul **still comes to analyze your dedication toward ME**, which is demonstrated through your various revelations, understandings, and practical applications of **MY WORD!**

It furthermore is brought forth through your **"Bulldog Tenacity"** and **unyielding desire** to be and **remain joined to ME!**

I AM DESIRING "LOYALTY WITHOUT LIMITS!"

Will you be ready and stand firm when the devious one comes; or will you fall, fail, and serve other gods?

NO OTHER gods!!!

Following how **I Constructed the Woman**, the enemy tempted her. When **I CREATED the Man**, **there was something missing** (A companion—the Woman), but when **I Formed the Woman**, **nothing was missing. Everything was in its rightful position!** It is this **sense of order** that **brings her peace** and **security** and **limits her frustrations and pains!** When people or things are out of their correct place or not in their proper alignment, she seeks to reinstate them to where they actually belong. Performing these things is her way of facilitating and maintaining healthy relationships and causing her and everyone's lives to run smoother.

Consequently, she will continue to pursue various systems in her quest for the best that can be obtained. It will include buying better utensils, beautifying adornments, superior recipes, and more proficient organizations that are meant to lead to a more enjoyable and whole lifestyle.

Additionally, she will counsel, navigate, and mediate between her family members, friends, and

NO OTHER gods!!!

co-workers to ensure their lives run fluently and appropriately.

**Oh! What a phenomenal and mysterious being
MY Constructed Woman is!!!**

Although, **MY** Female creation seeks out and enjoys natural order.

**Nevertheless, she must recognize/acknowledge
that the zenith/summit is DIVINE Order!**

The strong passion that she possesses for everything and everyone being in their proper place or right position needs to be channeled into **pleasing ME!** Indeed, this is what it was truly made for.

**This means the Woman needs to value MY
RIGHTEOUSNESS, which is Godly Thinking,
Godly Feelings, Godly Speaking, and Godly
Behavior!**

**MY RIGHTEOUSNESS needs to be her prized
possession ...**

NO OTHER gods!!!

because she yearns to be in her **proper place and right position in regard to ME.**

In order to accomplish this **HOLY Behavior**, she must prioritize **DIVINE Order** over natural order and aggressively scout it out. It requires that she joyfully submits her preferences, frustrations, idiosyncrasies, hopes, dreams, and desires to her **SOVEREIGN LOVER.**

MY Daughter must consult ME in all her ways!

As she performs these necessities, I will Reveal, Empower, and Direct her steps. Otherwise, if she is not careful, she will become extremely nit-picky and critical! This can lead to friends and loved ones avoiding her because they see her as too harsh and one who cannot relax, have peace, and enjoy life. They perceive her as one who is too hard to please. It is rarely good enough or meets her strict standards. Can't she just allow some things to slide and not be made into such a big deal? Why is there always something or someone wrong, something or someone that needs to be fixed? They look at her as

NO OTHER gods!!!

excessively regulating, a “**Control-Aholic**” who must have it her way, or there will be no peace or fun time.

Her family, friends, and colleagues may become **resentful towards** her because she presents herself as a teacher or as an instructor who struggles to admit when she’s wrong. Yet she expects those around her to be willing to quickly recognize and move to change their faults, mistakes, and failures. **Yes, a Man can be this way, too.**

In her eyes, she is just trying to make their lives better, and she expects them to know and understand this as an uncontested reality. Therefore, she presupposes that they will cooperate with her.

Of course, I must teach her, and she must be willing to learn that she is not fighting against flesh and blood but against the disorderly demonic spirits and rebellious, hell-raising deities.

These are the ones who bring chaos, confusion, and much frustration into her garden environment.

NO OTHER gods!!!

I will now continue discussing **Humanity's betrayal of ME**. Eve fell prey to the tempter's lies because she believed what he said could enable her to live a greater life through an increased order and fulfillment. Thereby, it would enable her to experience greater pleasure and be more pleasing to Adam.

This satanic seducer actually offered her the position she already occupied, a god. It was like selling ice to an Eskimo to build an igloo when she already owned it all—WOW!!!

Ooooh! When you believe the demonic deceiver instead of THE ETERNAL LOVER OF YOUR SOUL!!!

It is true that the ultimate thief comes for the purpose of stealing, killing, and destroying!

Why do you listen, obey, and submit your will to this maniacal maniac who only desires to do you excessive harm? Why do you argue, analyze, refuse to follow, and act like you are smarter

NO OTHER gods!!!

than **THE ONE WHO** possesses complete or unlimited knowledge and understanding?

I AM ALL-KNOWING and desire the absolute best for you! Because **I AM OMNISCIENT** and your **CREATOR**, I know, without a shadow of a doubt, what is the highest quality of life for you! **I LOVE** you so dearly!!! Why won't you believe and completely depend upon **ME**?

Indeed, Eve was **deceived**, but Adam, **eyes wide-opened, deliberately transgressed** and went against **MY COMMAND**.

The purpose of **MY LAWS** is to facilitate our **HOLY Relationship** and to keep you safe, especially from the wicked one.

But if you listen to our enemy, you will believe that the reasons for **MY COMMANDS** are to enslave you, stop your fun, and alter you from your true identity.

When they both bowed their wills to satan, they gave him the position of the god of this world. I had gifted them with this seat of authority and power

NO OTHER gods!!!

because they were in **MY IMAGE, MY LIKENESS,** and **I LOVED them so intensely!** Yet, they yielded this Love-Given, unique, and powerful role to the deceiver. Now, the corrupted one had legal access to rule and govern their world. His first order of business was to be the doorway used to usher other demonic gods into the Earth.

Remember—what transforms these devilish spirits into gods **is they are worshipped! Their will and desires become executed and carried out by an indivisible entity or various groups of people.**

When this transpires, the **individual or crowds performing the homage** begin to be **molded** into the character and nature of the demon **they have chosen to worship.** In other words, their thought process becomes rewired to emulate this hideous force.

They forsake MY HOLINESS, which is the source of all morality and integrity,
and embrace demonic immorality and degradation.

NO OTHER gods!!!

What follows is the remaking of MY IMAGE into a deformed and grotesque resemblance of the demon worshipped.

Of course, this drastically demotes the person's spiritual, mental, emotional, and physical state from whom I **originally Designed** him or her to be. Once Adam and Eve performed this dastardly deed of unrighteousness, satan was made the god of this world; even the door for other demonic spirits to enter through.

As you can clearly see, the prince of darkness shamelessly **imitates ME**.

I AM THE TRUE DOOR and the correct way to enter into the Supernatural Realm! Anyone who seeks access into the Spiritual region without coming through ME, I declare they are a thief and a robber!

The enemy takes what I have created and established, perverts or twists them for his own evil purposes and sick plans.

NO OTHER gods!!!

It is a fact that satan has invented NOTHING! The demented one is the ultimate thief.

Notice, this yellowbelly snake in the grass did not create his own world or those who would inhabit it; including someone made after his image and after his likeness. Why doesn't he do this?

The deceiver **doesn't possess autonomy, meaning the authority and the power to achieve these kinds of miraculous acts; especially not done in love.**

Instead, he steals what I have **formed for MYSELF** and claims these things as his own. Yes, the perverted one moves with a **spirit of entitlement**. After all, how dare I think and act like this is **MY Earth and MY People**, even though I **LOVINGLY CREATED** it for **MY DIVINE PURPOSE and MY DIVINE PLAN**.

How would you feel if you were in MY Position?

In order to assist you in assessing the magnitude of this pain with a deeper understanding, I will now convey to you an allegory or parable. **MY**

NO OTHER gods!!!

Willingness to share an allegory or a parable proves to you that your **HEAVENLY FATHER** will **tell HIS Children stories—Smile!**

I AM THE ULTIMATE PARENT!

MY ALLEGORY:

There was a Man who passionately loved a Woman and sought to completely take care of her, making her **absolutely secure** and **thoroughly loved**. In his mind, he envisioned her **wholly protected** and **provided for** so that **she would never desire anyone else**. She would be completely whole in his love, content, and satisfied.

This passionate pursuer's name is Jehonathan.

In order to accomplish this noble quest, he built a massive mansion with elaborate rooms and protracted hallways. **Jehonathan hand-picked the materials and effectively used them to build this illustrious, colossal home**. He meticulously constructed all the furniture, even every piece of appliances.

NO OTHER gods!!!

Every penny of this project came from his pocket, which he joyfully gave.

All of this labor of love brought him immense pleasure.

It was entirely done for his one and only lover.

Jehonathan wanted her to know and experience the same euphoric pleasure he had known throughout this spectacular, love-driven mission.

It was with great anticipation of reciprocal affection and unswerving devotion that he unveiled his masterpiece to her.

Jehonathan's precious and beloved one's name is Yakira.

Jehonathan made sure that he disclosed it to her only **after positioning Yakira in the heart of the house**. Her eyes were filled with awe and wonder as she surveyed the magnificent works of his hands. The **glow of contentment** upon her face was **unmistakable**. **Yakira** looked back at him, her eyes communicating as if to ask in amazement, **"Is all this for me?"** **Jehonathan** understood and

NO OTHER gods!!!

gently nodded with a beaming face and twinkling eyes.

Yakira was absolutely overwhelmed and submerged in the vastness of his passionate affections.

She jumped into **Jehonathan's** arms and joyfully kissed him all over his face until **she had drowned him with engulfing gratitude and a tsunami of love.**

Jehonathan gave **Yakira** a grand tour and explained everything before her. Like **a wide-eyed child**, she eagerly drank in all he was communicating.

Yakira was squeezing his hand so tightly as they walked. Yakira never wanted to let go of Jehonathan!

He was basking and bathing in what seemed to be her **undying** and **unmovable love.**

NO OTHER gods!!!

Yakira was his Wife! Jehonathan had effectively won her heart and secured Yakira's love for himself.

Jehonathan and Yakira were one!

Both of them were content and excited about the future. **Children** came into their blessed union and further **overflowed** their lives **with joy**. **Jehonathan** and **Yakira** celebrated the birth of a boy and a girl.

His blood-bonded community was truly the apple of his eye!

After experiencing a long while of Heavenly bliss together, an enemy came into their lives.

Jehonathan had **forewarned** the love of his life concerning this treacherous foe. He had taken **Yakira** aside before they were married and explained in detail why he was so intensely hated by this adversary. Indeed, this lunatic was jealous of **Jehonathan**, the place he held, the things he made, and the things he possessed! Yes, simply stated, this was a consumed, petty juvenile delinquent who

NO OTHER gods!!!

wanted to be **Jehonathan** and take revenge against him!

Prior to constructing this **colossal home**, he had built an even **greater** and **more enormous structure**. There, this enemy was a faithful and entrusted servant. **Jehonathan** had given him an honored and privileged position that he had not given to anyone else.

Yet this privileged one did not relish and appreciate this prosperous place.

Instead, he developed a craving and hunger for the office and post of the one who had **overwhelmed** him with **honor** and **love**. This cockroach of a being led the charge of anarchy, along with many others of his ungrateful servants, against their king!

Yes, he was, is, and will always be an exceedingly great King—THE KING OF KINGS!!!

The ultimate master architect and the ultimate master builder.

NO OTHER gods!!!

The greedy one coveted **his kingship** and **his adoration** that came with it. As far as he was concerned, this all rightfully belonged to him, and he would stop at nothing to obtain it.

Now, he had stealthily come into this monarch's recent estate. One day, this **potentate** was searching and calling for **his bride**.

Jehonathan discovered Yakira coming out of their master bedroom. But her countenance was distorted!

He could clearly see there was no longer the flow of love and contentment she had settled into having towards him!

As Jehonathan raced in Yakira's direction, his every heartbeat spoke of love and concern for her— "What is wrong, my love?"

Before he could complete his question, out cockily strolled the king's adversary. He is called natas.

NO OTHER gods!!!

This arrogant fool had his arms around this patriarch's children, as if they were his offspring now.

As this father earnestly searched and stared into the faces of his son and daughter, **solely concerned for their safety, Jehonathan** saw their distance from him and their contempt for him.

Turning his intense gaze towards his Wife, the love of his life's demeanor expressed disapproval, loss of attraction, and affection.

Yakira turned from her husband and passionately kissed the lips of his disgusting and repulsive foe.

Finally, the great king faced his enemy, and in his entire face was a sinister satisfaction that he had finally won. Everyone and everything that rightfully belonged to this **ultimate master architect and ultimate master builder** was now possessed by this claim-jumper.

For you see, in Jehonathan's passionate, undying love for Yakira, he had given her the

NO OTHER gods!!!

ownership of the gigantic home that he designed, constructed, and paid for which he placed her to live.

In turn, Yakira willingly released this one-of-a-kind gift to her new lover, natas. She also gave legal custody of her children and her lineage to this thief.

Yes, this sworn enemy was now their father, too!

This deceiver had told the ruler's Wife and his children that he had lied to them. Her Husband and their father did not actually love them because **Jehonathan** was withholding valuable things from them.

They deliberately chose to ignore the undeniable character and the marvelous works this faithful Husband and doting father had accomplished.

Yes, they willingly decided to believe and embrace natas, this wicked one.

NO OTHER gods!!!

In turn, the apple of Jehonathan's eye, who was his blood-bonded community, forsook their noble one for this embodied swine.

So, I ask you, how would you feel if you were in the position of this lover and progenitor? What would you do?

Before you ponder and answer these questions, I will share with you **My Interpretation of My Parable for the purpose of granting you greater clarity**. Thereby offering you a pathway to a proper understanding.

NO OTHER gods!!!

**CHAPTER 5: THE INTERPRETATION TO MY
PARABLE**

Are you prepared to understand **MY Story**? Are you ready to believe and receive **MY Interpretation**?

I AM THE GREAT KING!

The first superstructure that—

**I AM, THE MASTER ARCHITECT and THE
MASTER BUILDER—**

was the Supernatural Realm. The next massive realm was the natural universe.

The rooms of this colossal mansion are the galaxies. The protracted hallways between the rooms represent space. The furniture and appliances are solar systems.

Yes, the material world is just one massive house.

Yes, I Designed and Manufactured it all by MY Mighty WISDOM and by MY Mighty POWER. I

NO OTHER gods!!!

Paid for every piece of this construction with the intense **STRENGTH OF MY HAND!**

The material that I used to formulate this limitless habitat is MY WORD!

Hence,

The name Jehonathan which means “God Has Given.”

My Wife that I was passionately in love with was Adam and Eve!

They were the Love of MY life! Hence, the name Yakira, which means “Precious” or “Beloved.”

I portray these two as one because, through their marriage, they were made one. The Heavenly bliss we knew was our timeless time spent together in **the Garden of Eden.** Indeed, I gave them a tour of this world, revealing the **hidden mysteries of this planet and the universe.** They intensely loved **ME,** held tightly to **ME,** and hung on **MY EVERY WORD.**

NO OTHER gods!!!

**I, ALONE, was their TRUE and UNDENIABLE
GOD!**

The villain of **My Allegory** is called natas. This is satan spelled backward. I had forewarned the Man concerning the evil one. This is why I told him that he **must keep** and **guard the Garden**.

**Who was Adam on watch concerning if not
for the devil?**

I had trained and prepared him well for this task.

**He was empowered by ME, through the
impartation of DOMINION and THE SPIRIT OF
MIGHT, to easily handle this foe.**

Indeed, granting them **DOMINION** of this magnificent planet meant—

I had given them legal ownership of this world.

In fact, I **LOVED** them so passionately that **MY PROFOUND, TENDER HEART** would not withhold the entire natural universe from them. I'll give you more insight into this a little later.

NO OTHER gods!!!

Nevertheless, Adam and Eve believed the lies of the adversary and bowed their will in worship.

The coming out of the master bedroom embodies that which proceeds from the heart, which is the seat of worship.

One of the understandings of the word worship is to kiss. It shows forth the passionate expression of one's devotion to one's deity.

Hence, the passionate kiss in **MY Parable** epitomizes their willing homage to satan and their ultimate rejection of **ME** as **their sole GOD and LOVER.**

Unfortunately, they believed the false narrative of this deceiver that I was defrauding them of something so unimaginably wonderful.

It was being a god!

Oooh! If Adam and Eve had **solely trusted and believed** in **MY HOLY CHARACTER**, they never

NO OTHER gods!!!

would have swallowed and digested this filthy and disgusting implication against **ME**.

Do you know when you have thoroughly and completely (Leaving not even a space for a trace of doubt) proven your loving and faithful character to someone?

Now imagine that a mutual, hateful antagonist tells that person a ridiculous, flat-out lie about you that even a casual observer could easily refute. Of course, you would expect **your lover** and **friend** not to accept this erroneous and bogus falsehood; especially, since it comes from a common adversary who actively and aggressively seeks both you and your sweetheart's hurt and utter destruction.

Instead, your trusted, loving companion not only embraces it but now doesn't trust you, runs away from you, and ostracizes you as if you have been proven in a court of law to be found guilty! You are now being treated as if you're the true enemy.

NO OTHER gods!!!

This would shock and break your heart. Of course, being **OMNISCIENT** meant I was not shocked because I knew what was going to happen; nonetheless,

I was hurt—

that they would so readily believe this forewarned enemy rather than **ME**, who had so consistently demonstrated **MY INTEGRITY** and **MY UNDYING LOVE** towards them.

Not only this, but satan deemed himself to be the rightful owner of what and who **MY HAND** had **Created**.

The enemy truly is the ultimate scammer and the ultimate thief!

The spirit of entitlement is exemplified by this viper's prideful, covetous nature.

There is really nothing new under the Sun.

This conniver convinced them to surrender unto him their **GOD-GIVEN** position.

NO OTHER gods!!!

Adam and Eve were the gods of this cosmos or MY established Governmental Systems.

Indeed, this is how satan became the god of this world. In becoming the ruler of this cosmos or new, satanic governmental systems, he also became the doorway and portal to usher in other demons and aid them in becoming rulers and gods.

As I told you before, the prince of darkness has invented nothing!

This conceited conniver merely takes what I have created and perverts or twists it for his sick, confused, and demented purposes and plans. For example, in the Spiritual hierarchy, I established, the governor of evil decided to imitate.

I AM THE GOD OF gods and THE KING OF KINGS!!!

Adam and Eve were the gods and kings serving under ME.

I have placed **MY** Angels in rank and order as **MY** servants. In turn, satan has established the

NO OTHER gods!!!

same types of positions amongst the demons. As the god of this demonic cosmos, he instituted these evil spirits as gods, kings, and attendants. By this, satan then takes the position of being a god of gods and a king of kings.

Now, **I AM** ready to return and bring clarity to a previous statement that I made. I spoke about Loving **Adam** and **Eve** so intensely that **MY PROFOUND** and **TENDER HEART** would not withhold the entire material universe from them, remember? In no uncertain terms, I had made it abundantly clear to Adam that the day he ate from the tree of the knowledge of good and evil, he would surely die!

Adam did not die in a twenty-four-hour period, that is the measurement for your day, which is the approximate time it takes for the Earth to make one complete rotation (A Human day).

Indeed,

NO OTHER gods!!!

**MY Day is like one thousand years to you,
and your one thousand years is like a day to ME.
These words are meant to illustrate to you MY
ETERNAL EXISTENCE.**

With this understanding in mind, it shows that **Adam** did not live a complete duration of a **GOD-Day**.
Adam lived 930 years after he partook of this tree.

**This means that Adam was 70 years short of
MY Day.**

I mean what I say, and I say what I mean!

MY WORD to the First Man came to fruition!

Death, as a king, ruled over the entire kingdom that I had given to **Adam** and **Eve**.

**Death's reign included being over all
Mankind, which includes you.**

I cursed the serpent above all domestic and wild animals. I ordered this creature to slither upon his belly. I commanded that he eat of the dust of the Earth all the days of his life. Although I was

NO OTHER gods!!!

addressing this physical reptile, I was speaking directly to satan.

I will now unpack what I was conveying to him. Cursing the serpent by declaring that upon his belly he shall go, rather than walking, indicates that I bound satan to this Earth. I revoked his privileges of roaming throughout the material universe. The enemy was now limited to causing havoc only on this planet. However, I still granted him access to the Supernatural world, including **MY THRONE** because he is the ruler of the demonic kingdom and the accuser of Humanity.

Finally,

Eating of the dust of the Earth may be seen as ME giving satan the right and might to devour anything that is produced from the mind of the flesh or the carnal nature of Mankind.

You may ask, “Why would YOU do such a thing?”
Because ...

Adam and Eve, who are the father and mother of all of humanity...

NO OTHER gods!!!

worshipped satan by obeying his will by partaking of the tree of the knowledge of good and evil that I forbade.

This act of treachery legally established satan as the father of the mind of the flesh or the carnal nature of Mankind.

Remember, what is meant by the mind of the flesh and the carnal nature is that it possesses the characteristics of and contains the overwhelming desire to do the will of its father, satan. These ungodly characteristics may include being unforgiving, a liar, a thief, and a murderer. Examples of unholy desires are fornication, adultery, evil reasonings, stubbornness, ungodly arguments, and ungodly designs.

Because ...

the wicked one is the father, the author, and the originator of all these things, he then has the legal right to bring about his purposes and plans, which are all designed to break MY HEART and lead to your destruction.

NO OTHER gods!!!

Now you understand what I meant by telling satan that he will eat the dust of the Earth.

How did the mind of the flesh and the carnal nature enter, grow, and become a permanent part of Humanity? I Established **certain LAWS** that immediately manifested once the forbidden fruit was digested.

- **MY** first **DECREE** was every fruit tree contains seed.
- **MY** second **DECREE** was that the seed would reproduce and **multiply itself** and **its own kind**.

Examples of these ordinances are seeds enclosed within an apple. Once the seeds are released from the apple and received by the soil, they reproduce an apple tree.

As the result of these **authoritative ORDERS**, the seed in the fruit of the tree of knowledge of good and evil, once eaten, instantly reproduced itself within **Adam** and **Eve**. Thereby ...

NO OTHER gods!!!

Causing the prohibited tree to spring forth, develop, and become a new and abiding part of their being—the carnal mind.

I stated in **MY HOLY WRIT** that held within **your tongue** is **life** and **death**.

You decide which fruit you will eat by what you speak.

Remember, what you say proceeds from the **depth of your heart**. Therefore, **THE TREE OF LIFE** and the tree of the knowledge of good and evil are **rooted in your heart** and **produce fruit through your speech and actions**. This is why I tell you that you are **recognized** by your **fruits (Words and deeds)**. You must decide every moment of every day which fruit you will partake of.

Will you perform the desires and characteristics of the **FATHER** of your spirit (**MIND OF THE SPIRIT/ MIND OF CHRIST**), or will you perform the desires and characteristics of the father of your carnal mind (Mind of the flesh)?

NO OTHER gods!!!

As you can clearly see, this fleshy nature **literally grabbed hold of the very fiber or DNA of Adam's and Eve's makeup.**

Causing it to **transfer** to their **immediate children**, then, to **all of Mankind**.

Remember ...

Every person to ever live was already alive within the first Man and the first Woman.

This is why in **MY Parable, I Portray** the son and daughter, who represent the Human race, as distant and having contempt for their father.

The Ultimate and Rightful FATHER of Humanity is ME.

The expressions that are being exuded from the faces of the children are the effects of this ungodly nature that **fuels your opposition and disrespect towards ME.**

Nevertheless,

I LOVE every one of you so much!

NO OTHER gods!!!

Why won't you turn towards ME and embrace ME as your Only GOD and True FATHER? Why are so many willing to adore and serve other gods whose only desire is to use them as pawns to obtain revenge against ME for kicking them out of Heaven?

Do you not understand what is truly happening?

Come! Return unto ME!

You will find MY ARMS wide open to you because I AM passionately ready to receive and embrace you as MY Own!

Make the commitment from your heart and declare it every day from your mouth that —

I AM YOUR SOLE GOD

and you refuse to perform the will and desires of any other gods!!!

- 1) You live and strive to know ME through the revelation of MY HOLY WORD!**
- 2) You live and strive to be like ME in character, THE FRUIT OF THE SPIRIT!**

NO OTHER gods!!!

3) You live and strive to please ME in all your ways through consulting ME in everything you do and joyfully obeying the directives I give!

Furthermore,

You actively teach and train others to effectively and consistently execute the previous three things into their lives.

Once Adam and Eve worshipped satan, death was one of the deities that entered the Earth and affected everything. In fact, out of all the gods ushered into this material realm at this time, death is the king or greatest of them all.

This is why it shall be the last god or enemy I conquer and vanquish.

Remember, I bound satan to this planet and limited his ability to the havoc and damage he could cause in the material universe. But death is a completely different story. Its boundaries of reigning went throughout Adam's and Eve's realms of their domain. Notice death's capabilities extend into the

NO OTHER gods!!!

far reaches of the natural universe. This is why there are dying planets, dying stars; even planets and stars that are dead.

Yes, the first Man's and Woman's dominion went far beyond Earth into the outer regions of space.

There was no such thing as anyone or anything dying or being dead before this treacherous act! Not even an insect died.

Oooh!

How much was lost when Adam and Eve yielded their god status to the prince of darkness!

NO OTHER gods!!!

CHAPTER 6: ONE OF THE MOST DESTRUCTIVE deities

One of the other gods that came to the Earth was deception. Indeed, Eve was deceived. She was led astray from **ME, WHO IS THE TRUTH**, by the wicked one. Adam, eyes wide open (He knew what he was doing), permitted himself to be duped because of his love for Eve.

Never permit yourself to love someone or something more than you **love ME**. If you perform this spiritually life-threatening deed, then you have successfully made whoever or whatever you love or prefer more than **ME** into a god. This will cause you to disobey and disregard **MY DIRECTIVES** to complete the desires of your top lover. Moreover, you will push **ME** away and hide from **ME**, just like **Adam** and **Eve** did.

Furthermore, you set up a challenge between ME and this phony and fake deity.

NO OTHER gods!!!

This test I will accept!

I will move to confront and expose the helplessness and worthlessness of this god. I will clearly reveal to you and others why this god should be deposed.

I will maneuver to exponentially dethrone this false deity! I will first give opportunities to you for sincere repentance (Change your heart, change your mind, change your attitude, and change your direction).

If you decide not to repent, then, when I decide to demote and incarcerate your god, you will be relegated and destroyed too!!

**I will have no other gods before ME!!!
Willingly get these demonic gods out of MY
FACE, or I will do it for you!**

In case you don't recognize it, it is a battle of "Wills" between **ME** and these other damnable deities for your worship. Whose will shall be done?

NO OTHER gods!!!

I AM AN INNUMERABLE STAR GENERAL WHO has NEVER lost a war! I will not lose this “WAR OF THE WILLS!”

This is why it's imperative that you understand and recognize how lethal and deconstructing this decision to exalt and enthrone another god really is to our relationship.

You must always keep **ME** in **MY rightful place/position** within your life.

I AM to eternally sit upon the throne of your spirit because this is the seat (The authority and power) of worship and homage.

If you allow the spirit of deception to control and blind you, it will convince you that the adoration that solely belongs to **ME** can be given or shared with someone or something else.

Don't believe the lie!!!

NO OTHER gods!!!

It's incorrect or ungodly rational like this that makes the spirit of deception one of the most deadly and destructive entities.

Please make note that when I **SPEAK** to you regarding the last days (The coming of the end of the world), I warn you about letting no one deceive you. In fact, satan shall go forth before I enact **THE GREAT WHITE THRONE OF JUDGMENT** and deceive the nations, leading them to **oppose ME**. Of course, this results in their destruction. Because...

Deception **swiftly brings you to great loss and annihilation.**

Did you catch the value the spirit of deception holds in the satanic kingdom?

Deception is one of the first spirits to lead **MY Children** away from **ME** while in **the Garden of Eden**. It will also be the last spirit to cause those in **MY IMAGE** to fight against **ME**.

Between these two events, the spirit of deception will be responsible for a vast amount

NO OTHER gods!!!

of damage and destruction done against Humanity! In fact, when I was asked by **MY Disciples** what would be the sign of **MY Coming** and the end of the world.

The first thing I warned them about is deception will run rampant; therefore, be on guard that no one deceives you!

The true danger associated with this spirit is that you believe you are on the right or godly path. Furthermore, because you are convinced this is the way to go, it can be extremely difficult to deter you. As a result, you welcome a spirit of obstinance or a spirit of stubbornness.

Whoever is trying to steer you from this convoluted journey can become viewed by you as your enemy and treated as such. While the true adversary, you embrace as your guide, friend, and confidant.

The spirit of deception tag-teams with the spirit of seduction.

NO OTHER gods!!!

These two will bring you to the spirit of perversion.

But the ultimate destination is to take you into the arms of the spirit of insanity. All these demonic forces plot to gang up on you, overwhelm you, and totally consume you!

Let **ME** unpackage these truths deeper for you. I want to ensure you possess the needed clarity on these subjects. In this way, you can make well-informed, intelligent, **GODLY decisions**. If you still prefer these other demonic gods after all these understandings are revealed and given to you, at this point, you will do so with your eyes wide open, willfully, and intentionally. Indeed, you will not be able to declare that the demon you settled on was by accident, and you did not comprehend.

I will confront you that these things were performed on purpose and done deliberately.

NO OTHER gods!!!

Remember, I do not send you to hell. I simply LOVE you enough to give you who you have repeatedly chosen.

If **I AM** not the one you desire, of course, you have decided to reject **ME**. No doubt, this is your **GOD-GIVEN Right**.

I will honor and respect your aspirations and eternally grant them to you.

It will be your choices that send you to live forever with the chief demon you resolved to worship and to the ever-lasting place of torment, hell.

Therefore, prefer, decide, determine, and choose wisely, who and where you spend your ceaseless existence with; this choice is hanging in the balance.

This is a true statement:

Eternity is too long to be wrong!

Once your last breath has been taken, all your decisions are now eternally sealed. **There is**

NO OTHER gods!!!

no more opportunity to redo or undo. This is it!

There is no purgatory, where you are suspended between heaven and hell. Here, you go through purifying fires to pay for your sins and eventually become cleansed. Now, someone still alive can pray to **ME** for mercy on your soul. They give an offering to the church, light candles, and say prayers to bring you through this painful cleansing process and eventually into Heaven.

This place doesn't exist!

Once someone has passed on to the next world, their unrepented transgressions, iniquities, and sins only usher them into the lake of fire. When a person transitions to the next world, your prayers have no more affect on them or their outcome.

Do not pray for the dead, especially mercy, or try to communicate with them through any method at all.

NO OTHER gods!!!

Seances are not of ME! They are satanic! Mediums are puppets for demonic spirits to speak to you, beguiling you into trusting them to receive hollow comfort and ungodly direction from them.

I call it hollow comfort and ungodly direction because it is based on lies and evil advice that will lead you to fulfill a satanic agenda.

These demons know that once they have duped you into believing that seances work and mediums are the real deal. You will proclaim and propagate these damnable lies for them. You will become a messenger of their evil messages and be used to persuade others to fall into their satanic traps. For these reasons, I strictly forbid any attempts to communicate with the dead.

Death is final!!! It is truly over!

Do not be deceived by these lying and seducing spirits. They want you to embrace these heretical teachings as a safeguard

NO OTHER gods!!!

against the consequences of you and your loved ones' unholy choices.

STOP THE MADNESS!!!

Every one of these satanic forces is after your worship and your boundless spirit.

In case you have not recognized this fact by now, your most valuable assets are your worship and your eternal spirit. Guard them and be extremely selective about whom you release your homage towards, for it will have everlasting consequences upon your immortal spirit.

Another lie it will propagate is to say being a good person is sufficient enough to **live with ME forever** in Heaven.

The devil is a liar and the father of all lies!!!

Never, ever permit these demolition crews of everlasting destruction to tell you what the prerequisites are to becoming **MY Forever Lover**. You will Live with **ME** in a ceaseless

NO OTHER gods!!!

GODLY Euphoria because you have resolved to **please ME** by **doing MY WILL** and not the desires and plans of your carnal mind, other people, the worldly demonic systems, and other demonic deities.

One of the most damnable teachings the god of deception vomits from the depth of hell is that once you are saved, then you are always saved/eternally secure.

This heretical doctrine states that I performed everything on the cross; therefore, you have nothing to do but accept **MY Finished Work**.

In fact, these false instructors will make a rhythmic joke and say, “Come out of the do-do because there is nothing for you to do.” No matter how much you wound **ME** by sinning against **ME**. You have nothing to be concerned about because you can’t lose your salvation. There is nothing for You to participate in, including fasting, **studying MY WORD**, praying, worshipping, giving, and attending **MY**

NO OTHER gods!!!

Services. MY GRACE gives everything to you without requiring anything from you.

No wonder the mind of the flesh loves and readily holds tightly to this corrupting doctrine. This dogma encourages and strokes your carnal nature rather than mortify it as I have COMMANDED.

This damnable heresy will send many to live forever with the god of deception and the god of seduction.

I clearly state in **MY HOLY WRIT** that the proof of **loving ME** is displayed in the **keeping of MY HOLY COMMANDMENTS!**

Grace is not a license to sin and gratify your fleshy nature.

Are you to continue in your sinful ways with the expectation that **MY GRACE** will abundantly cover your unholy choices?

The resounding answer is NO!

NO OTHER gods!!!

MY LOVING-KINDNESS (GRACE) restrains you and convicts you to repentance (A change of heart, a change of direction, a change of attitude, and a change of mind).

MY GRACE actually **teaches** and **instructs** you to **reject** and **renounce** worldly desires and all ungodliness.

Remember, you are to join ME in crucifixion.

Without actively fasting, praying, **studying MY BIBLE**, giving, and Church attendance, how are your carnal mind and fleshy nature deliberately crucified? Yes, it is true that **MY GRACE** has given you the package of salvation for free. I **LOVINGLY** and **WILLINGLY** paid the price for you on the cross to partake in this glorious inheritance.

Salvation was too costly and way beyond your ability to pay for it.

Hence, the acronym that may be used for:

NO OTHER gods!!!

G.R.A.C.E is GOD'S RICHES AT CHRIST EXPENSE!

No wonder I gave the hymnist the line, "Jesus paid it all and all to **HIM** I owe. Sin had left a crimson stain, but **HE** washed white as snow."

I will now encapsulate the truth regarding **MY GRACE**. Although **MY DIVINE FAVOR (GRACE)** has freely given you all that pertains to life and **GODLINESS**. Once **MY LOVING-KINDNESS** has graciously presented you with everything you need, then, it proceeds to **empower** and **enable** you to **pay the price** through the killing of your carnal mind and fleshly cravings to effectively use these **undeserved gifts**.

Your fleshly nature, without a doubt, will misuse, contaminate, and abuse **MY GRACIOUS ENDOWMENTS**. For this reason, **THE WORD I SPOKE** to the body of Corinth makes it abundantly clear that you will not **enter** into **MY KINGDOM** if you are gratifying

NO OTHER gods!!!

your fleshly and unholy desires with these ungodly acts.

Such as:

Those who participate in homosexuality, sexual relations outside of marriage, child molestation, drunkenness, thievery, and extortion.

I AM SPEAKING to a body of believers who have embraced **THE TRUTH OF MY SALVATION.**

I warned them not to be deceived that anyone who joins in these unholy activities will not be a part of MY GODLY DOMAIN. You will not be eternally tied to ME as MY WIFE.

Remember,

Your fleshly nature **or** carnal mind **can't** live with **ME** forever. It must live with its father, satan, **for all of eternity.**

Do not adhere to this damnable doctrine!

NO OTHER gods!!!

Lovingly and willingly, bring your fleshy nature **or animal impulses under MY SOVEREIGNTY** through:

- Consistent fasting
- Praying
- Faithfully attending live church services
- Sacrificial giving
- Studying
- Practically applying **MY WORD** daily

You must be actively, aggressively, and persistently hunting down even crucifying your carnal mind and animal impulses by the weapons **MY DIVINE FAVOR (GRACE)** has provided for you.

Now ...

You can clearly see why I continuously warn you against the spirit of deception and to be on the watch against those who would deceive you.

NO OTHER gods!!!

Indeed, this spirit is and will be responsible for ushering many people into the fiery torment of the underworld because they chose to believe it and follow it. All the while being convinced that they trust in the right voice and are on the right path.

How do you become blinded and misled into worshipping this spirit by performing its will? The craftiness of this otherworld entity is also displayed in trying to keep you **ignorant** of **THE TRUTH**.

This is why I DECLARE that MY Children cease or perish because of their lack of perception and understanding of MY WORD and THE TRUTH.

If you do not have the **proper insights** into **MY HOLY WRIT** and the correct information within a situation, then you will not be able to make a correct or **GODLY decision**. Therefore, it is not difficult but easy for you to become beguiled or deluded.

NO OTHER gods!!!

In this ignorant state, you can quickly become a pawn to carry out the purpose and plan of this demonic god. Not only are you misled by the lack of information, but this god of deception will use you to spread this misinformation to others. In turn, they are also being set up to be duped and deceived by believing and basing their lives on things that are not valid.

This begins to spread like cancer, leaving many casualties in its wake of destruction.

Another strategic tactic of this demonic deity involves the opposite of keeping you ignorant and misinformed.

It overwhelms you with conflicting information until you are unsure what and who THE TRUTH is, leaving you not knowing what and who to believe in.

In this confused and puzzled state, it is easy to become exasperated. Thereby setting

NO OTHER gods!!!

you up to become extremely vulnerable to believing and enacting the wrong thing. Once again, this god of deception plans on using you to spread these incorrect beliefs, and the vicious cycle of deceiving others starts and continues all over again.

Another damnable doctrine that this damnable deity propagates is the doctrine of inclusion. I must candidly speak concerning this teaching. This dogma boasts that because of **MY Finished Work** on the cross, everyone is saved as long as they do not deny **ME (JESUS)**. It touts that Muslims, Hindus, and Taoists are all a part of **MY KINGDOM**. Rapists, murderers, liars, and the transgender community are included too.

Although **MY SALVATION PLAN** is extended to every one of them, they are **all welcome** by **ME** to accept (**According to MY CRITERIA**) **WHO** and what **I AM** freely giving by **MY LOVING-KINDESS. I COMMAND** repentance, baptism in **MY NAME (JESUS)**,

NO OTHER gods!!!

the infilling of **MY HOLY SPIRIT**, and continually striving to live a **HOLY life**. You are to accept **MY SALVATION PLAN** for the purpose of being **continually transformed** by becoming **progressively more like ME** in your **character** and **nature**.

This **BORN-AGAIN** experience consists of **repentance**. This is the reenacting of conception in the womb. It's the seed (Sperm) of **MY WORD** penetrating the egg of an individual's faith (A Minuscule trust in **ME**, a mustard seed). This begins a Spiritual life in the church's womb.

Remember, the church is **MY HOLY Bride**. Mitosis (Cell division) transpires as a person continues to listen to, believe in, and **practically apply MY HOLY WORD**. This results in their Spiritual growth and development (The dividing and multiplying of their spiritual cells), leading them toward baptism.

NO OTHER gods!!!

Baptism is the baby in the sack of water and blood (Placenta). As the embryo is submerged in water, in like manner, the baby Christian must be submerged in the water of baptism, not sprinkled.

It is MY PRECIOUS, SPOTLESS, SINLESS BLOOD that removes your sins and cleanses you from all your unrighteous deeds that you have committed in your past.

MY BLOOD is symbolically released in the water through the calling of **MY NAME** over the waters of **baptism**. After all, it is called **THE BLOOD OF JESUS**, and **THE BLOOD** is contained in **MY NAME!** As the baby will bear his family name, a spiritually unborn **Child of MINE** being baptized must do so in **MY Family Name**, which is **JESUS**.

When this precious one comes out of the womb into the world, I command that he or she

NO OTHER gods!!!

breathes. This is normally manifested by the baby crying out and making noise.

In like manner,

When MY Beloved little one proceeds out of the Spiritual womb of the church into the Supernatural world, I COMMAND him or her to breathe Spiritual breath, which is a crying out in an unknown tongue that signifies the infilling of MY HOLY SPIRIT or THE HOLY GHOST.

MY SPIRIT OF HOLINESS is THE ONE WHO imparts or gives HOLINESS to you!

You can't be HOLY without possessing MY HOLY SPIRIT!

If you don't contain MY SPIRIT OF HOLINESS, then you do not belong to ME!

You must be HOLY as I AM HOLY!!!

This is the **BORN-AGAIN process**. A newborn babe must drink milk to develop and grow. **MY Beloved babe** also must spend

NO OTHER gods!!!

quality time (Drinking/learning and digesting/ applying) of **MY** pure, undiluted, simplistic **WORD** to grow and develop **MY GODLY CHARACTER** and **HOLINESS**.

It is abundantly clear now that the damnable heresy of inclusion is not true and did not come from ME!

These heretical spirits will lead you to the fiery abyss of hell, which is eternal separation from **MY SWEET, LOVING PRESENCE**.

Don't permit us to be apart endlessly, PLEASE! After all, it is your choice!

As I said before, the spirit of deception and the spirit of seduction are tag-team partners to usher you to the spirit of perversion. The spirit of seduction lures and entices you away from **ME**.

Recognize:

TRUTH is THE ULTIMATE BEING!

I AM THE TRUTH!!!

NO OTHER gods!!!

This otherworldly entity of allurements offers you the illusion of greener grass.

Always remember the grass is often greener over the septic tank.

What this simply means is when you trust these vile spirits, they will deceive you into believing that something or someone is much lusher or better than they really are.

Their plan is to seduce you and entrap you into someone or something I did not foreordain for you to obtain.

Once you are grossly involved, then the fecal material (Immorality and debauchery) is made known that corrupts and contaminates the good that I have placed within you. This is why I have told you not to be deceived or misled. Evil or ungodly companionships or friends will ruin good manners, morals, and **GODLY CHARACTER.**

Of course, this greatly alters you and transforms you from **MY IMAGE** and **MY**

NO OTHER gods!!!

LIKENESS into these demonic deities' images and likenesses. Your worship then is effectively transferred to these evil spiritual forces, making them your gods and no longer **ME** as **your RIGHTFUL, SOLE, LOVING GOD.**

By the time you are wallowing in sewage, you have been adequately given over to the god of perversion.

Now that you are **thoroughly entrenched** in the god of perversion, it **twists** and **distorts your thinking**. This deity **intertwines** evil with good within your mind, so you call evil—good, and good—evil.

You lose your ability to distinguish and discern what is morally and ethically right from what is vile and harmful.

You will believe that fecal material is sweet and that the scent of roses is disgusting. You enjoy everything about the poop (Immoral and grotesque behavior)!

NO OTHER gods!!!

What should repulse and disgust you is what you seek out and embrace.

You are all turned around!

In fact, you are brought to the point that you no longer care. Your only concern becomes what feels good to the god you are serving.

The theme you live by is if it feels good to me (That is, my fleshly nature) then it must be good for me.

I will fight to obtain whatever or whoever this is and wage war to maintain it!

I would rather be permanently damaged than lose whoever or whatever the spirit of perversion has addicted or deeply attached me to.

It is this mindset that will usher you into and keep you in the degradation of pornography. All at the expense of other important and valued relationships, such as your spouse or child.

NO OTHER gods!!!

What the god of perversion does is offer you emotional medication or solutions, especially for your disappointments and hurts. These are things I have not authorized you to have.

This lewd entity strives to entangle you and addict you to that which will destroy you and your **GOD-GIVEN Destiny!** Once you are firmly in the grip of this diabolical deity, it delivers you to the spirit of insanity.

MY Definition of insanity is that which is contrary to **MY DIVINE ALIGNMENT** and **MY DIVINE ORDER.**

Believe it or not, it is actually the spirit of insanity **that is the controlling force behind the** spirit of suicide.

When someone takes their life, they are moving contrary to **MY DIVINE ORDER of self-preservation.** The spirit of perversion was able to warp their thinking, causing them to believe that they were unloved and unwanted.

NO OTHER gods!!!

At this point, they are set up to embrace the spirit of insanity. This notorious spirit further convinces them that **I don't LOVE** them nor **CARE about them**, making their **life a cruel joke**. This devilish deity further persuades them that all their pain and suffering will only cease when their life ends.

The prevailing logic is that since **I don't LOVE them**; then, no person loves them or cares whether they live or die.

The fact that I nor anyone else loves and cares for them appears to be the apparent truth, which means they are not worth being loved and cared for.

Since I and others don't count them as deserving of our love and care, then, why should they love and care about themselves?

After all these demonic-established truths, loving oneself would only be understood to be an exercise in futility.

NO OTHER gods!!!

This self-assassinating spirit **glamourizes** self-slaughter and the **murder** of **MY IMAGE**, as **the cure-all** for the agony and anguish that comprise their life.

Suicide is the highest form of self-criticism!

It is a judgment that, once executed, cannot be revoked! Unless, I exercise **Amazing GRACE**, **Great MERCY**, and **spare your life** from this damnable act!

Once you perform this devilish deed, it's too late to ask for forgiveness from ME. After you leave this natural world, there is no way possible for you to repent and receive MY Forgiveness.

Self-termination brings a finality to your natural life and automatically joins you to the god you have obeyed and paid homage to.

When you commit suicide, you have willingly given yourself as a sacrifice to the

NO OTHER gods!!!

spirit of insanity! **This offering, of course, is a form of worship.**

This demonic spirit that you've obeyed and worshiped is now officially your god! You have chosen to eternally live with and be in the image and likeness of its repulsive, hysterical, and maniacal manner.

Can you clearly see how these spirits amassed on you to cause you to take your life? The spirit of perversion and the spirit of insanity gang up on you to **completely brainwash you** that your life has no **GOD-GIVEN PURPOSE**. They indoctrinate you into believing, accepting, and practicing that I, along with everyone else, hate you. They adamantly and persistently preach to you that your sole purpose is to be **MY** Court-jester. Their intended reason is to make you feel like you are **MY** abused clown. It's so you'll swallow and digest that your existence is an abomination to **ME**; consequently, I receive great delight from your miseries and hardships.

NO OTHER gods!!!

All of these things are just flat-out lies!!!

Never, ever, let these demonic demolition crews tell you **WHO I AM** and who I do and do not **LOVE**. You must know by now that these jealous, twisted wanna-bees will never-ever tell you the truth regarding **ME**. Their whole position is to poison you against **ME** with the intent to completely turn you away from **ME!** Their plot is to wield you as a weapon aimed and released toward **MY HEART!** Please! Don't allow yourself to be used and abused by these demented demons. They mean you and I no good, whatsoever. You must refuse to be their puppet that executes their perverted plans!

Now that I have brought some accuracy concerning the motives of our enemy, let's examine further how I view the act of suicide.

First, let it be established that I would never command nor lead you to take your life!

NO OTHER gods!!!

Notice the deceiver shows and promises you greener grass. This is because green symbolizes life, especially “lush plush” life that speaks of fullness.

No wonder there is an emerald rainbow around **MY THRONE** because **I AM THE ABUNDANCE OF LIFE** and **THE PROGENITOR OF IT!!!**

— Therefore, suicide is strictly a demonic concept that they present to you as a solution to the misery you’re experiencing —

I do not and will not glamorize and romanticize this deadly act as these spiritual predators do.

Remember, these evil spirits are the root cause of all the pain and suffering in your life, including everyone and everything on this blue planet. Isn’t it ironic for them to be the ones to divulge an answer for all the distress and mental anguish they are intentionally causing you? What’s wrong with this picture?

Are you catching on yet?

NO OTHER gods!!!

This is a completely devilish setup destined for your annihilation! The solution they speak of will not alleviate your deep, dark depression and intense suffering but will exponentially multiply it by quantum leaps. Yes, they bold-faced lied to you with no remorse.

Furthermore, these ambassadors and converters of evil will mock you for eternity because you foolishly listened and obeyed their voice by the taking of your life. They will torment and torture you forever and forever. There will be no mercy because they do not possess this **GODLY** trait.

Gracious Kindness belongs only to ME!

I gave you life as a gift to be observed, encountered, enjoyed, cherished, and **held to be Sacred**. Although your breath is a present from **ME**, it must return to **ME** at the end of your life. Once this happens, you will then have to give an account to **ME** for how you

NO OTHER gods!!!

used this precious, unique, and fragile endowment.

When I breathed **THE BREATH OF LIFE** into your tiny, unformed frame, I cuddled you as **MY Very Own!**

Simultaneously, I Declared MY predestined life span for you, if you decide to cooperate with ME.

Consequently, when you cut your existence short of what I predetermined because of the unauthorized taking of your life, I view you as a thief who has stolen something valuable and irreplaceable from **ME**. Needless to say, I will not welcome any thief into **MY Blissful**, eternal home, Heaven.

Furthermore, someone who commits this self-assassination against **MY Prized Created Possession** will not see **MY FACE** in peace because I see you as a murderer.

You have slaughtered **MY IMAGE!**

NO OTHER gods!!!

Once again! I will not receive a murderer into **MY** everlasting abode.

Why do I not accept thieves and murderers into **MY KINGDOM**? It is because these traits are not mine but solely belong to the ultimate thief and the ultimate murderer, satan.

Remember,

The highest form of worship is imitation.

You are giving the prince of darkness your adoration by granting your permission for these characteristics to take hold and become you.

Do you now understand that the demonic solution of suicide is a ploy to eternally detach you from **ME**?

PLEASE DON'T TURN AWAY FROM ME!!!

Don't allow these gods to come between us and separate us today and forever.

I Intensely LOVE you with an EVER-LASTING LOVE. MY SOVEREIGN ARMS are

NO OTHER gods!!!

wide open to receive, embrace, and hold you for now and throughout eternity!

Ooooh! The untold carnage these gods of deception, seduction, perversion, and insanity have and will cause against those **I deeply LOVE**. It pains and breaks **MY HEART!**

You know ME by now!

I LOVE and **CARE** about you so passionately that I will give you your eternal decision.

If **I AM** not your ultimate choice, then I will grant you the chief god that you have chosen to abide by, be tormented by, and be controlled by forever.

Nevertheless, it doesn't have to be this way for you. As long as you still have breath, then there is still hope.

Unless you have blasphemed, cursed, or spoken evil against **THE HOLY GHOST**. In order to commit this dastardly deed of unrighteousness, you must have possessed

NO OTHER gods!!!

and experienced the wonders of **MY HOLY SPIRIT**.

After having these joyful, beautiful, and Sacred encounters with **ME**, you now have contempt for **THE SPIRIT OF HOLINESS**. Mocking **MY HOLY MANIFESTATION** as worthless, meaningless, and having nothing to it! You outwardly and vehemently speak these things against **ME**, especially to others—who you potentially corrupt, poison them, and pit them against **ME**.

There is no forgiveness for this treachery and ultimate betrayal!

Because you have tasted or experienced the power of the world to come and decided to reject it and degrade it as nothing or of no value.

I spilled MY PRECIOUS, SPOTLESS, and SINLESS BLOOD to enable you to be a partaker of the **MOST PRECIOUS GIFT OF**

NO OTHER gods!!!

ALL, THE HOLY SPIRIT or THE SPIRIT OF HOLINESS!

You despise **ME** and determine **THE GIFT OF ME**, as useless.

As long as **I AM** pricking and convicting your heart, then, there is still hope for you. When you have blasphemed **MY HOLY SPIRIT**, I will no longer strive to draw you unto **MYSELF**. You have eternally sealed your fate, by your fatal choice!

Let's return to the understanding of the fact that it doesn't have to be this way for you. Therefore, the question needs to be asked. How do you not become beguiled, duped, and worship these maniacal maniacs and perform their will? Well...

MY Child, you handle these issues through the passionate pursuit of MY PRESENCE!

Here is a stern reality that must be stated and made extremely clear!

NO OTHER gods!!!

If you do not value ME enough to spend quality (Focused) and quantity (Large amount of) time with ME—while you're still in the Earth—why would you expect ME to consider you worth spending eternity with?

If you do not esteem ME as important enough for your earthly time, then do not feel entitled to one moment of MY ETERNAL EXISTENCE!

It's up to you to recognize how much you need ME because you love being with ME!

I have fought intensely to be with you!

Now...

What kind of effort are you consistently putting forth to be with ME?

Let it be that you seek **ME** out because of the passion you have towards **ME!**

Don't allow the trials of life to be your sole source of motivation. Instead, let your love for

NO OTHER gods!!!

ME be your compelling force to drive you to **ME!** Don't wait to be confronted with situations that are beyond your ability of comprehension, deduction, and skills to properly handle.

MY saying to you is...

Prepare to meet it and so defeat it!

Make **ME** your **SOURCE** for **everything!**

You access **ME** as **THE LIFE-FORCE** you draw from, by **consulting ME** in **every decision** you make, then **joyfully following MY DIRECTIVES.**

Parents direct and guide their children and expect their dependence upon them. In fact, they will discipline their little darlings for being too independent of them. Dads and moms do this to protect their youngsters from hurt, harm, and danger. Indeed, this is considered to be good and proper parenting. In turn, I, as your **ULTIMATE PARENT**, desire the same thing.

Do you feel I AM asking too much?

NO OTHER gods!!!

I request, not demand because this must be an act of love, vulnerability, and faith. The reason for this is so you can **intimately know ME** and be properly protected by **ME**. Unlike Adam and Eve, along with multitudes of their children, you must choose to **rely** upon **ME**, as **THE SOLE SOURCE** through which you discern and process the knowledge of good and evil. This is learning from **ME** what to believe and embrace and what to forsake and disregard.

Make ME your “ONLY GO-TO-METHOD.”

Refuse to allow these demonic, devious demolition crews to be your instructors and interpreters of what is good and evil and what is right or wrong. You know they will simplistically and intricately twist and corrupt whatever it is that you are exposed to and receiving, especially regarding **ME**.

Instead, pass all knowledge, information, and understandings through **ME** because—

NO OTHER gods!!!

I AM THE TRUTH!

I AM THE ESTABLISHER of all that is **TRUE!**

In turn, I will train you (Over time) to think, perceive, hear, and speak all these things through **MY MIND, MY EYES, MY HEARING,** and **MY MOUTH.** All of this is **MY HOLY WORD,** as expressed and applied by **MY HOLY SPIRIT.** These things are accomplished through abundant prayers, Bible studies, fasting, the giving of yourself, the giving of your material gain, and faithful church attendance.

There is no substitute for spending quality (Focused) and quantity (A solid amount of time) with ME.

MY PRESENCE is LIFE-ALTERING!

When someone lays out in the Sun uncovered, it will darken their skin, giving them a Suntan. In like manner, when you prostrate (Lay down your will) and uncover (Willingly expose your heart without defenses) in **MY PRESENCE,**

NO OTHER gods!!!

then, you will experience a **SON-TAN** (The transformation of your character into **MINE**) from **MY FACE**. While in **MY PRESENCE**, ask **ME** to grant you a discernment that comes from—

THE SEVEN SPIRITS OF GOD!

Because the spirits of deception, seduction, perversion, and insanity are already so profoundly, and deeply rooted in Men's hearts, you must have a discernment that comes from the depth of **WHO I AM, THE SEVEN SPIRITS OF GOD**. Otherwise, with all your intellectual prowess, you will be extremely vulnerable: meaning you will be easily deceived and seduced.

Do not rely upon your savviness! Learn to joyfully, willingly, and **completely depend** upon **ME**! You are definitely living in what I have termed as "The Last Days." The Last Days may be interpreted as the segment of time where Humanity will blatantly, willfully,

NO OTHER gods!!!

and openly worship demonic gods. They will joyfully and completely give themselves over to satan and his evil cohorts. As a result, Mankind shall be infused with devious insights and demon-inspired revelations.

This vast increase of satanic worship and devilish discoveries will cause an exponential development of the authorities and powers of the spirits of deception, seduction, perversion, and insanity.

These evil entities will reach heights far above human cognizance and intellectual abilities. The consequences of these things will be the swift decline of **MY Characteristics**, such as love, mercy, forgiveness, kindness, integrity, empathy, and compassion. In turn, satanic qualities like hatred, unforgiveness, lying, deception, selfishness, murder, lack of empathy, and compassion will take over **MY Creation** like a tsunami. Their conscience will no longer distinguish good from evil but will call evil good and good evil.

NO OTHER gods!!!

Humanity will be driven by the feelings and desires of its fleshly mind and carnal nature. As they draw further from **ME** and closer to these ungodly beings. They will experience no conviction or remorse for hurting, ripping off, and decimating each other, such as molestation of children and identity theft.

This explains why the pandemic was indeed a “Plandemic.” The worldwide plague served a few purposes. Many world leaders recognized that the population of the Earth was becoming more than the planet could sustain. By releasing a man-made virus, they could exact population control. In this way —

The virus would decide who lives and who dies.

Without a doubt, they also made sure they had the most effective anecdote for themselves, their loved ones, and anyone else they deemed should live. They would aid in these sacrificial mass deaths by making sure improper medical

NO OTHER gods!!!

care was administered, and the proper cure never saw the light of day. Resulting in the controllable and senseless loss of hundreds of thousands of lives. These casualties then secretly would be a sacrifice of worship to the god baal, in essence, satan.

All of this was also meant to be an experiment with global control through mass hysteria.

Its purpose is to prepare for the coming of the antichrist.

The one world satanic leader who will demand to be worshipped as the ONLY TRUE GOD, making his diabolic desires into law. he will legislate that his name or the mark of the beast will be mandatory for all.

If you do not take his name as a seal that he is now your father, then you cannot buy or sell.

Remember—the mark of the beast, or six hundred and sixty-six, is his name.

NO OTHER gods!!!

Furthermore, you will be executed by beheading. This decree will cause the masses to be controlled and move out of excessive fear. Imagine having young children, especially babies, who are solely dependent upon you to satisfy their needs. You will be declined when trying to buy food and clothing for yourself and your little ones. Also, you will not be permitted to work or function in any way within society.

Can you feel the pain, hardship, suffering, and terror this would cause you? Notice during this pandemic that there was a global reset in order to remake things the way they wanted them to be. There were definitely mandates that bore consequences if disobeyed, such as being unable to fly or not being allowed to enter into some restaurants and stores.

Do you see how the “Plandemic” is a prelude or introduction to the coming satanic global leader’s agenda? It was to test how easy or difficult it would be to get you to make

NO OTHER gods!!!

the necessary alterations to fit their new world order.

MY Child, if you do not lovingly, willingly, and joyfully rely upon ME—you will be forced, out of fear, to perform the will of the wicked one.

You are going to have to depend upon either **MYSELF, THE SOVEREIGN GOD**, or demonic gods. Needless to say, I have granted you authority and power to choose because **I LOVE you**.

I want you to choose **ME** out of your love and **GODLY FEAR**, not out of fear that originates from the spirit of fear.

I don't desire you to select **ME** out of fear of punishment but from the deep-rooted sincere desire not to hurt or offend **ME**.

No doubt, money and power are the other reasons for this global catastrophe.

NO OTHER gods!!!

The literal billions upon billions that were made in this process will be used to fuel their influence and fund their satanic agendas. It is all summed up as force and greed!

Choose wisely your side, **MY Child**, because the eminent war between **MYSELF** and other gods is here!

NO OTHER gods!!!

There is no middle or neutral ground!

Decisions must be made!

Who have you chosen?

NO OTHER gods!!!

CHAPTER 7: THE pride FAMILY

Although this next god can and will greatly blind or deceive you, it is not the spirit of deception **I AM** now discussing. This devilish deity is such a well-known, notorious spirit that has caused countless beings to fall extremely hard into disgrace. This includes lucifer's demotion to satan and his fall from **MY GRACE**. The devil, in turn, used this spirit to seduce Eve into disobeying **ME** and eating the forbidden fruit. Resulting in Mankind's separation from **ME** and satan becoming the father of Humanity's carnal mind and fleshly nature.

The carnal mind **may be understood as the thing that embraces the thoughts and desires of its father, the devil.**

The fleshy nature **may be seen as the manifestation of these satanic thoughts and desires through character and actions.**

This was so **devastating** to **MY HEART!** There was nothing, and I do mean nothing, lacking after I Created this Glorious Feminine Being.

NO OTHER gods!!!

Everything was in its rightful place, including the position that Adam and Eve held. Yet the tempter was able to convince the Woman that I was withholding a valuable status from her—a god-status—because they were created in **MY IMAGE** and after **MY LIKENESS**...

Adam and Eve were gods!

Let **ME** explain it to you this way. A dog will bring forth a creature in its image (Resembling physical appearance). It will also produce a living thing after its likeness (Having characteristics belonging to the species of dogs, such as barking and growling). A dog will not and cannot bring into existence that which has the physical qualities (Bodily attributes: massive ears, rope-like tail, and long trunk) and the distinctive traits (Personalities of the species, such as trumpeting through the nose and being herbivores) of an elephant. Impossible!

My LAWS stand true!!!

NO OTHER gods!!!

Everything will reproduce after its own kind or species. This entrenched order solidifies the fact that Adam and Eve were after the **GOD-KIND!**

They were the gods of the cosmos (MY established governmental systems in the Earth).

By satan sales-pitching the Woman for a pretense of “godhood,” she was deluded into worshipping and embracing the god of pride or the pride of life.

Eve was trusting the words of the enemy that if she ate the forbidden fruit, it would elevate her higher than where I had already established her.

Remember—

Pride is self-exaltation!

It is the ego-raising of one’s rank to MY GOD-Prominence making you MY Equal or even MY Ruler.

A good acronym for **e.g.o** is “**Enforcing GOD Out!**” This is because you are imposing a course of action against **ME** that is being determined by the god of pride! You can’t serve two gods, at the same time.

NO OTHER gods!!!

You will either love and cling to one master or hate and refuse the other master.

When you embrace and enact this god of pride's purposes and plans that are a direct assault opposing **MY SOVEREIGNTY**, then, you are making it known that you are on par with **ME**.

For the record...

There is none like ME!!!

There is **no one** or **nothing** that is **MY Equivalent** or **MY Master** nor **will there ever be!!!**

I AM GOD AND GOD ALONE!!!

There is no one above ME!!!

There is no one beside ME!!!

There is, without a doubt, none like ME!!!

I stand in this realm all by MYSELF!!!

I AM THE SOVEREIGN LORD!!!

NO OTHER gods!!!

Remember:

The only proper response to MY SOVEREIGNTY is your worship with joy!

This means that you **submit** to **ME** with **extreme delight!** You **must recognize** the **intense privilege** and **intense honor** that **I AM** granting you, by giving you this hallow, precious gift. It is the **present of proximity** that is unwrapped or accessed through **MY HOLY WORD** and worship!

I bestow to you this one-of-a-kind benefit because I **PASSIONATELY LOVE** you, and I **YEARN** to be with **you forever!**

Therefore:

When you raise your carnal will **or** strong fleshy desires **above MY WILL or SOVEREIGN DESIRES,** you are declaring that you are **MY equal or MY lord!**

—This immediately sets up a challenge between **GOD** versus god and **LORD** versus lord to settle who is the supreme being—

NO OTHER gods!!!

Trust ME MY Child, there is none that can stand before ME or against ME!

This is immense insanity!!!

I expelled the evil one and his evil companions out of **MY** Heavenly Abode, without having to lift a finger, because **MY** Angels performed this task. Did you notice that when **I AM** ready to incarcerate satan for a thousand years before the battle of Armageddon, I send one strong Angel to subdue this menacing general of evil? **Yes! This is all it takes!**

—The devil and all his hordes of hell are no worthy opponents for **ME!**—

After digesting this pertinent information, do you actually believe that you, anyone, or anything else can be **MY** Equal, **My** Master, or **withstand MY WILL?** If after all this pertinent understanding being granted to you, you still embrace this fallible, satanic belief system, then, you are intentionally **defying ME!** I truly do **LOVE** you!

NO OTHER gods!!!

But...

If you approach ME in this manner, then, you leave ME no other choice but to dethrone you.

This is the lethal position that the god of pride places you in and will put you in. I told you before and I will tell you again.

Pride will vigorously progress you to annihilation and an arrogant spirit will unequivocally downgrade into disgrace.

Parents have said to their children, “i brought you into this world, and I sure enough can take you out!” Where do you think these progenitors received this understanding from?

Remember, that I AM the Ultimate PARENT!

I AM THE ONE who Breathed MY BREATH into you, and I AM THE ONE who can surely take MY BREATH back from you!

Do not be blinded and deceived by this seductive, alluring deity that seeks to pit you **against ME.**

The god of pride’s mission is:

NO OTHER gods!!!

To empower you to be audacious towards ME. It will also strive to blind you, so that you do not recognize that you are opposing ME, especially by low self-esteem.

Pride is:

Being overconfident in one's opinions, cognizant prowess, and natural abilities rather than being completely dependent upon ME.

Yes, you esteem your opinions to be greater and more valuable than **MINE!** You are settled in your satanic beliefs.

—You hold to the conviction that if you think about something long enough, you know, you will conjure up the answer—

The god of pride declares from your heart that, “i am my own answer, therefore, i have a partial need or no need for **THE ALMIGHTY GOD!**” It's the belief system that, “If I simply utilize what i possess, then i am, and i will be successful by the might of my hands. In essence, i am my own god!”

NO OTHER gods!!!

Pride completely destroys relationship with ME because it deems ME as absolutely unnecessary for surviving and a roadblock to thriving.

Pride refuses to recognize ME as the SOURCE of everything it possesses.

Instead, it adamantly holds to the perspective that, “i am the sole supplier of my life.” The ones who bow to this god of pride believe from the depth of their being and trumpets from their mouth that they deserve everything they have received, and they are entitled to receive so much more!

—This self-affirming deity creates a ferocious stench in MY NOSTRILS! —

It would be the equivalent of your son, who is in your physical resemblance and contains your characteristics while living in your home, sovereignly deciding to frame and hang on your wall fecal material.

This repulsive and disgusting picture now being displayed in your immaculate and meticulous abode

NO OTHER gods!!!

is portrayed as a masterpiece by the one you cherish. Your son makes the case that, “Since this is my room, then i should be able to parade what i value.”

Would you endorse and celebrate this logic that supports such an abominable act, especially when you did not raise him to hold to such a depraved and despicable standard?

Your precious one has not paid for one thing. You, alone, have built this residence and paid for everything. You have lovingly and tirelessly taken care of your offspring.

Would you interpret what your son has done as defiance?

Would you be shocked and mortified at whom you have raised, like, “Eww!”?

Who in this scenario has the authority and power to execute the decision? This adage should be instated at this point, “No pay, no say!” Let’s take a moment and answer these pertinent questions.

NO OTHER gods!!!

Even though **MY** Children have been corrupted through collaborating with satan, this means that any bad or evil thoughts, attributes, and demonstrations that people possess originate from satan. In spite of these truths, Mankind still retains the **internal preacher of morality** that comes from **MY HOLINESS** and is **manifested** through their **consciousness**. In other words, any good or loving cerebration (Thought process-thinking) and wonderful qualities that result in virtuous actions proceeding forth from Humanity—

I AM THE SOURCE !!!

You own no moral excellence outside of ME!

I AM ALL THE GOOD within you!!!

I have also provided **creation** as an **external preacher** that persuades the Human Race to **THE TRUTH** of **MY Existence**, **MY NATURE**, and **MY Awesomeness**.

Therefore:

NO OTHER gods!!!

There is no legitimate excuse for such grotesque, offensive, and raunchy behavior as pride!

This is how I interpret the fecal material framed and mounted on the walls:

A public display before MY FACE. It is the stench, nasty acceptance, and portrayal of the god of pride.

Even though you are in **MY IMAGE** and **MY LIKENESS**, **I WILL never endorse** the reasoning or logic that you may do contrary or defiantly to the **ethical, moral, and GODLY Standards** that I have established for you!

Again—

Do not allow this god of pride to empower you to contradict and confront ME!

The illustration I would give to you that further explains the similarity of our situation is an ameba (A one-celled creature) challenging a Human Being

NO OTHER gods!!!

(Over a 30 trillion-celled creature). This would be absolutely ludicrous!

How excessive the confidence and indignation of this microscopic, insignificant, powerless thing would have to possess to even think of taking you on.

What could it ever hope to accomplish?

A fraction of a puff of your breath would annihilate its existence.

This example presents you with some idea of what it would be like for you, to have confrontations with ME. Although, in complete honesty, it doesn't reveal half of the story!

As you can see, this notion would be extremely unwise and completely foolish! The truth is, **I WILL fight against** those who are ignorantly or willingly subdued by this god of pride, but I will give **MY GRACE** to those who are **humble** and **teachable** towards **ME**.

NO OTHER gods!!!

MY Definition of humility is:

The acceptance, belief, and practice of who I SAY you are, no more and no less.

When you permit yourself to go in various directions (Thinking higher or lower and embracing a different species or gender than who **I Stated** you are), which contradicts **MY Declaration** of you.

This is pride!

How does the clay tell the potter who or what he has fashioned? How does a product tell the manufacturer what it is or what it is not, and what it can perform and what it cannot perform?

- **How do you tell ME who you are or who you are not?**
- **How do you stand boldly in MY FACE and proclaim that you are a different species or gender, based on your feelings, than who I have Created you to be?**
- **What kind of bodacious nerve dares to refute ME, and stand toe-to-toe contrary to ME?**

NO OTHER gods!!!

- **Who do think you are that you can declare to ME what your value is or what your value is not, knowing that I AM YOUR POTTER, even YOUR MANUFACTURER?**
- **Did you create yourself or did I CREATE you?**

Please!!!

Do not allow the god of pride to position you into a showdown or a decisive confrontation against **ME, PLEASE!** This devilish deity will get your bacon cooked black and extra crispy! It will also have you feeling victimized and feeling justified the entire time! Then, it will mock you for trusting and following it. The god of pride is an uncaring and cruel spirit! **Trust ME**, when I tell you that I do not receive some kind of perverted pleasure in destroying you!

On the contrary, this would **break MY HEART** because you are the **meticulous work of MY HAND**. I do receive an **immense JOY** and a **roaring satisfaction** by deposing the god of pride! Unfortunately, when I deem it the appropriate time to whoop this demented deity. If you are worshipping it,

NO OTHER gods!!!

then there is no alternative but for you to be dismantled along with it!

Repent (Change your heart, change your mind, change your attitude, and change your direction) from low self-esteem, inflated concepts of yourself, prejudice, the refusal to receive **GOD-GIVEN HELP**, and elitism. I have thoroughly explained pride in the form of perceiving yourself as lesser or greater than who I, as your **CREATOR**, have **Formed** you to be.

Now, I will commence dealing with prejudice. When you perceive yourself superior to someone because they have more melanin in their skin than you, you make it crystal clear that they are inferior to you because their skin color and biological features are different from yours, such as brown skin and broad noses, or yellow skin and slanted eyes.

Let **ME** make this abundantly clear! These hate-filled associations **do not represent ME! You are not MY Chosen Ones** for a Chosen Mission.

STOP THE MADNESS!!!

NO OTHER gods!!!

Keep **MY NAME out of your mouth** in conjunction with these atrocious, divisive, and demonic belief systems! **All of the Human Race** is in **MY IMAGE** and in **MY LIKENESS**. No ethnicity is **LOVED** more or less by **ME**.

MY LOVE and MY CONCERN are at maximum and remain there for all people, even those who willingly decided to cleave to demonic gods.

I AM not fickle or flighty with MY AFFECTION!!!

On the contrary, **I AM STEADY and SURE!**

Humanity can effortlessly proclaim and testify how **insurmountable** is **MY LOVE**, and how **Great** is **MY FAITHFULNESS!!!** All the various races represent a **spectrum of ME!** When you operate in bigotry and are verbally or physically aggressive, demeaning, and abusive because of someone's skin color, physical attributes, and cultural differences, you set yourself in the position that you are superior to them. Because of this, you surmise that you are preferred by **ME** over these "so-called" inferiors.

NO OTHER gods!!!

What a **complete lie** and **utter foolishness** proceeding from this god of pride! This mindset justifies to you, your unsavory, despicable behavior.

These haters better believe this established way of thinking is nothing more to **ME**, than the stench and the vulgar impact of pride. **I AM ABSOLUTELY APPALLED** by this fixed attitude, especially when it applies and uses **ME**, even **MY WORD** to condone its unholy conduct!

NASTY!!!

You are very small-minded to deem it necessary to put a particular race down to feel better about yourselves. This “Prejudice Community” desires to communicate that these people are inferior in every way to them because they fall miserably short—in the group’s opinion—of their intellectual, physical, and cultural excellence.

For this reason, many from this narrow-minded group have demoted—in their opinion—certain races to monkeys, raccoons, or other types of animals. You believe and practice that a certain

NO OTHER gods!!!

ethnicity has a tail like a monkey or is no better than a dog. These hate-filled associations, further make derogatory remarks and mock them stating they have the intelligence of and the resemblance of a gorilla, or an ape. They will whistle at them, calling them like a dog. These “Prejudice Communities” will even call these other races, “Boy” or “Girl” to demean their adult status or rights.

When you fail to view individuals of common descent as a valued part of the Human Race, it then becomes palatable and appetizing to you to treat them the way you perceive them, as animals. By performing these dastardly deeds of unrighteousness, **you degrade ME!** Yes! I take these verbal and physical assaults extremely personally! This is being done against **MY IMAGE** and **MY LIKENESS**; therefore, it is being done **against ME!**

You are out of your tiny, little minds—

if you even conceive that **I AM** with these kinds of treatments towards **MY Creation!**

NO OTHER gods!!!

Furthermore, **I AM** speaking directly to you, so that, you cannot claim you were ignorant or did not understand **MY STANCE** on this subject. These hate groups have permitted and welcomed this god of pride to overflow them with putrid and vile contempt toward those who are created differently than they are. These ignoramuses believe **I CREATED** them to be superior to all the other races. The variations in the races celebrate **MY CREATIVITY** and communicate different aspects of **MYSELF** being expressed through the spectrum of Humanity.

I AM not a Caucasian **GOD**, nor an African, Jewish, Indian, and Chinese **GOD**, etc. ... If you can tell **ME** what color the wind is, then, you can tell **ME** what particular color or ethnicity **I AM**, for the wind symbolizes **MY SPIRIT**. The wind is colorless! Do not allow the Muslims or any other group to tell you what color **I AM**.

I AM THE GOD OF ALL HUMANITY!!!

Every race and every individual have been offered the **GOD-GIVEN Right** to lay claim to **ME**, as

NO OTHER gods!!!

their **PERSONAL, LOVING FATHER!** The **LORD** is my **SHEPHERD**, not our **SHEPHERD**.

I AM an **EXCLUSIVE GOD** to anyone who will joyfully and willingly embrace **ME** as their **ONE** and **ONLY, TRUE GOD!**

Therefore, when you express contempt and hatred for the unique works of **MY HAND**, you are directing this straight at **MY HEART!** You fool! I will require payment for these abominable actions that you have done, and you are doing. You must **answer to ME** for all the collateral damages to **MY MASTERPIECES** that you have caused!

Rest assured that you will not escape, unless you repent for serving this putrid, abominable, and repulsive god of pride!

Remember—

I AM OMNIPOTENT!!!

There is no place for you to hide from **MY OMNISCIENT (ALL-KNOWING), MY OMNIPOTENCE (ALL-POWERFUL),** and **MY**

NO OTHER gods!!!

OMNIPRESENCE (EVERYWHERE AT THE SAME TIME)!

I AM GOD and GOD ALONE!!!

THE FATHER and PROGENITOR of all the races and ethnicities!

— I will spank you as the spoiled brat, cruel, demented, and childish individual that you are! —

You need to immediately have a change of heart, change of mind, change of attitude, and a change of direction (Repentance)!

Since I have forever settled **MY Position** on this subject of prejudice, let's journey on. Pride takes on many different faces:

- low self-esteem
- exaggerated views of oneself
- prejudice
- the rejection of needed assistance
- elitism
- religious pride

NO OTHER gods!!!

This devastating, devilish, deity spreads a damnable doctrine into the hearts and minds of **MY Children!** Convincing **MY Cherished Ones** not to **receive MY LOVING, SINCERE, and CARING HELP.**

This true enemy of the soul embeds into the hearts and minds of **MY Precious Ones** that we dare not receive help from anyone when we really need it because we don't want to be viewed as a charity case. This proud outlook has crippled so many, being a roadblock to their advancement, and causing them to suffer needlessly.

I AM THE GOD OF THE UNIVERSE!

Yet, I permitted Simon of Cyrene to help **ME carry MY Cross. MY PURE WORD** upholds this blue planet that you live on. Yet, I **HUMBLED MYSELF** to **receive assistance** from another to bear **MY Burden.** I continued to stumble and fall multiple times under the one-hundred-pound weight (Crossbeam) of the cross.

The beating from the Roman's whip left **MY BODY shredded,** with copious blood loss, and **MY**

NO OTHER gods!!!

PHYSICAL STAMINA depleted! Nevertheless, **MY PHYSICAL STRUCTURE** still housed **THE ALMIGHTY GOD.**

In this mingled state of **immense weakness** and **unlimited strength**—I exemplified to all the ability, even the necessity to **HUMBLE MYSELF** and **accept Human contribution** to complete **MY Trek to Golgotha's Hill.** In illustrating this indispensable truth, I was conveying to you that you must be willing to humble yourself and accept **GOD-GIVEN Assistance** from others.

If I can perform this act of humility, as **THE ALL-POWERFUL GOD (OMNIPOTENT)**, then how dare you, as a mere mortal, cling to this god of pride, and refuse **MY GIFT OF HELP** that I **Send you!** **MY Little One**, do not **rob ME** of the **joy and pleasure** of being able to **take care** of you and **provide for you!**

I SINCERELY LOVE you!!!

NO OTHER gods!!!

Let's not be separated by this god of pride. The choice is now yours, for I have already made **MY DECISION**.

What have you decided?

There is no question this god of pride contorts proper or **GODLY Understandings** to those who will bow their will to it.

For these corrupt mindsets to be formulated and instituted, one must decide to believe and practice these wicked concepts this devastating deity delivers. In so doing, you blatantly deny and refute **WHO**, or what **I AM** conveying as **THE TRUTH!** Remember, **THE TRUTH** is much more than undeniable facts or universal laws.

TRUTH IS THE ULTIMATE BEING!

I AM THE TRUTH!!!

ALL TRUTH proceeds from ME!

Therefore, the god of pride knows that when you push away **THE TRUTH** and blindly or willingly embrace its debauched logic or reasonings—you

NO OTHER gods!!!

are—in fact, **separating** or placing **distance** between you and **ME**. The more you avail your focus or attention to the messages being preached by this pompous spirit:

- The further you become **disconnected** from **ME**.
- The more you **develop the opposite** to **MY MIND** and **MY NATURE**.
- These things lead to the increase of you **opposing ME!**
- Your way of rationalizing, speaking, and acting **demonstrates hostilities** towards **ME!**

Of course, this sets you up to become **MY Opponent!** If you are not in **agreement with ME**, then you are **challenging ME!** You may be performing this presumptuously, ignorantly, or willfully. Nevertheless, all these positions place you on the **opposite side** of **ME**. This is **ALWAYS** an extremely dangerous, unwise, and faulty area. For this reason:

NO OTHER gods!!!

I implore you to stay close to ME by spending quality (Focused) and quantity (A large amount) of time with ME.

Agreement between us is mandatory!

One accord will transpire when you demonstrate that you have **learned MY MIND**, or **THE MIND OF CHRIST (MY THOUGHTS, FEELINGS, and PURPOSES of MY HEART)** by manifesting them in your character, and successfully operating them in your practical, daily life.

For us to effectively walk together through your life and through eternity, you must intentionally **invest** yourself into **ME!** In order to learn **MY MIND**, you are required to read, investigate, and consistently practice **MY WORD**, during your everyday living; then, through the **process of time**, we will **joyfully enter into oneness.**

Prayer (Listening and talking with **ME**, conversation) is also a mandatory component that enables **MY WORD** to be **made alive** and **active** in and through you. These **HOLY CONVERSATIONS**

NO OTHER gods!!!

between us will **empower you**, by **MY SPIRIT**, to enter into and maintain **Our Unity!**

I need your prime objective to be the same as MINE.

— It is the god of pride’s goal to frustrate, nullify, and destroy this destiny that I have set for you —

With this being said, now let’s examine another aspect of pride, elitism or a superiority complex. I have already explicitly explained how prejudice embodies this arrogant other-world being. Yet, this haughtiness goes far beyond deeming yourself of higher value because someone’s melanin, biological attributes, and cultures are different than yours. Indeed, this pompous deity’s nasty, defiled, and contaminated reach includes **religious pride**—

This is the belief of superiority that produces the mindset of I know and obey **GOD’S WORD better** than you.

Yes, you definitely know what is coming next. This means, “i am superior to you.”

NO OTHER gods!!!

By far ...

Religious pride **is the most dangerous and destructive member of the pride family!**

It completely convinces the ones who are serving it that not only are they righteous, but their righteousness supersedes anyone else, who doesn't believe and practice the Scriptures as they do.

In turn, this entitles them to degrade, humiliate, and look down upon these wretched, unworthy souls that don't possess their revelations, understandings, and **practices** of **MY HOLY WRIT**. The degradation process can include name-calling, declaring the **immediate threat** of **MY JUDGMENT** down upon others, and damming people to hell.

Religious pride grants its worshippers the right to be unmannerly, emotionally cutting, and completely destructive to other's self-esteem and self-worth. They perform these cruel, cold, and harsh acts—while **invoking MY NAME**. Proclaiming they are exclusive representatives of **ME**, they will

NO OTHER gods!!!

oftentimes declare their church is the sole one that is preaching the truth.

Yes, their assembly is the only one truly saved.

It is many times the case that they speak **THE TRUTH OF MY WORD**. Nevertheless, these prideful children are so bound to the **enforcing** of **MY LAWS** that they perform these tasks, without the **leading** and **control** of **MY HOLY SPIRIT**.

MY SPIRIT OF HOLINESS gives life and **GODLY DIRECTION** in the utilization of **MY HOLY WORD!**

Without the active participation of MY HOLY GHOST, MY HOLY BIBLE becomes a weapon used for mass destruction rather than the giver of eternal life!

These pious people trumpet **MY WORD** without the **GODLY INFLUENCE** of **MY SPIRIT OF HOLINESS** that imparts **MY HOLY WISDOM** and **MY HOLY LOVE!**

NO OTHER gods!!!

Needless to say, the god of religious pride has persuaded its worshippers that they are performing a sacred, righteous mission **for ME**. They hold the **TRUTH of MY WORD in unrighteousness**, by conveying **MY Meanings** with a haughty, know-it-all, demeaning, and unteachable spirit.

Those with this religious pride are high on expectations and demands but extremely low on MY GRACE and MY MERCY.

Yes,

These legal extremists are out of GODLY Balance, and they are not found with GODLY Alignment.

They carry the smug attitude that their religious affiliates solely hold the corner on the proper interpretations and applications of **MY SCRIPTURES**. Sadly, these fuel further justification of their preeminence.

Even when they **properly decipher MY HOLY WORD**, it is often **applied incorrectly** to themselves and others because it is not being executed with

NO OTHER gods!!!

complete dependence upon **MY SPIRIT**. **MY LAWS** are used, by these pompous people, as whips to inflict tremendous pain and trauma, rather than the **healing instructions, comfort, and joy of MY SALVATION**.

MY JUDGMENT rather than **MY LOVE** is their chief tool to demand and motivate people to strictly obey **MY COMMANDMENTS**.

In their regime, a love relationship between us is not the **real catalyst** for **pleasing ME**. The continual reinforcement of **MY DIVINE PUNISHMENT**—causing a paralyzing and tormenting fear—is the true reason for obeying **ME**. In other words, the fear of **GOD's JUDGMENT** is **my incentive** to do what is right! These are the heavy indoctrinations that they spread to others **regarding ME**. If you do not conform to their understanding of **MY SCRIPTURES**, then, you will be horribly punished by **ME**, without exception.

Oooh—MY wayward Children!

NO OTHER gods!!!

How I genuinely **LOVE you! MY LOVE** and **MY CARE for you** are in spite of your **obvious blindness** that has come to you, from the worship of the god of religious pride.

Indeed! You are extremely stubborn and refuse to amend your ways! In fact, the sad and hurtful thing to **MY HEART** is that many of you found in this religious pride will not see **THE GENUINE TRUTH through MY EYES**, until **we meet at MY JUDGMENT SEAT**. Of course, at this point, it will be too late for you to make any alterations.

Indeed:

Whatever spiritual condition you die in, you will remain in for eternity!

For this reason, **I Plead and Beg** with you to **stop serving** this unholy deity, turn from this god of religious pride, and enter into **MY DIVINE PURPOSE** of a **love relationship** between us!

Ooooh MY child, you have wounded ME so deeply!

NO OTHER gods!!!

You have done such untold collateral damages to **MY Children** and the operations of **MY KINGDOM!**

Many of MY Little Ones have screamed out in pain unto ME, from the deep hurts and wounds that you have inflicted on them.

Know this—

I will avenge those who are **the Apple of MY EYE**, unless you repent! —

While pointing out to others the **violations** of **MY ORDINANCES**, you are guilty of a major offense **against ME**. You have become a controlling tyrant and a dictator to **MY Children**. This means you are arrogant and overbearing! You have traveled far beyond the parameters and boundaries I have set for **MY** loving and caring Leaders.

How could you ever believe that these detrimental actions that have resulted in such catastrophes, at any time, could be **MY WILL?**

NO OTHER gods!!!

It's never MY WILL to propagate the spirit of fear, particularly, the fear of failure and the fear of punishment.

Instead:

MY PURPOSE is to increase THE FEAR OF THE LORD.

Although **THE FEAR OF THE LORD** contains terror, its primary content is a **reverential, worshipful awe** and **respect** of ME.

It conveys that i love you so much LORD that I do not want or desire to hurt or offend YOU!

The reverential, worshipful **FEAR OF THE LORD** causes **MY Lovers** to accept, believe, and practice that **MY PURPOSE** and **MY PLAN** are **more important** than **their pains** or **their pleasures!**

If it means that it will bring them pain or cost them pleasure, they still adhere to **THE TRUTH** that **MY PURPOSE** and **MY PLAN** are of greater significance, than **their pains** or **their pleasures!**

NO OTHER gods!!!

MY Lovers stand stalwart against their carnal reasonings and carnal feelings, refusing to be led, influenced, or controlled by them!

Their aims and their pleasures are to please or satisfy THE ONE WHO LOVED them enough, to SAVE them from themselves!

THE FEAR OF THE LORD is the antidote to every member of the family of pride because it intensely hates these pompous spirits and moves to eradicate or dethrone them!

**Joyfully embrace THE FEAR OF THE LORD,
MY Children!**

**Joyfully embrace THE FEAR OF THE LORD,
MY Lovers!**

NO OTHER gods!!!

CHAPTER 8: THE GRANDDADDY OF ALL fears!!!

Once Adam and Eve willingly surrendered their **GOD-GIVEN thrones** to satan, they gave him their **rightful place of authority and power**, as the god of this world. The devil, in turn, unlocked the entrance to the supernatural world of the demonic.

This act immediately ushered in various evil spirits into the Earth's realm. Every one of them had an insatiable appetite to be worshipped and to have thrones over established territories. These other-world entities intensely sought to subjugate Humanity, causing them to carry out their depraved longings. They needed slaves to conduct their sick, twisted purposes, and plans.

— I and these depraved psychos require bodies to execute our wills in the Earth —

The Human race is the sole creature **equipped** on this sphere, **by ME**, to **effectively function** and live **simultaneously** in the **Supernatural** and natural world. Mankind's spirits **intimately connect** them with the **Spiritual** universe, while their bodies

NO OTHER gods!!!

bond them to this Terra Firma. For example, if you are in space, then you must have a space suit. If you are in the ocean, then you need scuba gear. These unique types of apparatuses enable you to survive and properly operate in these different atmospheres. In like manner, your spirit is your **ensemble** for the **Supernatural** world and your body is your **wardrobe** for the natural world.

Each one of these **specialized suits equips** you to **excellently live** and **maneuver** in these exclusive environments.

I've unapologetically formulated it to be this way.

As a result, every **spiritual force** must have **access** to a **physical frame** to **proclaim their message** and **execute their methods** in the Earth. If you are sincerely living your life to **please ME**, then, I may only **work through you**, while you possess your body. Once you lay down your physical frame, your spirit enters and **remains permanently** in the Supernatural universe.

NO OTHER gods!!!

At this point, I must have another body now to **execute MY ENDEAVERS** in this planet. For this reason, I reach through your **worshipful self** to **recruit** and **convert others** to **MY JOYFUL, LOVING SALVATION!** I will also use you to grasp for the next generation, so that, **I Remain ALIVE** and **Functioning** in this world.

These principles the enemy of your soul understands and utilizes quite well. This is why satan and the horde of hell intensely evangelize for people to be doers of their wills.

Promising them power, money, prestige, and fame, while all along leading them to destruction.

Whether you want to acknowledge it or not, you will import either **MINE** or satan's purposes and plans. Your resolve, loyalty, and love are either **towards ME** or satan and his dutiful, evil spirits.

It always comes back to the two trees in the midst of the Garden of Eden.

NO OTHER gods!!!

You must compose the consistent decision of which tree you are willing to partake in, assimilate, and multiply.

Because you were designed by **ME** to worship, then homage is what you are obliged to fulfill.

There is no choice concerning whether to worship or not to worship.

Instead, it all comes down to whom you will grant your devotion and love towards.

You will worship someone or something!

You will award either **ME** or the devil, as **THE FATHER** or a father of your spirit, soul, and body.

Whomever you pick and remain loyal to is the one whose image and likeness you will adorn for now and eternity.

Consequently, choose considerately!

I repeat this truth to you. I, as THE LOVING GOD, don't send you to hell! You commission yourself to hell, in accordance with whom or

NO OTHER gods!!!

**what you have consistently chosen to worship
and to obey!**

As **THE LOVING GOD, I LOVE** you enough to **give you**, your steadfast decisions! If **I AM NOT THE ONE WHOM** you **joyfully embrace**, then **I Will Release you** to satan, who is your obvious selection.

Remember, there are only two options!

When you reject **ME**, you have automatically chosen to worship the evil one.

I did not create hell for you!

This eternal place of torment was formulated for the devil and his demonic angels. It was constructed for the everlasting punishment of satan, who sought to overthrow **ME** and take **MY PLACE**, as the **ONE TRUE GOD**; included are the deranged angels, who supported satan in his anarchy. They have no choice but to abide in this dark, gloomy, and loveless abode.

NO OTHER gods!!!

I didn't create these creatures to have the right to exercise free will and to make decisions of their own accord. This is the reason why I have never, and never will offer them the gifts of repentance and forgiveness.

They will never be reinstated into **MY KINGDOM, NEVER!**

When you attach yourself (Through your consistent, obedient worship) to these demonic deities, you have resolved yourself to live with them forever in their eternal home, hell!

In conclusion, I do not send you to this fiery place of torture, but **you send yourself there**, through your **persistent and steady choices**, by **dismissing ME** and **embracing** the will of satan.

Stop blaming ME for what you have willingly decided!

As if, **I AM** the villain because I consented to permit you to have, whom you've consistently chosen. Yes, your **every choice** has a **consequence attached** to

NO OTHER gods!!!

it! Be mature enough to take **the responsibility** for your **selections** and **actions**.

Stop blaming ME and others for your wrong and poor judgments!

Cease from all your excuses and make the necessary alterations! Otherwise, be prepared to live with the consequences of your choices!

You do not have to go to hell!

No one can force you, against your will, to go to this everlasting nightmare of an inferno.

No, satan and his maniacal maniacs can't make you go to this eternal place of separation, from the influence and impact of **MY LOVING PRESENCE!** They don't possess this power because I never granted it to them!

It is completely and totally up to you!

Just as you can't plant corn and expect, even coerce, it to become watermelon. Nor can you look to receive **GODLY Rewards** from **sowing** ungodly actions. If you work for Burger King, is it right for you

NO OTHER gods!!!

to expect or seek to force its competitor, McDonalds, to pay you for your labor? Of course not, this would be considered to be **fraudulent** and **ludicrous behavior**.

In like manner, you can't **worship (Work for) MY** enemy and be entitled to be **eternally paid** by **ME**. **My payment** comes in the form of:

- **Living with ME.**
- Receiving perpetual, enrapturing **revelations of ME.**
- Being granted **access to ME forever!**

It is just this simple and clear. You can't live the life I gave you, your way, and not accept that you will live eternally with the devil, who enacted this maneuver first. This gives the enemy of your soul, the rightful claim to anyone who practices this damnable, heretical lifestyle—I did it my way—this theme will send you to hell!

Once you are in this fiery abode there is **no get-out-of-hell-card!**

NO OTHER gods!!!

PLEASE! PLEASE!! PLEASE!!!

Understand, this is not MY WILL for you to be eternally separated from MY LOVING, PEACEFUL, AND JOYFILLED PRESENCE!!!

You were created **by ME** to be **MY Eternal, Loving WIFE**. As you can plainly see, I treat **MY Loyal Worshippers** quite differently than satan handles his faithful adorers. In this matter, we are **diametrically opposed** to each other.

I AM your EXCEEDING, GREAT REWARD!!!

The closer I allow you to be to **ME** in eternity is the **ultimate compensation** for all your pain, difficulties, and struggles. Every one of your **needs** is **fulfilled** in **MY PRESENCE**. You shall never know **any form** of **longing** or **lacking** in any area of your eternal existence.

On the other hand, this general of evil and his maniacal ietcs will **mock you** and **increasingly inflict pain** upon **you**, based on how you **effectively served them!** You shall exist in a constant state of being deprived with no satisfaction

NO OTHER gods!!!

to ever be known! The more excruciating suffering you endure—the more satisfaction these demonic psychos will experience.

Consequently, this fact alone incites them to levy increasing levels of agony against you.

**Is this really a difficult decision to make
between which one of us you desire to be with
forever?**

ETERNITY IS TOO LONG TO BE WRONG!!!

Once your **final decision** has been made, it is **irrevocable** and **can't be altered** in any form or fashion! Like I said, there is no **get-out-of-hell-card**. In case you do not realize, these demonic deities do not desire to wait for hell to begin tormenting you. Bear in mind, these demonic, demolition crews want **revenge against ME**, for spoiling their evil plans and removing them from **MY Heavenly Abode**. Their highest form of retribution is manifested when they are able to **enslave you** and **persuade you** to **revolt against ME**. In turn, you are now **imitating them**, and this is the **highest form of worship**.

NO OTHER gods!!!

Of course, this automatically begins the process of transferring you, **from ME** being your **FATHER**, to the premier demon you are worshipping, now becoming your father. At this crucial point, you are being remade into this preeminent demon's image and likeness.

— You are becoming a child of hell!!! —

You are reborn for the purpose of carrying out the will of the head devilish deity you have chosen to bow yourself towards.

Yes, this drives a dagger of spurn into MY LOVING, EMBRACING, CARING HEART!

PLEASE! Don't permit yourself to be used as a pawn in these satanic hands to exact vengeance towards ME!!!

If you consent to being the enemy's puppet, ordered to **bring sorrow** to **MY HEART**, then you also agree to set yourself up to be **MY opponent**. This is **HURTFUL to ME** but **lethal for you!**

NO OTHER gods!!!

There has been a formidable foe that **effectively employed** many of the Human Race **against ME**, for the reason of **retaliation**. Yes, this spirit has productively moved various members of Mankind to **oppose** and to be **contrary towards ME**. This devastating deity is a heavy hitter against Humanity! It has terrorized and paralyzed people, since Adam's and Eve's betrayal in the **Garden of Eden**. This other-world entity has effectively ensnared and enslaved Mankind, repeatedly tormenting and abusing those who succumb to its will. It is the granddaddy (Root) of all fears in the Earth, for it was the first one to enter.

It is the fear of death!

Recall to mind, I told the first Man that in the day he ate from the tree of knowledge of good and evil he would surely die! Once they partook of this forbidden fruit, the spirit of the fear of death came raging in like a **tsunami** engulfing their entire beings. They were incorruptible but now their immortality had been **consensually released** from

NO OTHER gods!!!

their grasp, and they became subject to pains and sufferings.

This was never MY INTENTION or MY DESIRE, but this was strictly their choice that brought about these abhorrent results!

Death being the apex predator of Mankind, caused an immobilizing and imprisoning fear to permeate into every area of its prey's lives.

Consequently:

Making the fear of death the granddaddy and root of all fears that would pursue and plague Humanity their entire earthly existence!

A spawn of the fear of death is the fear of failure.

The prevalent fear of failure is simply you believing, accepting, and practicing that your success is going to die within your relationships and your situations.

After all, failure is the death of success!

NO OTHER gods!!!

Therefore, why even try? Instead, sabotage yourself, so that others will not expect or look for greatness from you.

The outcome of this corrupt way of thinking and acting is you are seen as unreliable and not trustworthy. Without the key elements of **trust** and **faithfulness**, it is not possible to build **healthy** or **enduring relationships**. This includes jobs, friendships, potential, and existing spouses because you are often disappointing them and breaking their hearts! They can't consistently count on you, consequently, there is nothing to construct to establish the rapport on!

This phobia can also swing you to the opposite extreme. It can **drive** you to **work yourself** beyond human limits, to prove to yourself and to others that you are not a failure.

— **The fear of failure is often the motivating factor behind those who are workaholics** —

NO OTHER gods!!!

This god, like a slave master, seeks to force you **out of Godly Balance** into the **arena of the outrageous**.

It warps your understandings on what are the greatest achievements of life.

Having you to passionately pursue street or institutional educations; for the purpose of material gains that are meant to lead you to prestige, and a high level of respect with your posse or associates.

All this at the expense of your relationship with ME!

You become so engulfed with this deity's concept of success that you give very little or cease from placing **your energy** into **knowing ME**, becoming **like ME**, and **pleasing ME**.

In other words ...

You do not value THE TRUE GOD that intensely LOVES you, as one who is worth your time and your effort.

NO OTHER gods!!!

Instead, it is extremely significant to you to have money, fine clothing, expensive cars, extravagant houses, and a high-ranking position amongst your peers. Your blood, sweat, and tears are **exclusively for the betterment of your natural life**, without any regard for your Spiritual life. You are a fool!!! Throw all you have naturally accomplished, everything you possess, and the great esteem of your posse or peers, **against the backdrop of eternity**.

What does it mean?

Do you really contain joy, peace, and contentment? What does it profit you to gain the whole world and lose your soul in the process?

Sadly, you are also willing to lose your true friends, spouses, and your children, to satisfy this **internal compulsion** to be viewed as a winner and not a loser.

All you have actually achieved is to place eternal, gasoline clothing on yourself that will further fuel the burning that you will boundlessly

NO OTHER gods!!!

experience in the consuming, agonizing fires of hell.

Separated from ME forever, while being ridiculed by the premier demon you were obeying and worshipping, dwelling in a bottomless misery and a tangible loneliness.

Oh, MY Son and MY Daughter make better choices, PLEASE!

Don't do this to our forever storybook Love Affair!

Count ME as THE ULTIMATE TREASURE that is worth investing all of yourself to intensely seek after, find, and cling to no matter what the cost!

When you consider ME important enough to justify the sacrifices or the prices to obtain and intimately know ME, then, you will command yourself to worship and obey ME with joy.

This question stands unapologetically before you.

NO OTHER gods!!!

Do you regard ME as THE ESSENTIAL HIGHEST BOUNTY of your life that validates all the pain and all the suffering, you have known?

AM I WORTH:

The hardships, the cruelties, and the numerous things you hate, do not prefer, or understand?

Is there someone or something, you value more or esteem higher than ME?

— Only you possess the GOD-GIVEN Authority and Power to answer these questions for yourself —

Remember—

When you finally resolve that possessing ME is THE MOST SIGNIFICANT ACHIEVEMENT and GREATEST TREASURE in your existence, it will manifest itself in the form of joyful, willing obedience.

You will work:

- **Intentionally (Focused effort)**

NO OTHER gods!!!

- Excellently, (Performing everything **MY WAY**)
- Constantly (Fighting perpetually)!

Your determined purposes are:

1)To intimately know ME.

2)To be like ME in the deepest areas of your character or nature.

3)To please ME in all your ways.

4)To make THE TRUTH of WHO I AM and what I can perform intimately known to others!

I must now discuss those of **MY Children** who are motivated to **work for ME** because of this god of the fear of failure. I have too many ministers and Saints who intensely seek to gain self-worth, validation, and acceptance through ministry. They passionately seek to prove to themselves and others that they are not a failure. They diligently perform multitudes of good works to accomplish their mission.

Consequently:

NO OTHER gods!!!

They will fiercely labor for ME but will not passionately and perpetually exert themselves to intimately know ME!

Simply put:

They pursue MY HAND (MY AUTHORITY and POWER), and not MY FACE (MY MIND and MY INTIMATE PRESENCE)!

MY Children operate on the premises of **pleasing ME**, based on the instructions of this devastating deity. This god of the fear of failure drives **MY Loved Ones** to **pursue MY HAND**: for souls being saved, mass revivals, messages preached, finances, and miracles—the purpose of all these **HOLY Activities**—is to convince themselves, to persuade people that **I AM** with them, and **I AM** Extremely Pleased with who they are, what they can produce, and what they have obtained. This, in turn, is meant to cement their acceptance amongst great individuals, thereby, earning them phenomenal recognition and massive respect.

NO OTHER gods!!!

Of course, the danger is you can receive and activate **MY HAND** through the use of **GODLY PRINCIPLES**, such as the **anatomy of faith**. Yet, you are moving more in the capacity of being **MY Maid** or **MY Servant** and not in the position of being **MY WIFE** and **MY LOVER!** Once again, you are toiling or putting forth great effort to **work for ME**. Yet, you are not giving such **intense strength** to **Know MY MIND (MY MESSAGES and MY METHODS)** and **MY INTIMATE PRESENCE (THE INTRICATE MANIFESTATIONS or MOVINGS of MY HOLY SPIRIT)!**

Repent (Change your way of thinking to align with MINE, change the way you're feeling to embrace MY FEELINGS, change your mental position on this subject, and change your direction from walking with this god of the fear of failure to now being intimately joined to ME)!

Remember!

I LOVE you so DEARLY!!!

NO OTHER gods!!!

Please, do not assume **what pleases ME**, but **consistently inquire** from **MY HEART'S DESIRES**. I will make it **crystal clear** to you if you will take the time, effort, and patience to **ask ME**.

Thank you, MY Child!

If you perform **MY REQUEST** of you, it will mean so much to **ME** and to the **success** of our **intimate relationship!**

— I beg of you not to permit this generational god of the fear of failure to win and separate us now and forever —

Yes, the god of the fear of failure is oftentimes a generational god! This means that it can be found effectively enslaving your forefathers (Grandparents, great grandparents, and great, great grandparents, etc.) It comes down to you, through one or both of your parents.

In turn, you can find yourself trying to win the attention and approval of your father and your mother or just being **hyper-focused** on one or the other. In your quest to gain the **coveted prize of**

NO OTHER gods!!!

acceptance. The god of the fear of failure will entangle you to worship. You are willing to do whatever your parents' desire, to receive their confirmation of your initial and continual existence.

In other words, you perpetually and eagerly look towards them for confirmation and reassurance that your birth was not a mistake and there is purpose for your presence. This hunger can particularly become heightened within you when you realize one or more of your siblings, extended family, or friends are receiving what you feel you need the most.

You find yourself becoming addicted to approval!

It's like a fix or drug you must have to feel good about yourself and to feel good about your life. This hellish, cruel deity moves to further imprison you, by convincing you that no matter how hard you try: it's never enough and it's never good enough!

Like:

A hamster running furiously in a squeaky wheel but not even advancing one centimeter.

NO OTHER gods!!!

With unbridled passion, you fight to execute numerous deeds and to measure up to the standard or quality required to please your master.

It's an unending, vicious cycle!

This merciless taskmaster is oftentimes transferred to other significant persons in your life such as your peers, pastor, boss, or lover.

Ultimately, this overwhelming need to please was designed for ME!

Although, this **fierce hunger for approval** was **constructed by ME to connect us together** in a **present love affair** and a **forever intimate relationship**, the enemy of your soul strives to **redirect it** and **control** this **GOD-GIVEN GIFT!** Turning this amazing, gracious endowment that I have placed within you, into a hellish nightmare of anxieties, disappointments, disapprovals, rejections, and broken hearts.

The true purpose of this beautiful bestowal is:

NO OTHER gods!!!

To be your motive towards always intensely desiring and fiercely fighting to please ME, no matter what the cost!

MY GRACE-GIVEN-APPROVAL is your compensation, for every sacrifice you have made and every price you have paid.

Notice, **MY ACCEPTANCE** of you comes from **MY GRACE** not from **your labors**. This means, **MY SANCTIONING** of you is the result of **MY Finished Work on The Cross**. Therefore, you receive this by your faith, in **WHO I AM** and in what I have done for you.

You could never earn MY OPEN ARMS OF ACCEPTANCE!

Because of this, you are set free from the **influence** and **control** of the god of the fear of failure, who seeks to place guilt, shame, and condemnation upon you: resulting in you not being able to receive **MY GODLY JOY, PEACE, FAVOR, and LOVE**.

THIS NIGHTMARE IS OVER!!!

NO OTHER gods!!!

The same way I receive **MYSELF** is the same way **I will** now **receive you**. If you will, **through total dependence** (Faith) upon **ME**, **accept MY RIGHTEOUSNESS** (The power to think right, to speak right, and to act in **GODLY WAYS**). Of course, this doesn't mean that you now possess a license to do what you want to do.

On the contrary, it means your **greatest joy** and **fulfillment** is to **please ME**, through the **keeping of MY COMMANDMENTS**. When you embrace **MY GIFT OF RIGHTEOUSNESS**, you will cease trying to diligently work to **earn MY FAVOR** and **MY LOVE**. You now accept, believe, and practice **MY GRACIOUS IMPARTATION** as **your reality**.

You move from the standpoint of acceptance into the fulfillment of MY WILL.

You stop fighting to possess what you already have!

Thereby, you are confident in MY UNCONDITIONAL LOVE!

NO OTHER gods!!!

You refuse any guilt, shame, and condemnation from this god of the fear of failure. You will not allow yourself to be intimidated and terrorized by this demented deity. You are established in the unwavering truth that you **possess MY ACCEPTANCE** and **MY FAVOR** because of **MY FINISHED WORK**.

Therefore, you **joyfully** and **swiftly move** to **show your gratitude** and love by thinking, perceiving, talking, and acting just **like ME**.

I AM your HERO, WHOM you strive to imitate!!!

Yes, this makes you a **true worshipper** of **THE ONE TRUE GOD!**

— Is it crystal clear to you that the granddaddy and root of this slave-driving fear is the god of gods, the fear of death? —

The god of the fear of death, additionally, is the source of another dominating fear. The fear of tight or constricted places, which causes you to feel like, you can't breathe properly or at all. The airways in your body seem to constrict and your breathing

NO OTHER gods!!!

rhythm becomes erratic. It is a cruel attack upon your spirit, mind, emotions, and body. Giving you the sense of being in deep danger, when it oftentimes doesn't exist.

This spirit can cause you to act crazy and irrational. Yet, in your brain, it is all necessary in order for you to survive. Throwing your mind into a place of terror, confusion, and your cognizant abilities into a state of being paralyzed. These spiritual, mental, emotional, and physical ambushes can happen when this god convinces you that people are standing too close to you and monopolizing your scarce and valuable air.

There comes this crashing, tidal wave of reality down upon you that the walls or heated bodies are closing in, even rapidly descending on you. Some of your solutions are to breathe into a paper bag or quickly run away and escape this real, pressing crisis. The plan in your mind is to secure your own private air supply. Hence, the breathing into a paper bag or the mad bolting into another place, particularly a secluded area.

NO OTHER gods!!!

These emotions are so vivid and tangible to you that your response can be a knee-jerk reaction. You simply perform it without being cognizant of what you have done. Your action doesn't register with you, until it is already completed, and your mind starts to calm down.

Although, you may clearly understand that your activity, without a shadow of a doubt, was over the top—in your mind—it is justified because you had to do it, to get through this trauma. The fear of tight places is the reason behind your panic attacks and your hyperventilations.

It absolutely has you imprisoned, while being your cruel, uncaring, and tormenting correction officer!

**The warden of this agonizing, mental facility
is the fear of death!**

I'll explain the deeper truth of this in a moment.

This demonic deity has you so enslaved, until it robs you of precious opportunities and precious memories. It will keep you from flying in planes.

NO OTHER gods!!!

Causing you not to experience the planet, I have **Created** for you to **enjoy**. Furthermore, individuals or communities you should become connected to may never happen because of the interference of this member of the demonic demolition crew. Hence, the blessings you should be receiving from others and giving to others don't transpire.

This lack of established communication oftentimes leads to loneliness and different types of depression.

Ooooh, what needless pains you bear, all because you do not carry, everything to ME in prayer!

You must consistently standfast against this fear of constricted places. Refusing to bow your will to it and the culprit fear behind it!

The fear of death **is the true administrator of all this torture.**

Why do you have an issue with confined spaces, including crowds? It is because you feel like, you

NO OTHER gods!!!

can't breathe. What is the problem with not being able to breathe? You will die, of course!

Do you understand that the fear of death is the granddaddy and root cause of the fear of constricted areas?

Nevertheless, you don't have to be ruled by these dominating spirits, because **I LOVE you so much!** I have made all the necessary provisions for you to overcome these devastating deities. These spirits of fear can be explained through their acronym, f.e.a.r equals:

- F = false or frightening
- E = evidence
- A = appearing
- R = real

The enemy of your soul tortures you, by persuading you to believe horrific things.

Once you embrace these frightful things as real, then they become your reality.

NO OTHER gods!!!

You live and relive them over and over again, as they increasingly morph into deeper spiritual, mental, emotional, and physical torment.

These demonic entities particularly seek to convey to you that **I don't LOVE and CARE about you.** They strive to convince you that you are alone, hopeless, helpless, and forsaken.

All of your bloodcurdling experiences are these evil spirits expressing to you, an exceedingly, minute sample of their plans to eternally torture you!

I permit these foretastes to enable you to make quality decisions concerning “who with” and “where at” you want to spend your everlasting life.

My Child, you will not be able to say to ME that you had no vague ideas or understandings of what it would be like to live forever with satan and his evil henchmen.

You will have tasted or experienced these demonic foretaste numerous times.

NO OTHER gods!!!

Of course, you know that satan is a deceiver. As a result of this **UNDENIABLE TRUTH**, you should expect this master manipulator will also attempt to glorify and beautify who he is and how awesome it would be to live with him forever.

Yes, the enemy of your soul will paint an exquisite picture of the fantasy of your fleshly desires—he will lie to your face telling you how you will rule with him boundlessly.

Your every whimsical craving is lavishly satisfied, and all of your enemies shall be crushed under the soles of your feet.

How would he be privy to such information?
Remember,

satan is the father of the mind of the flesh, even
the carnal nature.

Therefore, these ungodly ambitions that fill your head come from the wicked one.

NO OTHER gods!!!

Don't believe his presented fluff with no stuff! It's a false narrative setting you up for an everlasting nightmare.

There is no "happily ever" after with the prince of darkness!

Now that these understandings are crystal clear. Let's move on to the next type of oppressing fear.

This particular god of fear found its entrance into this world after Cain killed Abel. Brother slays brother, and it's the first murder in the Earth. As **THE JUDGE OF THE UNIVERSE, I Sentenced** Cain to wander from place to place, without being able to find a true home, a vagabond.

Cain is the first homeless individual.

There is a **powerful pain** found in "Not belonging" because I have designed you to be social, to have a strong desire to be accepted, and to crave deep connections with your **CREATOR** and Humanity.

The true nature of this murderer's punishment is that he would not be able to

NO OTHER gods!!!

secure proper or GODLY relations with MYSELF and others.

Home can also be seen as a metaphor for the heart! Cain couldn't practice profound **GODLY Attachments**, with **THE GOD OF ALL FLESH** and the members of the Human Race.

He would be a spiritual, emotional, and physical vagabond.

The ability that I have granted you to perform and experience these **deep connections** is **home**. It's the region found in the depth of the heart.

Cain's response to **MY JUDICIAL JUDGMENT** was to be afraid that whomever he encountered, would want to kill him. This **first-degree murderer** of **MY IMAGE** declared his punishment was more than he could handle.

Can you imagine that?

Nevertheless—

MY NATURE is GRACIOUS, MERCIFUL, and KIND, along with RIGHTEOUS!!!

NO OTHER gods!!!

I Placed a mark on Cain and declared that anyone who brought retribution on him. They would receive a seven-fold punishment.

Here is something for you to consider. Could the mark I gave to Cain be giantism? Hmm? After all, people would think twice before taking on a giant. It's just a thought—Smile! **Many things** will not be **clearly known**, until you **see ME FACE-to-face!**

Now, were you able to distinguish the fears that made its appearance, after I passed **MY DECREE** upon Cain? Remember his reply ensuing **MY VERDICT**? This Manslayer was afraid that individuals, who came across his path, would seek to kill him.

Do you recognize them yet?

I will now reveal one of these fears and deal with the premier one later. Yes, this is the god of the fear of man. This spirit seeks to intimidate you and make you **see yourself** as **inferior** to a particular person or group. It can accomplish this mission through the declaring and enacting of inflicted injuries. The

NO OTHER gods!!!

imposing damage can be verbal assaults and bodily harm to yourself, to your family, and to your loved ones.

Indeed, bullies, including cyberbullies (Those who harass, intimidate, and heavily criticize you from behind some kind of screen, like a computer) are all a part of these antagonistic posses. Their purposes are coercion to their agenda through some form of violence that causes fear. These predators' plans can range from wanting your valuables (Money, shoes, cars, and homes) to shaming you into suicide (Convincing and pressuring you through methods like ridiculing) and everything else in between.

There are notorious leagues where these kinds of action flow freely. Various gangs are known for their scare tactics that incite people to conform to what their demands are or leave and get out of the gang's territory. Many feel helpless, petrified, and overwhelmed!

“What am I to do?” — becomes their piercing and repetitious internal and/or external cry!

NO OTHER gods!!!

They absolutely fear for their mental and emotional well-beings, along with their lives. No wonder these people feel completely hemmed in and victimized!

Sadly, these kinds of delinquent activities reflect and materialize satan's widespread plan to spread anxieties, insecurities; and excessive spiritual, mental, emotional, and physical torments.

This tyrant spirit moves to compel those who possess MY IMAGE, to be either in the role of the jailer or the prisoner.

Meaning, they are the ones imprisoning people by intimidation or they are the ones being held captive by their captor's tormenting tactics.

Yes, it's brother-against-brother all over again. It goes right back to Cain and Abel. Many of **MY Little Ones**, in school, undergo these practices of bullying. Yes, it even happens at work from bosses and co-workers. Sad to say, these intimidators are in **MY House (Church)** harassing and sexually **exploiting MY Children**.

NO OTHER gods!!!

Ooooh! How MY Creation has become divided and corrupted from MY ORIGINAL PLAN!

This has all happened because of the worship of these demonic deities.

Remember:

The highest form of worship is imitation.

When homage ensued towards these demented demons, then **all of MY Creation** took on their evil, perverted characteristics of hatred, confusion, fear, disorder, and being contrary one towards another.

THE HOLY HARMONY I had instituted into **MY Architectural Design** of the universe was a **true reflection of MYSELF.**

Everything worked together to maintain and propel the delicate and intricate balance of life.

Since the worship of these psychotic spirits, **MY Formation** of the natural universe has been **polluted and contaminated** from **MY Original Design.** Now existing inside the inner workings of this beautifully, calibrated material world, a monkey

NO OTHER gods!!!

wrench was placed, by satan and his evil hordes of hell, that interfered with “**The Go and Flow**” of **MY Natural Arrangements**. I started (Go) **MY Creation** in a particular direction and it continued (Flow) according to **MY DIVINE PLAN** and **DIVINE PURPOSE**.

This satanic interference caused planets that were forged to cultivate varieties of life to become hostile and destructive towards the conditions that would bring forth and properly sustain existence.

Classes or distinctions of predators and prey were established—all contrary—to **MY HEART’S DESIRE** and **MY ORIGINAL INTENT**.

You do realize that hunting, in any form, didn’t exist in the **Garden of Eden**? Neither man nor beast pursued each other for sport or food. Instead, they all ate of the greenery that I had so graciously provided. They supported each other, in the continuance of their **GOD-GIVEN existence**.

NO OTHER gods!!!

Because of this new, demoted, and perverted operation of the physical world, the nature of the hunter and the hunted emerged. As you can clearly see, this explains how the bully and the one who is being bullied began. Indeed, with these hostile interactions, the fear of man and the fear of faces erupted and flowed like a tsunami engulfing and **submerging MY Children.**

There is an appropriate key point, I need to bring forth and clarify.

— The god of fear and the god of pride, oftentimes work **exceedingly close** with each other.

—

— This wicked entity of fear specializes in causing you to be self-centered, which is a form of pride. —

The illustration I choose to use to indelibly place this mark onto your conscience is found in two words.

The first word is pride, and the second word is sin. What is the middle letter of the antecedent word? Yes, it is the letter “i”. What is the middle letter of the last word? Correct, it is again the letter “i”.

NO OTHER gods!!!

Therefore:

**When it is all about “i” or being self-centered
that is pride and that is sin!**

Do you recall MY DEFINITION of pride?

It is the exalting of your will against MY WILL!

The scope of its influence and control ranges from an embraced attitude of supremacy and deeming yourself better than others. This perception, generally, results into a spirit of entitlement. Of course, this is a form of pride too.

**The other extreme of pride’s spectrum is low
self-esteem.**

I AM your UNDENIABLE MAKER!!!

As a result of this fact—

**I and I ALONE AM THE ONLY ONE WHO is
AUTHORIZED and QUALIFIED to proclaim and
settle your genuine worth! Trust in what I SAY!!!**

Remember, **TRUTH** is more than just undeniable stats, figures, and principles—

NO OTHER gods!!!

TRUTH is THE ULTIMATE BEING!!!

**I AM THE TRUTH, and everyone else in
comparison to ME is a liar!!!**

Therefore, when you exalt your will and contradict the value that I have assigned you, by either believing and declaring (Internally and/or externally) that you are more illustrious than what I have stated, this is pride!

Conversely, when you place your confidence in yourself—being worthless and your life meaningless—you perceive yourself of lower value, than **who I created you to be**. Hence, this is why it's called low self-esteem—this is pride, also! For example, a bully exercising a spirit of intimidation (Fear) will oftentimes feel superior, in some or all areas, to the one they are lording over. Of course, this nature of preeminence is pride. The individuals, who are being belittled or browbeaten can believe they are not important, **especially to ME**, and their life is a cruel joke that needs to be over, as soon as humanly possible.

NO OTHER gods!!!

Yes, this is pride too!

Indeed, they are asserting their and others' opinions contrary to **MY assessment** that **I** have **applied to them** and their lives! They're exalting their will against **MY WILL** by accepting, believing, and declaring their worth that is **opposing** to what **I** have **Stated** concerning them.

— Do you see how the god of fear and the god of pride are **tag-team partners**, in the devastating destruction of **MY Children**? —

Now that we have this settled, about these two demented deities—let's move on to the granddaddy of all fears. This is the fear of death. Again, I call it the **granddaddy** of all fears, because it is the **root** and **foundation** of every type of fear.

Do you recall, **ME** discussing with you, Cain slaying his brother, Abel? Remember, this killer of **MY IMAGE** expresses his fear that anyone who finds him, will seek to murder him? His admission to this fear shows forth the fear of man or fear of faces. Yes, we have adequately covered this subject for

NO OTHER gods!!!

now. However, there was a second fear that also made an appearance, at the moment of Cain's exclamation of being afraid of being killed that we have not yet examined.

Before we delve into this next spiritual force, it's imperative that I **State** these truths to keep you in proper alignment with **THE GOD OF THE UNIVERSE.**

— Cain hated **ME!** —

Whoever hates MY IMAGE, hates ME, for MY IMAGE represents ME!

I need to also make it crystal clear that anyone who hates or detests **another member of the Human race** is a **murderer in MY EYES.**

This is one of the key reasons:

Why I emphasize to you the significance of forgiving everyone, even as I have forgiven you!

You already know that a hater of **ME**, even a **murderer of MY IMAGE**, will not live with **ME** for **eternity.** Therefore:

NO OTHER gods!!!

Ask ME to teach you how to forgive and to forgive quickly, and also how to be emotionally healed and to be healed quickly!

Forgiveness is to release someone, including yourself, from the penalty or punishment of your or their wrongdoings.

As you desire ME to set you free from the inevitable results of your sins, you must perform this righteous deed for yourself and for others by forgiving.

You should not permit yourself to be holding a grudge or nursing an emotional wound, for any length of time! This is extremely deadly for you because it gives the enemy of your soul vast opportunities to destroy you!

Don't dwell in this vulnerable position!

If you seek MY FACE immediately, intensely, and consistently, then I will empower you to forgive and to be healed!

NO OTHER gods!!!

— There is no doubt that unforgiveness and the ungodly handling of emotional wounds are a Heaven and hell issue! —

Yes, forgiveness is a choice!

You must decide that you will not abide in this unholy place of unforgiveness.

Indeed:

Tell the devil, “I refuse to stay here with you and die! I choose to abide on THE LORD’S SIDE and live!”

— Whatever pain was imposed upon you or someone you love —

Don’t allow satan to turn this temporary, healable heartache, into an eternal torment because you would not forgive and be healed.

Now, I ask you, is determining that you have every right not to release an offense or to be healed from it worth an unending separation from

NO OTHER gods!!!

ME that results in an unfathomable, boundless anguish?

Why would you permit the suffering that was not your fault, determine where you will spend your eternal existence?

Of course, **you will now be to blame** because **you chose not to forgive and to be healed**. You mean to tell **ME** that you are **willingly deciding to hold on to unforgiveness and embrace the pain of the wound inflicted**; even though, you realize the end result of **these decisions** will cause **you and I to be divided forever — really?**

— This should be an easy and quick answer for you—of course not! —

Fight MY Child!!!

Perform whatever it takes not to allow this horrific and heinous crime to take place,

PLEASE!!!

I will now return to dealing with the spiritual force that unveiled itself in Cain's concerned statement.

NO OTHER gods!!!

This elder brother was sure that everyone he encountered would seek to take revenge for Abel's death by killing him.

Do you recognize this demon?

It's the fear of death. This is the one that I refer to as the **granddaddy** and the **root** of all fears.

The fear of death is an insatiable hungry, vicious, beastly predator! It **relentlessly stalks** and **hunts you**. Ever searching for any opening or an **ounce of vulnerability you will grant it**. Once discovered, it will move to mercilessly devour your joy, peace, and strength!

Ultimately, the fear of death **desires to consume your sanity**.

Thereby, causing it to be nearly impossible for you to conduct a **meaningful relationship with MYSELF** and **other Human Beings**. Consequently, sealing your fate of severing and separating our foreordained connection both now and forever!

NO OTHER gods!!!

This alpha pillager of the talents and the gifts that I have given to you, by **MY GRACE**, intends to bankrupt you of these priceless deposits that I have made within you. Leaving you to be poor in spirit, lacking in courage, and transforming you into a shell of who I Designed you to be!

Believe it or not:

But the fear of death is a foretaste and forerunner to something more terrifying!

CHAPTER 9: MANKIND'S ULTIMATE conqueror!!!

I AM THE SPRING OR SOURCE OF ALL LIFE!

THE TREE OF LIFE symbolizes and represents **THIS TRUTH** regarding **ME**. **The Cross I hung on** was also known as a tree because it was formed from a tree.

The Cross that I suffered and died on is your **TREE OF LIFE!** This is why I have spoken to you that if you will look towards and embrace **THE TRUTH (ME)** on **The Cross—You will Live!!!**

NO OTHER gods!!!

Remember, I was hung up for all your hang-ups, so you can be made free, from every other god and the enslavements (The governmental systems, such as generational curses) they bring to your existence!

It is true that MY Cross is “The Hinge of History!”

A door is hung and swings on its hinges. **MY SOVEREIGN LOVE** that was displayed on **The Cross, like a hinge, purchased and supports your liberty** from the powers or strongholds of all other gods!

This act is THE DEFINING MOMENT of Humanity’s History!

Thereby:

Constituting the Cross as THE HINGE OF HISTORY!!!

Furthermore, **MY Cross** is not only embodying **THE TREE OF LIFE**, but it also contains:

The tree of the knowledge of good and evil.

NO OTHER gods!!!

You may ask how could this be? Let **ME** explain **MY Child** and grant **you clarity**. This truth is extremely important for you to grasp because it will assist you in ascertaining the **magnitude of MY SOVEREIGN LOVE** that flowed to you and for you! It will also **impart the Godly Understanding** of how you should approach and **receive MY Cross!**

Remember, what I told Adam that in the day you eat of this tree, you will surely die? Do you also recall when the Man did consume the forbidden fruit that I cursed the ground, and it began to grow thorns and thistles?

I AM THE LAST ADAM WHO partook of this death-filled-tree, through MY Cross!

I tasted and took your portion of death that was assigned to you, because of Adam's and Eve's disobedience! It was passed on to you, through your bloodline.

I bore your curse and its effects.

I AM your curse-breaker!

NO OTHER gods!!!

I reversed the curse by being willing to bear **your penalties** that it brought upon you! I received the punishment for your sins, iniquities, and transgressions.

Sin means that you **missed the mark** by wandering from the path of **Godly Thinking, Godly Feelings, and Godly Actions.**

Iniquity is **lawlessness**. It's the living of your life being **ignorant of and violating MY LAWS.**

Transgression is the **going over** or the **disregarding** of **DIVINE LAWS!**

All these **offenses** are **hurtful to MY HEART** because they cause **separation between you** and **ME**. I do NOT want anyone (Other gods) nor anything (The cheap substitutes of **MYSELF** these gods offer you) between us.

— You must desire this also —

I expressed this sentiment for you by the lyrics I gave to one of the classic hymn writers. The hymnist wrote:

NO OTHER gods!!!

**“Nothing between my soul and the Savior,
So that His Blessed Face may be seen;**

Nothing preventing the least of His Favor:
Keep the way clear! Let nothing between!

Nothing between, like **worldly pleasure:**
Habits of life, though **harmless** they seem,
Must not **my heart** from **Him ever sever-**
He is my all! There is nothing between.”

**It’s a prerequisite that you choose ME as
your EXCLUSIVE, SUPERNATURAL LOVER!**

You, alone, have been granted the authority and
power to **put ME on the throne of your spirit** and
to perpetually **keep ME there.**

**I LOVE you so Dearly, and I Desire a personal
relationship with you.**

Therefore, I set out to **eradicate** these gods and the
governmental systems that they have established for
the purpose of **keeping you** and **ME disconnected**
and **eternally separated** from **each other.**

NO OTHER gods!!!

— It's imperative that you acknowledge and recognize you can't handle or defeat these enemies in your strength —

Indeed, they are immensely superior to you in every way!

Why is it mandatory that you embrace the fact of being incompetent when compared to these otherworldly entities?

This properly positions you to accept, believe, and practice that I AM your ANSWER!

It stops you from looking to yourself, as the solution, to focus on and be completely dependent upon ME.

I AM THE REMEDY that you so desperately need!!!

I came to conquer your apex predator, death.

If you **choose not to pray to ME**, then, you have decided to **become prey** to this devouring beast!

The Cross is your resolution!

NO OTHER gods!!!

Do you recall how I stated that **MY CROSS embodied THE TREE OF LIFE**, and it also **contained** the tree of the knowledge of good and evil? I will proceed to explain this statement in a deeper measure, so that, you can receive and hold tight to **THIS COMFORTING TRUTH!**

While hanging on **The Cross**, I was wearing a crown of thorns. The question needs to be asked: Why was I wearing this instrument of cruelty? Was it because the Roman soldiers decided to place it **on MY HEAD**? Yes, they performed this torturous act **to mock MY Kingship**. If these Men of war are the sole reason for **ME** having this piercing crown on, then, **I AM not SOVEREIGN!** It would mean that the Roman Empire was **in control of ME**, and **I AM** simply its victim.

On the contrary:

I AM THE ALMIGHTY GOD who rules and reigns in the affairs of Humanity!

I orchestrated this painful deed in order to **save you**. Thorns first appeared because I cursed the

NO OTHER gods!!!

ground, for Adam's betrayal. These spine, prickly pieces of wood represent the curse to the source or the material of the Human Race, the Earth.

Generational curses have their origin here, and Humanity has experienced the consistent consequences ever since.

— **Do you understand** that generational gods are the cause of generational curses? —

For this reason, curses can be dismantled but only as long as the demonic deity holds authority and power over your life. These defiant spirits will simply reinstate the same curse and make sure that it is stronger; thereby, causing the curse to be harder to break, or these evil entities will institute a new curse in another area of your life.

— The demons are **the sources**, and the generational curses are **the symptoms** —

This is why I went after these demented, demonic deities **through MY CROSS:**

— **I spoiled and disarmed** them! —

NO OTHER gods!!!

— I made an open spectacle of them! —

— I triumphed over them and completely
conquered them! —

While **executing mastery** over these fallen angels, I simultaneously turned **MY FOCUS** toward the curses that they had placed **within your life**.

Therefore:

I wore the crown of thorns because I was taking on your portion of the curse.

I came to reverse the curse and to break its stronghold upon you and your family's lineage.

The question must now be asked, why weren't these thorns placed **somewhere else** on **MY BODY**, such as **MY ANKLE, THIGH, OR NECK?**

— These prickly tormenters were **strategically set** on **MY CRANIUM** to symbolize the curse—the carnal mind —

There are six points that are necessary to drive home. As you know, the number six represents Man

NO OTHER gods!!!

and beast because both were created on the sixth day.

You must choose to embrace by faith (Total dependence) MY COMPLETE WORK OF SALVATION that develops you into the fullness of the stature of a mature spiritual individual.

This is exemplified by the right standings and **HOLY Relationship** Adam possessed **with ME** before he worshipped other gods.

It is THE MIND OF THE SPIRIT and THE FRUIT OF THE SPIRIT being expressed through your actions.

— Otherwise, you will descend down into the animal impulses of the beastly nature. This is the carnal mind and the fleshly nature. —

Now, let's reveal these six points.

- First, the location where I was crucified was called **Golgotha**. It means the **place of a skull**.
- Second, this signifies that **crucifixion must take place** in your carnal mind.

NO OTHER gods!!!

- Third, this apparatus of vexing, wounding, and torment also **epitomizes the effects** that the carnal mind **exudes on you!**
- Fourth, **I nailed this** sinful, painful, and death-filled mind to **MY CROSS!**
- Fifth, I did this to **free you** from this satanic stronghold, thereby, **freeing** you to have **access** and **to utilize THE MIND OF CHRIST.**
- Finally, yes! **I LOVE you this passionately** and **this intensely** that **I would receive** and **digest** your assigned curses!

I'm going to return to the third point and discuss it in further detail. **My CROSS exemplifies** what will happen to you, when you embrace other gods, operate by the carnal mind, and the fleshly nature. As I cried out — **MY GOD, MY GOD** why have you forsaken **ME?** — this **eternal separation** from **ME** will become **your eternal lot!**

You have rejected ME by the worship of other gods.

NO OTHER gods!!!

It will eventually result in ME giving you who you have chosen.

I will forsake you forever!

The crown of thorns demonstrates the torturous pathway that you will walk in this lifetime. Let's examine this closer.

There were approximately **42 thorns** that were interwoven being one to six inches in length. They were **beaten** into **MY HEAD** with a reed (The stem of the reed plant). These prickly pieces of wood were razor sharp. They caused excruciating, non-stop pain as they **penetrated MY CRANIUM** from **all sides**.

This illustrates the painful, perpetual pressure that will come upon your mind from all sides when you serve other gods.

— You will know mental torments, such as low self-esteem, shame, and anxiety —

Blood flowed profusely from these piercings that the crown of thorns caused. The loss of blood results in

NO OTHER gods!!!

the draining of life, because **the life of the flesh is in the blood.**

This is a visual lesson for you. When you perform the will of these demonic deities, you will experience **the loss of the GODLY QUALITIES OF LIFE** that **I have provided for you.** The blood pouring into **MY EYES** caused a painful, blurry vision.

This speaks to the fact that it's quite difficult for you to make right decisions when your vision/perspective is incapacitated or inaccurate.

Of course, this will bring you into deeper areas of destruction.

Whenever you follow your carnal mind, these will be your end results.

Which side of MY Cross you partake of is completely up to you.

If you fully depend upon MY Finished Work of the Cross, then, you will continuously eat,

NO OTHER gods!!!

**enjoy, and be sustained by MY TREE OF LIFE
both now and forever!**

Nevertheless, should you choose to **refuse MY GRACIOUS GIFT of LOVE**, then, you've **automatically selected** the tree of the knowledge of good and evil. You will bear the generational curses, passed down to you from the first Man and first Woman.

In the same way, **I was** disfigured, pain-stricken, and a bloody mess, while on **The Cross**: this **accurately illustrates** to you the **prices you will pay for not receiving ME as your ONLY LORD and LOVING SAVIOR!**

— You must taste and experience the death that was originally assigned to you —

Therefore:

**You can't reject ME, as THE SOURCE OF LIFE
and think you will live!**

After all, **THE WORD** that **I SPEAK causes** and **brings forth LIFE**, because **MY WORD is LIFE!!!**

NO OTHER gods!!!

MY SPIRIT is THE CARRIER of THE BREATH (LIFE) because MY SPIRIT is LIFE (Breath).

I AM THE ONE WHO Declared and Established THIS TRUTH!

Life **may** (Has the permission) and **can** (Has the ability) to come from something **already alive**.

Conclusively, life **can't be conceived** from something that is **non-living!**

This demolishes the theory of spontaneous generation and the theory of evolution!

For example, the theory of spontaneous generation declared the belief that dirty rags are the cause of rats being born and spoiled meat is what births flies. Of course, these **embraced ideologies** are **completely false**. Dirty rags are good hiding and nesting places for rats. These filthy pieces of cloth weren't the progenitors of these furry, disease-spreading mammals, as the theory of spontaneous generation suggested. Spoiled meat attracted flies to lay their eggs on, ensuring their larvae would have something to eat. Therefore, this maneuver causes

NO OTHER gods!!!

the continuing existence of their kind. Consequently, rotting flesh is not the begetter of these two-winged insects.

After:

The theory of spontaneous generation was eradicated in the minds of Humanity, then, it was repackaged and redelivered in the form of the theory of evolution.

The theory of evolution states that life on Earth came from the sea. Mysteriously, the sea (A non-living entity) produced some kind of primordial soup that gave birth to life.

Once again:

This erroneous narrative of life coming from non-life was being believed, pushed and widely accepted as fact.

— If the sea is the manufacturer of this, so-called, primordial soup, then, why has it not produced more of this substance and brought forth new life? —

NO OTHER gods!!!

These theories, being touted as certain, are nothing more than demonic propaganda to lead people astray from THE TRUTH (ME).

The devilish purposes of these indoctrinations are to manipulate Humanity's mind and to cause them to become extremely twisted up and inevitably lost.

These satanic purposes are to push these narratives until Adam's and Eve's children can't properly find their way back to ME (THE TRUTH, THE TREE OF LIFE)!

When you embrace the teachings and the points of view from the god of perversion, then, you are welcoming and holding tightly to Mankind's ultimate and greatest conqueror!

TRUTH that is perverted and willfully miscommunicated manifests the impact of death upon it!

A lie, in essence, is the death of THE TRUTH!

NO OTHER gods!!!

The more a falsehood is spoken and believed—the more the truth is spoken against and disbelieved! The fact is telling lies doesn't stop **THE TRUTH** from being true!

Because,

You deny and refute MY EXISTENCE (THE TRUTH) doesn't cause ME to cease to exist.

Nevertheless, whoever believes and speaks these deceptions can empower **THE TRUTH** to die to them, and to others who follow suit! Once this transpires, then, only by **MY GRACE**, can **TRUTH** be **resurrected** and made alive to them again!

The ultimate purpose of the last enemy, death, is to eternally separate you from ME!

It's to cause ME and our intended Love Affair to cease to exist to you, both now and forever!

The more you buy into these twisted narratives, from the god of perversion and the king of kings, death, the further you are **denying** and **rejecting ME!** All the while, you become amassed, deeper aligned,

NO OTHER gods!!!

and entangled with the god of perversion and the last enemy, death!

Now, it's time to discuss how death reigns and is Mankind's ultimate and greatest conqueror.

I AM LIFE!!!

In ME all things breathe, move, and exist.

Hence, around **MY THRONE** is an **emerald rainbow** that **symbolizes MY LIFE-GIVING BREATH! MY** antagonist is death. It seeks to dismantle and destroy all the natural works of **MY HANDS**. Because Adam and Eve bowed their will to satan and performed his will, death was given legal and rightful access into the material world, as its maximum terminator.

Whoever and whatever I have constructed, including you, this dark king moves to deconstruct and consume. The natural universe is no match for this eternal black hole that swallows and digests what it will.

NO OTHER gods!!!

— **Who or what can consistently stand against** this ultimate conqueror? —

People make statements about how they or someone else cheated death. The truth of the matter is death is not swindled so easily, for it possesses an insatiable appetite! It's **MY GRACE** and **MY MERCY** that **intervenes** and **grants further opportunities** to individuals to live on longer. There is not a **natural entity** or **natural thing** that doesn't **inevitably succumb** to death's **mighty chokehold slam into the grave**.

Everyone and everything perpetually wrestle against death, the destroyer. Every day, cells in your physical structure die. Your body fights against death, by producing new cells to take the place of those that died. It's a constant battle that you fight every moment of every day. Because death is the **apex predator**, it is **perpetually stalking you**.

Do not assist your demise through ungodly living!

NO OTHER gods!!!

If you will **recognize ME** in **all** of **your decisions**, then, **I will protect you** from this ravenous, cruel, and evil deity.

Complete dependence upon ME is Mandatory!

I AM THE ONLY ONE WHO can oppose, paralyze, and subdue death!

Through **MY Death, Burial, and Resurrection, I Conquered** death.

What does this mean to you?

I, ALONE, have the keys (Authority and Power) over hell and death!

I, ALONE, can free you from the grip of death tormenting you now, then, transporting you to hell to be tormented forever.

I Rule!

I Reign as THE SUPREME and SOVEREIGN

GOD!!!

I AM GOD and GOD ALONE!!!

There is no god above ME!

NO OTHER gods!!!

There is no god beside ME!

There is definitely, no god like ME!!!

I AM THE ONLY GOD WHO should be worshipped, by Mankind.

All these others, so-called gods, are nothing more than demons **parading** about and **intimating ME!**

— These pretentious, wanna-be deities are not worthy of your praise, thanks, and adoration —

They are evil, deceptive, and manipulative!

The father of lies and his demonic demolition crew do not care about you.

Humanity is simply a pawn to be used to break MY HEART and execute revenge against ME.

Do not listen, believe, and obey their false narratives that will cause miseries both here and in the hereafter.

The decision is completely up to you. Who have you chosen to follow, trust, and obey?

NO OTHER gods!!!

MY DIVINE ARMS are wide open to you. In fact, they were nailed open to you upon **The Cross**, and they remain open to you at this very moment!

Today is your appointed time to enthrone ME as your ONLY, ONE TRUE GOD!

— One of the greatest deceptions that the enemy has been successful, in causing people to believe and live: I can wait and perform this tomorrow. —

After all, I still have time.

When you embrace these **mindsets**, you **lose the true sense of urgency** that does exist. Your eternal life is weighing in the balance.

Tomorrow is not promised to you, by ME!

Therefore, maximize the moment and declare from your heart that—

I AM your SOLE LORD and SAVIOR!

NO OTHER gods!!!

Then, proceed to live a lifestyle of total dependence upon ME, by acknowledging and recognizing ME in all of your ways.

This is meant to transpire in every natural and Spiritual decision you are and will make.

When you perform these things, I will effectively empower you to please ME in all you say, and all you do!

Come! Passionately, pursue MY PRESENCE!
I will overcompensate you for your investments of time, loneliness, and pain that you endure.

I AM your EXCEEDING, GREAT REWARD!!!

Therefore:

I will grant you vast amounts of revelation knowledge of ME! I AM MORE than ENOUGH in comparison to all the times you were misunderstood, rejected, and abandoned.

It's mandatory that you view and accept ME, as THE EXCEEDING, GREAT REWARD of your life!

NO OTHER gods!!!

When you take hold of this value system, then, you will joyfully be willing to give up whoever or pay whatever it costs to obtain more of ME.

You'll feverishly—in love—cling to ME!

Your **heart** will be **comforted** and **strengthened** with **great delight** because of **THIS TRUTH** being firmly established within you.

AM I your SOLE GOD?

You must be cooperative, intentional, and consistent with the removal of all other gods from your life!

If you will only ask ME and intensely seek after MY FACE, then, I will reveal and empower you to remove all other gods from your life!

MY LOVE for you is so Great!!!

I intricately know all your faults, failures, and sins. Yet, with these complete understandings that I possess regarding you, I have proclaimed that I LOVE you with an EVERLASTING LOVE.

NO OTHER gods!!!

— I have **SOVEREIGNLY SELECTED** you to be
MY Lover, MY Friend, and MY WIFE —

**You are to be MY Present and MY Eternal
Companion. There must be no other gods
between us!!!**

This COMMAND is non-negotiable!

It is time I bring **MY communication** with you to
a **momentary close**.

**I AM always nearby, waiting, open, and ready
to receive you as MY Own!**

Spend **quality time with ME** through the reading
and the study of **MY HOLY WRIT**, and prayer.

Remember:

**If you don't make time to spend with ME
while on this planet, then, why would you expect
ME to spend MY Eternity with you?**

I await our intimate encounters.

Until we speak again!

NO OTHER gods!!!

**Always remember that I LOVE you, and I DESIRE
you to be eternally MINE!!!**

NO OTHER gods!!!
